## **Letters To Spiritual Children:**

**Letters to Spiritual Children** Nikon, 1997-01-01      **Letters To Spiritual Children** William C. Kriner, Susan W. Kriner, 2014-11-11 Everyone is at a different stage of life yet we all need to continue to grow in the grace and knowledge of our Lord Jesus Christ so as not be carried away with the error of lawless people or lose our stability in Christ to paraphrase Peter See 2 Pet 3 17 18 And this is primarily the responsibility of the Church But we recognize that is not always the case for everyone It is a difficult task in twenty first century America to find a church that proclaims the Gospel lives the Gospel imperatives and nurtures the saints So in August of 2011 we decided to give another shot at nurturing those who were in our lives for a season as young people We began sending by electronic mail Letters to Spiritual Children This little book grew out of that effort Bill and Susan Kriner live near the Eastern Continental Divide in Clearfield PA They have been married for forty years together on a journey to the Celestial City In the 1990s they were instrumental in establishing a Christian ministry Teaching About God s Glory known locally as the TAGG Team Each summer a team of college students would come together to teach summer Bible schools at churches in the area During that period of time it was the privilege of the authors to nurture those young folks in the Biblical and Reformed faith through group Bible studies and individual prayer These young people became spiritual children to the authors This book is a renewed nurture in the lives of those spiritual children who are now adults and many parents The Kriners belong to Grace Reformed Presbyterian Church PCA of Clearfield and DuBois PA which they helped to plant Mr Kriner is a ruling elder in the church Other books authored by Mr Kriner include Down From the Green Tunnel 40 Years into the Wilderness A Calvinist Looks at James and History and Scripture co authored with son Lucas The prayer of the authors is that this book will be a blessing to many and that God will receive the glory      **Letters to Spiritual Children 2014-2016** William C. Kriner, Susan W. Kriner, 2018-01-24 This is the second volume of Letters to Spiritual Children While it was never intended to keep the letters coming over a six year period the need is ever increasing One commodity that is surely lacking in the culture we live in today is spiritual wisdom Spiritual wisdom is not accumulated knowledge or information that allows an individual to be wise Scripture says the process is the opposite Acquire wisdom and with all your acquiring get understanding Proverbs 4 7 James says about spiritual wisdom But the wisdom that comes from above is first pure then peaceable gentle reasonable full of mercy and good fruits unwavering and without hypocrisy James 3 13 The goal of this book is to have the reader think about what it is to be spiritually wise in the midst of worldly wisdom where jealousy and selfish ambition exist and there is disorder and every evil thing To truly call yourself a Christian you must be spiritually wise And your spiritual wisdom will be evident in what you believe and how you live      **Letters to God's Children** Teri Fahey, 2018-05-25 Are you a saint or a sinner Or maybe like all of us you're a little bit of both Our lives and our journeys are unique and complex and rarely does any single one of us fit into a neat little category So what can we do to make our lives come into focus How do we let God explain to us how our little puzzle piece fits into his masterpiece In Letters

to Gods Children author Teri Fahey shares how her own path unfolded offering an easy to read uplifting message that is packed with powerful spiritual resources As a child Teri asked God whether she could make a difference in the world and God answered her through prayer Using the spiritual resources that Teri has learned you too can figure out what that difference could mean in your own life God is preparing you for a unique purpose and you are an important and necessary part of Gods plan for humankind Your spiritual alarm clock will go off sooner than later and the hope is that you will recognize the light of Gods love within your heart All things will become one all things will become new and our new earth will shine May Letters to Gods Children help you prepare and find peace and love to fill your heart and home Letters to the Literal Children of Abraham William Ruble,2014-03-29 This Is A New Release Of The Original 1896 Edition **Letters to the Literal Children of Abraham** William Ruble,1896 **The Letters of John** Colin G. **Three Letters Antipope Constantine II**, D.P. Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care, and at other times more like a commander in chief, exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone, from a reflective scholar to a caring mother of a family, may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved, these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet and so make our lives something beautiful for God.
