

# LETTING GO

*The Story of Zen Master Tōdō*

Translated and with an Introduction by  
**Peter Haskel**

# Letting Go The Story Of Zen Master Tosui

**Nancy Welch**

## **Letting Go The Story Of Zen Master Tosui:**

*Letting Go* ,2001-05-01 Of the many eccentric figures in Japanese Zen the Soto Zen master Tosui Unkei d 1683 is surely among the most colorful and extreme Various compared to Ryokan and Francis of Assisi Tosui has been called the original hippie After many grueling years of Zen study and the sanction of a distinguished teacher Tosui abandoned the religious establishment and became a drifter The arresting details of Tosui s life were recorded in the Tribute Tosui osho densen a lively and colloquial account written by the celebrated scholar and Soto Zen master Menzan Zuiho Menzan concentrates on Tosui s years as a beggar and laborer recounting episodes from an unorthodox life while at the same time opening a new window on seventeenth century Japan The Tribute is translated here for the first time accompanied by woodblock prints commissioned for the original 1768 edition Peter Haskell s introduction places Tosui in the context of the Japanese Zen of his period a time when the identities of early modern Zen schools were still being formed and a period of spiritual crisis for many distinguished monks who believed that the authentic Zen transmission had long ceased to exist A biographical addendum offers a detailed overview of Tosui s life in light of surviving premodern sources

**Letting Go** ,2001-05-01 Of the many eccentric figures in Japanese Zen the Soto Zen master Tosui Unkei d 1683 is surely among the most colorful and extreme Various compared to Ryokan and Francis of Assisi Tosui has been called the original hippie After many grueling years of Zen study and the sanction of a distinguished teacher Tosui abandoned the religious establishment and became a drifter The arresting details of Tosui s life were recorded in the Tribute Tosui osho densen a lively and colloquial account written by the celebrated scholar and Soto Zen master Menzan Zuiho Menzan concentrates on Tosui s years as a beggar and laborer recounting episodes from an unorthodox life while at the same time opening a new window on seventeenth century Japan The Tribute is translated here for the first time accompanied by woodblock prints commissioned for the original 1768 edition Peter Haskell s introduction places Tosui in the context of the Japanese Zen of his period a time when the identities of early modern Zen schools were still being formed and a period of spiritual crisis for many distinguished monks who believed that the authentic Zen transmission had long ceased to exist A biographical addendum offers a detailed overview of Tosui s life in light of surviving premodern sources

**Zen Master Tales** Peter Haskell,2022-04-26 A lively collection of folk tales and Buddhist teaching stories from four noted premodern Japanese Zen masters Taigu S chiku 1584 1669 Sengai Gibon 1750 1831 Hakuin Ekaku 1686 1769 and Taigu Ry kan 1758 1831 Zen Master Tales collects never before translated stories of four prominent Zen masters from the Edo period of Japanese history 1603 1868 Drawn from an era that saw the democratization of Japanese Zen these stories paint a picture of robust funny and poignant engagement between Zen luminaries and the emergent ch nin or townsperson culture of early modern Japan Here we find Zen monks engaging with samurai merchants housewives entertainers and farmers These masters affirmed that the essentials of Zen practice zazen koan study even enlightenment could be conveyed to all members of Japanese society in ordinary speech including even comic verse and work

songs Against the backdrop of this rich tableau Zen Master Tales serves not only as a text for Zen students but also as a wide ranging window onto the fascinating literary material and social history of Edo Japan In his introduction translator Peter Haskel explains the history of Zen stories from the tradition s Golden Age in China through the compilation of the classic koan collections and on to the era from which the stories in Zen Master Tales are drawn What was true of the Chinese tradition he writes its focus on the individual s ordinary activity as the function the manifestation of the absolute continued in the Japanese context Most of these Japanese stories however unabashedly humorous and at times crude impart something of the character of the Zen masters involved whose attainment must be plainly manifest in even the most humble and unlikely of situations

Public Zen, Personal Zen Peter D. Hershock, 2014-03-14 Among Buddhist traditions Zen has been remarkably successful in garnering and sustaining interest outside the Buddhist homelands of Asia and zen is now part of the global cultural lexicon This deeply informed book explores the history of this enduring Japanese tradition from its beginnings as a form of Buddhist thought and practice imported from China to its reinvention in medieval Japan as a force for religious political and cultural change to its role in Japan s embrace of modernity Going deeper it also explores Zen through the experiences and teachings of key individuals who shaped Zen as a tradition committed to the embodiment of enlightenment by all By bringing together Zen s institutional and personal dimensions Peter D Hershock offers readers a nuanced yet accessible introduction to Zen as well as distinctive insights into issues that remain relevant today including the creative tensions between globalization and localization the interplay of politics and religion and the possibilities for integrating social transformation with personal liberation Including an introduction to the basic teachings and practices of Buddhism and an account of their spread across Asia Public Zen Personal Zen deftly blends historical detail with the felt experiences of Zen practitioners grappling with the meaning of human suffering personal freedom and the integration of social and spiritual progress

