Lisbeth Berkman född 1943 är en svensk författare. Hon debuterade år 2010 med *Det vore väl synd*. *Blodsarvet - Trilogin* Henrik Larsson, 2014-12-01

Romanerna *Krigarhjärta* Isbjörnen och *Profetens tid* utgör tillsammans nästan 1800 sidor storlagen fantasy om världens Livgard. Gastkramande spänning kriget och svek. Henrik Larssons svenska trilogi *Blodsarvet* har allt. Här samlas blickerna för första gången i en volym. Det här är läsning för alla ventyrslästare från 15 år och uppåt och kan jämföras med de riktigt stora i genren. Henrik Larsson trollbinder läsaren med suggestiva ibland väldigt samma scener. KRIGARHJÄRTA är en oerhört stark och driven ventyrsherättelse om en pojke som förs bort av ett krigarfolk och långsamt upptäcker att han är mer än en vanlig bondpojke. Han flyr från stenbrottet där han arbetar som slav och hamnar i krig. 9 rige Eriks liv tar en dramatisk vändning när den lilla by han lever i skivas av ett krigarfolk. Han blir tillfångatagen och förs som slav till ett stenbrott i det försmått och varma Söderland. När Erik väcker sig allt starkare långsamt berättar han först att han inte bara är en vanlig bondpojke utan att det har något mer i beredskap för honom. Sedan beskriver författaren romanen. Idén med *Krigarhjärta* var att skriva en klassisk fantasyhistoria men att vända upp och ner på många av byggstenarna. Jag har slopat trollkarlar, monster och drakar och istället byggt upp en värld som påminner lite om medeltiden. Fornnordisk mytologi har varit en stor inspirationskälla. Historien har självklart en hjält men gränserna mellan gott och ont är inte lika tydligt dragna som de brukar vara i fantasy. Vad som är rätt eller fel mätas upp med hjälp av huvudpersonens sikter. Istället för någon universell lag. Förhoppningsvis kommer smaker som dessa göra att boken tilltalar fler än enbart de inbitna fantasylskarna. ISBJÖRNE Erik Krigarhjärta befinner sig på den tänkta Isbjörnen tillsammans med skuggväktaren Tolke och shamankvinnan Silda. Han söker bundsförvanter i kriget mot kung Sven Svartnacke men planerna vänds upp och ner när sällskapet hamnar i klorna på en människo-tänderha. PROFETENS TID En profet som ständigt hotar en lidande konung och ett rike att hålla samman och beskydda Karl Solhand och hans tigrar berättar i sin del och det försmått folket från Västnorge har fått en ny gud och ledare. Aluir som hetsar sina tillbedjare att invadera Nordland. En tröt och plågad Erik Krigarhjärta försöker driva angriparna på flykten när hans folk blir verraskade av ett baklöst vermannade meste de flyhalsverhuvud men med sig har de den mystiska bergskvinnan Stormgå som låter dem först att striderna bara berättat. Gränserna mellan gott och ont berättar uppläsaren vem är vän och vem är fiende. Och vad är rätt och fel att göra när du inte längre har något val. Samlingsvolymen *Blodsarvet* innehåller dessutom bonusnovellen *Jungfruansan*.
