Murphy,Andrew Seal,Gleaves Whitney**

## Letters Of Mari Sandoz:

Letters of Mari Sandoz Mari Sandoz, 1992-01-01 Mari Sandoz came out of the Sandhills of Nebraska to write at least three enduring books *Old Jules* *Cheyenne Autumn* and *Crazy Horse the Strange Man of the Oglalas* She was a tireless researcher a true storyteller an artist passionately dedicated to a place little known and a people largely misunderstood Blasted by some critics revered by others for her vivid detail and depth of feeling Sandoz has achieved a secure place in American literature Her letters edited by Helen Winter Stauffer reveal extraordinary courage and zest for life Included here are letters written by Sandoz over nearly forty years from 1928 the year of her father's death and a critical one for her creative development to 1966 the year of her own death They allow memorable glimpses of the professional and private person her struggles to learn her craft in spite of an unsupportive family and hard won formal education her experiences in gathering material her relationships with editors and publishers her work with fledgling writers and her commitment to art and to various social concerns Gordon Journal Letters of Mari Sandoz Mari Sandoz, 1991 **Gordon Journal Letters of Mari Sandoz** Mari Sandoz, 1991 Mari Sandoz's Native Nebraska LaVerne Harrell Clark, 2000 When the Mari Sandoz High Plains Center opens in Chadron Nebraska in 2001 it will be one of three centers at which Nebraska honors its outstanding writers Through the compilation of over 200 images in this new book taken from historical collections and her own work author and photographer LaVerne Harrell Clark contributes to that same purpose In it she recreates the frontier life of settlers and the neighboring Sioux and Cheyenne Indians of the sandhills region of northwestern Nebraska Accompanied by in depth captions detailing Mari Sandoz's life and works these images illustrate how she came to hold an outstanding place as an American writer until her death in 1966 Born in 1896 in the free land region of the Nebraska Panhandle Sandoz was greatly influenced in her writing by the people who called at her homestead Her acquaintances included Bad Arm a Sioux Indian who fought at the Little Bighorn and was present at Wounded Knee Old Cheyenne Woman a survivor of both the Oklahoma and Fort Robinson conflicts and William Buffalo Bill Cody the legend of the Old West **Mari Sandoz Correspondence**, 1959 Letters to Robert A. Griffen of Reno Nev from Mari Sandoz In Sandoz letter of June 28 1959 she discusses her book *Hostiles and Friendlies* and other literature about the American West Letter of Aug 28 1961 discusses the publication of her book *Ram in the Thicket* by *Readers Digest* a re issue of *Cheyenne Autumn* and her desire to obtain some of Griffen's Indian bead work and photos of his paintings Letter of Dec 27 1961 thanks Griffen for his gift of a sketch of a bar *Sandoz Studies, Volume 2* Renée M. Laegreid, 2024 The second volume of the Sandoz Series is a rich selection of essays that highlight the diverse approaches used to interpret Mari Sandoz's final book All are intended to give the modern reader a fresh and engaging perspective on this literary masterpiece **Old Jules** Mari Sandoz, 1985-01-01 Recreates the life of a Swiss born Nebraska homesteader while reflecting on the character of the people who shaped the American nation *"I Do Not Apologize for the Length of this Letter"* Mari Sandoz, 2009 The collected correspondence of Mari Sandoz

focusing on her political activism in behalf of American Indians in the mid twentieth century Introduced and edited by Kimberli Lee the letters document Sandoz s role as a non Native chronicler and advocate for Plains Indian cultures Provided by publisher

**The Northern Cheyenne Exodus in History and Memory** James N. Leiker,Ramon Powers,2012-11-09

The exodus of the Northern Cheyennes in 1878 and 1879 an attempt to flee from Indian Territory to their Montana homeland is an important event in American Indian history It is equally important in the history of towns like Oberlin Kansas where Cheyenne warriors killed more than forty settlers The Cheyennes in turn suffered losses through violent encounters with the U S Army More than a century later the story remains familiar because it has been told by historians and novelists and on film In *The Northern Cheyenne Exodus in History and Memory* James N Leiker and Ramon Powers explore how the event has been remembered told and retold They examine the recollections of Indians and settlers and their descendants and they consider local history mass media treatments and literature to draw thought provoking conclusions about how this story has changed over time The Cheyennes journey has always been recounted in melodramatic stereotypes and for the last fifty years most versions have featured noble savages trying to reclaim their birthright Here Leiker and Powers deconstruct those stereotypes and transcend them pointing out that history is never so simple The Cheyennes flight they write had left white and Indian bones alike scattered along its route from Oklahoma to Montana In this view the descendants of the Cheyennes and the settlers they encountered are all westerners who need history as a way of explaining the bones and arrowheads that littered the plains Leiker and Powers depict a rural West whose diverse peoples Euro American and Native American alike seek to preserve their heritage through memory and history Anyone who lives in the contemporary Great Plains or who wants to understand the West as a whole will find this book compelling

**Heritage of the Great Plains** ,1995

**Dream a Little** Dorothee E. Kocks,2000-09-19 Writing with a novelist s sensitivity toward language Kocks explores the idea that Americans have historically looked to the land for answers to society s problems To illustrate this point she shows that the frontier state with its homestead program was actually the predecessor of the modern welfare state Instead of money the federal government gave away land Kocks shows how we have forgotten the politics and history behind this giveaway and unravels the significance of this forgetting for our national consciousness

