Lemke**

Leviticus A Commentary The Old Testament Library:

Leviticus Erhard S. Gerstenberger, 1996-04-15 This volume in the Old Testament Library series focuses on the book of Leviticus The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing Leviticus Martin Noth, 1964 **Leviticus** Mark J Lenz, 1988-07-01 What is the book of Leviticus about In the Bible Leviticus is the third book written by God's great leader Moses The book is filled with types and shadows of Jesus Christ and his work of redemption for God's people Reading through this book and the rest of the Old Testament books of the Bible will help you understand Christ's sacrifice for your sins and the sins of the whole world Want to learn more If you're wondering what Leviticus is about this book is for you Leviticus is a reliable Bible commentary It's down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the book of Leviticus from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Leviticus is a great resource for personal or group study This book is a part of The People's Bible series from Northwestern Publishing House An Introduction to the Old Testament David M. Carr, 2011-09-13 This comprehensive introductory textbook is unique in exploring the emergence of the Hebrew Bible in the broader context of world history It particularly focuses on the influence of pre Roman empires empowering students with a richer understanding of Old Testament historiography Provides a historical context for students learning about the development and changing interpretations of biblical texts Examines how these early stories were variously shaped by interaction with the Mesopotamian and Egyptian Assyrian Babylonian Persian and Hellenistic empires Incorporates recent research on the formation of the Pentateuch Reveals how key biblical texts came to be interpreted by Jewish Christian and Muslim faiths Includes numerous student friendly features such as study questions review sections bibliographies timelines and illustrations and photos **The Bible's Foundation** Charles L. Aaron, 2013-08-30 The first five books of the Hebrew Bible spark discussions that last for centuries From the creation stories in Genesis through the delineation of the law in Deuteronomy these five books the Pentateuch contain deep troves of historical and spiritual treasures In The Bible's Foundation An Introduction to the Pentateuch Charles Aaron Jr looks at each book through several perspectives ancient near Eastern background literary analysis structure important theological concepts and compositional history The Bible's Foundation An Introduction to the Pentateuch accounts the academic significance of each book and the issues of faith that have marked these books as important sacred texts Each chapter summarizes the content of an individual book provides careful analysis for selected representative passages and discusses in a critical way the faith issues raised from the text Old Testament Theology Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological

significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many *Old Testament Survey* Paul R. House, Eric Mitchell, 2007-09-01 This second edition of the widely used and highly praised Old Testament Survey revises the original edition and greatly expands its attention to historical and geographical topics These are combined with the first edition's focus on literature and narrative and an increased amount of improved maps are also included In all the book charts every major element that unifies the Old Testament making it an excellent companion for Bible reading Any student desiring a thorough and time tested overview of the Bible's first half will find it in this updated edition of Old Testament Survey **A Cognitive Semantic Study of**

Biblical Hebrew Andrew Chin Hei Leong, 2021-09-13 Semantic studies of the Biblical Hebrew verb have been influenced by those of its most invoked nominal form In this volume Andrew Chin Hei Leong shows that the concepts of balance alliance and completeness form the basic semantic structure of Previous studies on employed either historical or textual methodology which has been dominant in biblical lexical studies In addition to these methods in Leong develops a systematic semantic methodology from Cognitive Semantics and Frame Semantics to demonstrate that it is balance rather than completeness that is the most central concept in holding the semantic network together **And Their Eyes Were Opened** Ray

McAllister, 2021-10-15 This book is a detailed theological analysis of blindness in the Hebrew Bible It explores blindness in the context of religion law codes theodicy social justice and healing McAllister first considers the wider context of ancient Near Eastern cultures before analyzing various words for blindness found in the Hebrew Bible The focus then shifts to examining blindness in various blocks of material in the Law the Prophets and the Writings before synthesizing the findings This book is excellent for scholars and students interested in better understanding disability in the context of the Bible and the ancient Near East **An Annotated Guide to Biblical Resources for Ministry** David R. Bauer, 2011-04-01 An

Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia Eating to Excess Susan E.

