## **Letters To A Grandson:**

**Letter to a Great Grandson** Hugh Downs, 2007-11-01 When you are a great grandfather you will experience something so much more powerful and meaningful than being a father or a grandfather that you will look at the march of generations with new eyes When his great grandson Alexander was born in 2002 Hugh Downs suddenly gained a rare perspective on the world he had seen the evolution of American culture through five generations his parents his own his children s his grandchildren s and now his great grandson s Once Downs realized the extraordinary amount of love he experienced for his brand new descendent as well as the profound connection he felt between them he decided to write him a letter to be read at different stages of Alexander s life Letter to A Great Grandson offers wisdom advice and speculation about how life was how life is and how life may be in the future As one of America s most trusted commentators Downs is a grandfather figure to many and his words will resonate with readers everywhere at any age Letter to A Great Grandson presents a completely new system for categorizing life Downs has divided it into seventeen stages ranging from infant to post puberty minor to young old to ancient and everything in between This unique organization allows him to offer specific thoughts on each stage making the book pertinent to all age levels ideal for reading over and over again during different periods in life Downs discusses the common problems and achievements in each stage and along the way offers his characteristically erudite and conversational thoughts on relationships science sex education careers literature and life in general He also includes touching tidbits from his own childhood and those of his family illustrating that sometimes one must look back in order to look forward Though Letter to A Great Grandson is not a how to book it does teach by example It stresses the importance and joy of sharing your thoughts and feelings with the children in your life and of actively maintaining family connections before it is too late This makes it a wonderful model for great grandparents grandparents and parents alike Considering the special bond between grandparents and grandchildren and great grandparents and great grandchildren surprisingly few books address this important relationship When this vital n0 heartwarming subject matter is combined with Hugh Downs s unique wisdom wit and warmth the result is a book that will truly be treasured