**Transforming Ethnohistories** Sebastian Felix Braun,2013-08-26 Anthropologists need history to understand how the past has shaped the present Historians need anthropology to help them interpret the past Where anthropologists and historians needs intersect is ethnohistory The contributors to this volume have been inspired in large part by the teaching and writing of distinguished ethnohistorian Raymond J DeMallie whose exemplary combination of ethnographic and archival research demonstrates the ways anthropology and history can work together to create an understanding of the past and the present *Transforming Ethnohistories* comprises ten new avenues of ethnohistorical research ranging in topic from fiddling performances to environmental disturbance and spanning places from North Carolina to the Yukon The authors seek to understand

communities by finding and interpreting their stories in a variety of different texts some of which lie outside academic understanding and research methodology It is exactly those stories conventionally labeled myths or oral tradition that ethnohistorians demand we pay attention to Although historians cannot see or talk to their informants as anthropologists do both anthropologists and historians can listen to oral histories and written documents for the essential stories they contain The essays assembled here use DeMallie's approach to contribute to the history and anthropology of Native North America and address issues of literary criticism and contexts sociolinguistics performance theory identity and historical change historical and anthropological methods and theory and the interpretation of histories cultures and stories Debates over the legitimacy of ethnohistory as a specialization have led some scholars to declare its decline This volume shows ethnohistory to be alive and well and continuing to attract young scholars

The Sower and the Seer Joseph Hogan, Jon Lauck, Paul Murphy, Andrew Seal, Gleaves Whitney, 2021-02-17 This collection of twenty two essays a product of recent revivals of interest in both Midwestern history and intellectual history argues for the contributions of interior thinkers and ideas in forming an American identity The Midwest has been characterized as a fertile seedbed for the germination of great thinkers but a wasteland for their further growth The Sower and the Seer reveals that representation to be false In fact the region has sustained many innovative minds and been the locus of extraordinary intellectualism It has also been the site of shifting interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women's literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest

**A Great Plains Reader** Diane Dufva Quantic, P. Jane Hafen, 2003-01-01 The Great Plains are as rich and integral a part of American literature as they are of the North American landscape In this volume the stories poems and essays that have defined the region evoke the world of the American prairie from the days of Native history to the realities of life on a present day reservation

**CBS's Don Hollenbeck** Loren Ghiglione, 2011 Loren Ghiglione recounts the fascinating life and tragic suicide of Don Hollenbeck the controversial newscaster who became a primary target of McCarthyism's smear tactics Drawing on unsealed FBI records private family correspondence and interviews with Walter Cronkite Mike Wallace Charles Collingwood Douglas Edwards and more than one hundred other journalists Ghiglione writes a balanced biography that cuts close to the bone of this complicated newsman and chronicles the stark consequences of the anti Communist frenzy that seized America in the late 1940s and 1950s Hollenbeck began his career at the Lincoln Nebraska Journal marrying the boss's daughter before becoming an editor at William Randolph Hearst's rip roaring Omaha Bee News

He participated in the emerging field of photojournalism at the Associated Press assisted in creating the innovative ad free PM newspaper in New York City reported from the European theater for NBC radio during World War II and anchored television newscasts at CBS during the era of Edward R Murrow Hollenbeck s pioneering prize winning radio program CBS Views the Press 1947 1950 was a declaration of independence from a print medium that had dominated American newsmaking for close to 250 years The program candidly criticized the prestigious New York Times the Daily News then the paper with the largest circulation in America and Hearst s flagship Journal American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS s Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America s tortured conscience

**Notable American Women** Barbara Sicherman, Carol Hurd Green, 1980 Modeled on the Dictionary of American Biography this set stands alone but is a good complement to that set which contained only 700 women of 15 000 entries The preparation of the first set of Notable American Women was supported by Radcliffe College It includes women from 1607 to those who died before the end of 1950 only 5 women included were born after 1900 Arranged throughout the volumes alphabetically entries are from 400 to 7 000 words and have bibliographies There is a good introductory essay and a classified list of entries in volume three Wyoming Annals ,1994 The Frontier Club Christine Bold, 2013-01-03 From Hollywood films to novels by Louis L Amour and television series like Gunsmoke and Deadwood the Wild West has exerted a powerful hold on the cultural imagination of the United States Beginning with Theodore Roosevelt s founding of the Boone and Crockett Club in 1887 Christine Bold traces the origins and evolution of the western genre revealing how a group of prominent eastern aristocrats a cadre she terms the frontier club created and propagated the myth of the Wild West to advance their own self interest as well as larger systems of privilege and exclusion Mining institutional archives personal papers novels and films The Frontier Club excavates the hidden social political and financial interests behind the making of the modern western It re reads frontier club fiction most notably Owen Wister s bestseller The Virginian in relation to federal policies and cultural spaces from exclusive gentlemen s clubs to national parks to zoos it casts new light on key clubmen both the famous and the forgotten figures such as Roosevelt George Bird Grinnell Silas Weir Mitchell Henry Cabot Lodge and Frederic Remington while recovering the women on whom these men depended and without whom this version of the popular West would not exist and it considers the costs of the frontier club formula in terms of its impact on Indigenous peoples and its marginalization of other popular voices including western writings by African Americans women and working class white men An engaging cultural history that covers print culture big game hunting politics immigration Jim Crow

segregation and environmental conservation at the turn of the twentieth century The Frontier Club provides a welcome new perspective on the enduring American myth of the Wild West Cather Studies, Volume 14 Marilee Lindemann, **Their Own Frontier** Shirley A. Leckie, Nancy J. Parezo, 2008-07-01 Biographers describe the struggles and contributions of female scholars researching Indians of the American West in the early 1900s