Hill, 2011-09-12 This provocative book explores how ancient notions about the fat body and the glutton in western culture both challenge and confirm ideas about what it means to be overweight and gluttonous today People in the ancient western world made a distinction between being fat and being a glutton even when they valued self control and criticized excessive behavior Examining many works of early western cultures this book shows how ancient views both confirm and challenge our contemporary assumptions about fat bodies and gluttons *Eating to Excess The Meaning of Gluttony and the Fat Body in the Ancient World* explores the historical roots of the symbolic relationship between fatness gluttony and immorality in western culture It includes chapters on Greek philosophy medicine and physiognomy Greek and Roman popular culture early Christianity and the development of gluttony as one of the seven deadly sins By examining ancient ideas about gluttony and fat bodies the author offers new insight into what it means to be human in the western world *Am I Still My Brother's Keeper?* Robert Wafawanaka, 2012-04-05 What does the Bible say about poverty and our responsibility toward the poor This book examines the concept of brother s keeper in both the ancient Near East and the biblical world Wafawanaka contends that biblical Israel failed to play the rightful role of brother s keeper and claims that we too have strayed from this responsibility *Am I Still My Brother's Keeper* reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities Beginning with the biblical mandate in Deuteronomy 15 Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor Failure to revisit the notion of brother s keeper threatens to create a society that is increasingly disenfranchised and unjust A glance at our world in light of biblical history suggests that poverty is an endemic global problem that requires a radical global solution *Holy Imagination* Prof. Judy Fentress-Williams, 2021-03-03 The many voices in scripture form a dialogue with readers which produce theological truths that are larger than the individual parts This introduction is informed by both literary theory and theology It groups sections of the whole Bible together by genre Each section identifies and describes the genre such as historiography poetry prophecy gospel letter apocalypse and then moves into a discussion about the literary characteristics and theological insights The words of scripture not only come a long way to find us but like a poem must be read with attention Poetry doesn't yield meaning easily and it doesn't promise to make sense We know to look past the words on the page and find the images tropes sounds and metaphors that are meaning full This type of writing invites rather demands the imagination We must accept that we will only get so close but that this is close enough Our imagination spans the gaps left by sparse language and incomplete narratives We return again and again with more information and perhaps more experiences The words are the same but we are not and for that reason there are always new discoveries At last an introduction that students will enjoy reading because it is at once engaging informative and eye opening as well as completely lucid Fentress Williams shows how many books of the Bible reflect the experience of marginalized persons and communities in precarious situations and therefore how they speak in ways both realistic and