**Zen Women** Grace Schireson, 2009-10-27 This landmark presentation at last makes heard the centuries of Zen s female voices Through exploring the teachings and history of Zen s female ancestors from the time of the Buddha to ancient and modern female masters in China Korea and Japan Grace Schireson offers us a view of a more balanced Dharma practice one that is especially applicable to our complex lives embedded as they are in webs of family relations and responsibilities and the challenges of love and work Part I of this book describes female practitioners as they are portrayed in the classic literature of Patriarchs Zen often as tea ladies bit players in the drama of male students enlightenments as iron maidens tough as nails women always jousting with their male counterparts or women who themselves become macho masters teaching the same Patriarchs Zen as the men do Part II of this book presents a different view a view of how women Zen masters entered Zen practice and how they embodied and taught Zen uniquely as women This section examines many urgent and illuminating questions about our Zen grandmothers How did it affect them to be taught by men What did they feel as they trying to fit into this male practice environment and how did their Zen training help them with their feelings How did

their lives and relationships differ from that of their male teachers How did they express the Dharma in their own way for other female students How was their teaching consistently different from that of male ancestors And then part III explores how women s practice provides flexible and pragmatic solutions to issues arising in contemporary Western Zen centers

*Buddhism and Human Flourishing* Seth Zuihō Segall, 2020-02-27 The Buddha and Aristotle offer competing visions of the best possible life to which human beings can aspire In this volume Seth Zuih Segall compares Theravāda and Mahāyāna accounts of enlightenment with Aristotelian and neo Aristotelian accounts of eudaimonia and proposes a syncretic model of eudaimonic enlightenment that given prevalent Western beliefs about well being and human flourishing provides a credible new end goal for modern Western Buddhist practice He then demonstrates how this proposed synthesis is already deeply reflected in contemporary Western Buddhist rhetoric Segall re evaluates traditional Buddhist teachings on desire attachment aversion nirvāṇa and selfhood from the eudaimonic enlightenment perspective and explores the perspective s ethical and metaphysical implications

*Meditation in the Wild* Charles S. Fisher, 2014-01-31 Meditation in the Wild takes the reader on an adventure with the Buddhist forest monks and hermits of the last 2500 years Walking into jungles and living on mountain sides their encounters with nature teach us about the meaning of life and death our struggles with our own minds and how we treat each other Sitting with tigers biting insects and bamboo shoots they looked on life compassionately They remind us of who we are and what we have become

*Medicine and Meditation* Nancy Welch, 2014-02-20 This book contains eleven amazing interviews with prominent psychologists Zen teachers and those who suffer from chronic pain and illness and tells how they are incorporating meditation into their medical management programs Experts on meditation provide answers to a wide variety of questions What are the nuts and bolts of a successful meditation practice How can it be adopted by someone who is in constant pain What is needed to make meditation a successful and rewarding practice What is the best way to meditate Do you have to sit in a certain position to benefit from a meditation practice Those interested in exploring ways to find relief from chronic pain and illness will find Nancy Welch s book an incredible resource Everything you need to know about meditation is covered in her interviews with experts who know precisely what it takes to make a practice of meditation work for you

**The Other Side of Zen** Duncan Ryūken Williams, 2005 Popular understanding of Zen Buddhism typically involves a stereotyped image of isolated individuals in meditation contemplating nothingness This book presents the other side of Zen by examining the movement s explosive growth during the Tokugawa period 1600 1867 in Japan and by shedding light on the broader Japanese religious landscape during the era Using newly discovered manuscripts Duncan Ryūken Williams argues that the success of Soto Zen was due neither to what is most often associated with the sect Zen meditation nor to the teachings of its medieval founder Dogen but rather to the social benefits it conveyed Williams s work is based on careful examination of archival sources including temple logbooks prayer and funerary manuals death registries miracle tales of popular Buddhist deities secret initiation papers villagers diaries and fundraising donor lists Jacket

,2001    **Tricycle** ,2001    Japanese Journal of Religious Studies ,2001    *Japan Review* ,2004    **Internationale**  
**Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2004    Eloquent Silence Nyogen Senzaki,2008-11 This  
new book Eloquent Silence brings depth and breadth to our knowledge and appreciation of this historic figure For the first  
time we can read Nyogen Senzaki s commentaries on the complete Gateless Gate as well as on several cases from the Blue  
Rock Collection and the Book of Equanimity and transcriptions of his talks on Zen esoteric Buddhism the Lotus Sutra what it  
means to be a Buddhist monk and many other subjects Eloquent Silence also includes poems in Nyogen Senzaki s beautiful  
calligraphic hand and his own translations two early letters to his teacher Soyen Shaku who represented Japan at the World  
Parliament of Religions in Chicago in 1893 as well as a partial autobiography of Soyen Shaku a series of letters in response to  
an article by Nyogen Senzaki that was severely critical of the Japanese Zen establishment and rare photographs Roko Sherry  
Chayat has edited Nyogen Senzaki s words with sensitivity and grace retaining his wry probing style yet bringing clarity and  
accessibility to these remarkably contemporary teachings    **Bibliographic Index** ,2006    Books on Japan in Western
