John David Pawson,2015-02-15 Those who enjoy reading other people s correspondence should welcome much of the New Testament It is surprising that God chose such personal and particular letters to convey his Word Little did the original authors realise they were writing scripture for people through all history and in all the earth In the first epistle the apostle John echoes the stark contrasts in his Gospel reminding his readers of the choice between living in the darkness of lust lies and lawlessness or the light of love and life He encourages all believers young and old to be satisfied sinless safe and sure grounded in the Word made flesh rather than deceived by the world in its folly The second and third are addressed to a woman and a man respectively reflecting the weaknesses of their gender emphasising love at the expense of truth and vice versa

**A Commentary on the Letters of John** Birger Olsson, 2013-08-13 The long history of interpretation of the three Johannine letters has been largely characterized at least since Irenaeus in the late second century by the assumption that the Elder was addressing the Gnostic heresy In recent years particularly with the work of Raymond Brown attention has been focused on the internal schism within the Johannine or Beloved Disciple s community thus taking the first epistle as a corrective to secessionists misguided attempts to read the Gospel of John in an advanced spiritualizing manner Birger Olsson returns to a less common

perspective one that views the crisis facing the Elder as a wholly intra Jewish problem The Johannine community comprised Jewish believers who regarded Jesus as the long promised Messiah of Israel but at some point in the community's life under the leadership of one Diotrephes some members of the community chose to reject this conviction and to entice other members to do likewise Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel's ancient covenant Among other things this implies that the letters were written in reverse order of their numbering     The Letters of John Hus Jan Hus, 1904     **The Johannine Letters** Georg Strecker, 1996 The three Johannine letters near the end of the New Testament which are traditionally linked with the Gospel of John address important issues in the theology and life of the early Christians Strecker's translation with commentary is a work of serious scholarship     Anchored in the Truth David Kiehn, 2017-12-31 One American writer has said The truth is an arbitrary shifting culturally molded phenomenon Is he right Is truth arbitrary Is it shifting Is truth a culturally developed modern construction Or is truth transcendent Is it ultimate Is it above time and space Jesus said that if his disciples abide in his word they will know the truth and the truth will set you free How do you know if you are in the truth or that the truth is in you Pastor Dave Kiehn walks you through the Apostles John's brief letters to the church to help you discover if you are in the truth and how to remain in that truth The truth has the power to make you free And if the Son sets you free you will be free indeed Explore John's letters and find freedom in the truth