encouraging to contemporary readers Do your students and yourself a favor adopt this text and get ready for serious conversation about ancient texts that never go out of date Ellen F Davis Amos Ragan Kearns Distinguished Professor of Bible and Practical Theology Duke Divinity School *An Introduction to the Bible* David M. Carr, Colleen M. Conway, 2010-03-08 This groundbreaking introductory textbook explores the emergence and development of the Bible placing it in the broader context of world history It particularly focuses on the role of a number of empires in the formation of the Biblical canon Explores the historical role the Bible has played in subsequent empires and its enduring influence in the contemporary world resulting in a balanced overview of the historical forces that shaped the canon Explores topics including the formation of the Pentateuch the development of the earliest Old Testament stories the historical study of the Gospel traditions surrounding Jesus the influence of Roman rule in the provinces where Paul spent much of his ministry and the interpretation of the Biblical texts and their use by different faith communities Incorporates numerous student friendly features throughout including study questions review sections bibliographies timelines and illustrations and photos **Street Signs** David P. Leong, 2012-07-01 Street Signs is an engaging missiological inquiry into the cultural and theological meaning of the city Through the lens of Seattle's Rainier Valley one of the most ethnically and socioeconomically diverse communities in the US this work constructs an urban missional and contextual theology that is shaped by the local realities of urban neighborhoods but relevant to cities everywhere Focused on the themes of incarnation confrontation and imagination Street Signs explores the contours of missional theology in urban contexts marked by physical density social diversity and economic disparity In addition to examining contextualization and cultural theory Street Signs also utilizes creative research methods like urban exegesis cultural semiotics and theology of the built environment For the urban ministry practitioner or the theologian in the city this work aims to engage thoughtful Christians with missiological and theological reflections on place neighbor and community **Atonement and Purification** Isabel Crazz, 2017-05-05 Biblical scholars frequently attempt to contextualize the Priestly ritual corpus by comparing it to other ancient Near Eastern ritual traditions This comparative approach tends to detect a hidden polemic at work in the Priestly Source P which was meant to highlight its distinctly monotheistic outlook Isabel Crazz reframes current understandings of P by comparing Priestly rituals of atonement to their Assyro-Babylonian counterparts In this way she shows how the Priestly ritual corpus is highly specialized and concerns itself primarily with sanctuary maintenance Viewing P in this new light in turn helps to demonstrate that the authors of P were not interested in discrediting foreign rituals or pushing a monotheistic agenda Instead P primarily aimed to confirm the Aaronide priests as the only legitimate priestly group fit for service at the altar Subsequently if a polemical agenda is present in P it can be shown to be directed against rivals and critics of the Aaronide priesthood not other rituals of the ancient Near East

Biblical Hermeneutics Bruce Corley, Grant Lovejoy, Steve W Lemke, 2002-04-15 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics It takes an interdisciplinary approach that is both balanced and practical with six major

areas of focus the history of biblical interpretation philosophical presuppositions biblical genre the uniqueness of Scripture the practice of exegesis and use of exegetical insights that will be lived and communicated in preaching and teaching Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation It provides in one volume resources for gaining a working knowledge of the multi faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student The first chapter A Student s Primer for Exegesis by Bruce Corley gives the student a bird s eye view of the entire process It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis This revised edition of Biblical Hermeneutics contains seven new chapter that deal with the major literary genre of Scripture law narrative poetry wisdom prophecy Gospels and Acts epistles and apocalyptic The unique nature of Scripture is presented in part three that addresses the authority inspiration and language of Scripture The book contains two extensive appendices A Student s Glossary for Biblical Studies and an updated and expanded version of A Student s Guide to Reference Books and Biblical Commentaries

A Theological Introduction to the Pentateuch Richard S. Briggs, Joel N. Lohr, 2012-03-01 In this concise volume a team of fresh Old Testament voices explores the theological dimensions of the Pentateuch and provides specific examples of critically engaged theological interpretation This Pentateuch text is unique in that it emphasizes theological reading serving as an affordable supplement to traditional introductory Pentateuch texts Each chapter introduces theological themes and issues in interpretation then offers exegesis of one or two representative passages to model theological interpretation in practice This useful text will be valued by students of the Old Testament and the Pentateuch as well as pastors

Jubilee in the Bible Lidija Gunjević, 2017-10-02 The biblical message of Jubilee is becoming more credible in our days in dealing with the socio economic and moral spiritual issues of today s world It continues to exercise a powerful influence on the religious thoughts and actions of God s people In addition to that this book reveals a new hermeneutical code of reading and interpreting the message of Jubilee The synthesis of the exegetical analysis of the biblical texts regarding the Jubilee and Sabbath Sabbath year and Moltmann s understanding of this subject reveals the meaning and significance of the topic how it is recognized as well as its implications in today s world This synthesis reveals a new vision and starting point for socio economic and moral spiritual reform in our time The biblical Sabbat Jubilee traditions are much richer than we thought This book shows it Theologically often neglected they are a source of new ideas to solve problems of human community and the ecology of the earth That my theological works can be used to apply them today is a surprise to me a happy surprise J rgen Moltmann

Divorce and Remarriage H. Wayne House, 1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards
