Letters True Confessions:

The Letters of Peter Mitchell E. M. Albano, 2008-10-10 The Letters of Peter Mitchell is a story that was conceived more than forty years ago when a young soldier from Fort Dix did wander into New York City on a weekend pass and did meet another young soldier who was planning to spend a weekend with a woman who could have been mistaken for his mother or a sweet old aunt The picture that he saw before him was sad if not pathetic That chance meeting led the young soldier from Ft Dix to carry the memory and expand upon it during his thirty month tour of duty in France The story could be read as somewhat autobiographical There is a hand knit mohair sweater in the author's cedar chest only worn on special occasions But we must remember that this is a novel a work of fiction *Confessions Of The Letter Closet* Patrick Paul Garlinger, Explores the history of the letter as an expression of sexual desire *Fifteen Letters concerning confessions of faith and subscriptions to articles of religion in Protestant Churches ... To which is added a postscript to the author of an answer to the said letters*, 1770 *In the Shadow of Olympus* Katherine R. Goodman, Edith Waldstein, 1992-01-28 This anthology represents the first sustained feminist examination of eighteenth and nineteenth century German women writers in English These essays highlight the literature produced by German women in the period 1790-1810 framing the discussions with a comparative orientation The book analyzes in culturally specific detail how these authors came to constitute the first generation of writing women in Germany at a time when Goethe set the standard for literary production Each essay focuses on the ambivalence of the author's toward literary and social models The authors treated include Rahel Varnhagen Charlotte von Stein Friederike Helene Unger Bettine von Armin Caroline Schlegel Schelling Sophie Albrecht Therese Huber Sophie Mereau Sophie von La Roche Henriette Frolich and Benedikte Naubert **An Annotated Guide to Current National Bibliographies** Barbara L. Bell, 1986 *The Letters of the Martyrs*, 1837 **Auricular confession, six letters in answer to the attacks of one of the city lecturers [W.S. Bricknell] on the Catholic principle and practice of private confession to a priest [in the Oxf. univ. herald] with preface, notes, and intr., by Academicus** Charles Seager, 1842 **Confession and Absolution. A letter to the Right Reverend the Lord Bishop of Salisbury** Charles William BINGHAM, 1867 *A Commentary on the Letters of John* Birger Olsson, 2013-08-13 The long history of interpretation of the three Johannine letters has been largely characterized at least since Irenaeus in the late second century by the assumption that the Elder was addressing the Gnostic heresy In recent years particularly with the work of Raymond Brown attention has been focused on the internal schism within the Johannine or Beloved Disciple's community thus taking the first epistle as a corrective to secessionists misguided attempts to read the Gospel of John in an advanced spiritualizing manner Birger Olsson returns to a less common perspective one that views the crisis facing the Elder as a wholly intra-Jewish problem The Johannine community comprised Jewish believers who regarded Jesus as the long promised Messiah of Israel but at some point in the community's life under the leadership of one Diotrophes some members of the community chose to reject this

conviction and to entice other members to do likewise Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel's ancient covenant Among other things this implies that the letters were written in reverse order of their numbering **Letters of Ascent** Michael C. Voigts,2013-07-12 Bernard of Clairvaux is best known by many today for his mystical approach to spirituality and his eloquent sermons on the Song of Songs In his letters however a different Bernard emerges one who had fled the world for the cloister yet possessed a soaring vision for the Church on earth By examining select letters and placing them in the larger context of the people and the world around him we discover a man who loved the Church but who realized that the Church is comprised of individuals who did not share his ideals and agendas In Letters of Ascent we travel to medieval Europe and view society through the eyes of one of history's most passionate ecclesiastical reformers **Michiganensian** ,1929
