with divine speech Numbers also contains divine speech but the voices of Moses and the narrator are more recurrent Deuteronomy is presented in the form of a farewell speech of Moses before his death The story is then retold from Moses point of view with different emphases and even some changes Chapters are General Introduction Leviticus Numbers and Deuteronomy Each chapter contains a general introduction to a biblical book which is followed by notes which make observations on the literary qualities of smaller units of each book Leviticus, Numbers, Deuteronomy Derek Kidner,1971
