Mufwene, John R. Rickford, Guy Bailey, John Baugh, 2021-10-04 This book was the first to provide a comprehensive survey of linguistic research into African American English and is widely recognised as a classic in the field It covers both the main linguistic features in particular the grammar phonology and lexicon as well as the sociological political and educational issues connected with African American English The editors have played key roles in the development of African American English and Black Linguistics as overlapping academic fields of study Along with other leading figures notably Geneva Smitherman William Labov and Walt Wolfram they provide an authoritative diverse guide to these vitally important subject areas Drawing on key moments of cultural significance from the Ebonics controversy to the rap of Ice T the contributors cover the state of the art in scholarship on African American English and actively dispel misconceptions address new questions and explore new approaches This classic edition has a new foreword by Sonja Lanehart setting the book in context and celebrating its influence This is an essential text for courses on African American English key reading for Varieties of English and World Englishes modules and an important reference for students of linguistics black studies and anthropology at both undergraduate and postgraduate level

*Ribbin', Jivin', and Playin' the Dozens* Herbert L. Foster, 1990 Every six months or so a study reports about our inability to educate black males Yet after reading *Ribbin Jivin and Playin the Dozens The Persistent Dilemma in Our Schools* teachers learned how to teach black males Through 99 Realities and other examples Ribbin describes discusses and explains black

male street corner language and behavior and how it is played out in the classroom Too often teachers misunderstand and misinterpret their black male student s language and behavior resulting in their black male students being referred to special education or considered a discipline problem disproportionate to their numbers in the school Ribbin will provide you with the educational insight to successfully educate black males the information woefully lacking in contemporary education courses Authentic examples are provided that demonstrates how some teachers handled challenging situations with their black male students to help you develop your own teaching style relative to your persona and student population When you open Ribbin Reality 1 is a must read it recounts my first day of substitute teaching in the N Y C Public Schools and what happened to me that Friday morning I was so discouraged I considered suicide that weekend because I always wanted to be a teacher and after one day I was a failure However read how I rebounded on Monday and turned things around To enhance your ability to teach black males Chapter 8 about dress and grooming for teachers is a must In brief respect and feelings about yourself and your students is demonstrated by dressing professionally at minimum neat and clean Your students expect you to dress well Your students will keep a record of what you wear on what day and whether that stain has been cleaned away Indeed your students will compare notes on what car you drive the watch you wear and your dress style Chapter 5 Jive Lexicon and Verbal Communication is about words students may use to dupe or test you Students must learn Standard English the sine qua non to for economic success Your students need a Standard English teaching model to emulate However teachers should learn the language their students use It is viewed as barrier busting when students observe you trying to be hip and use their language of course this means acceptable vocabulary Moreover it may be appropriate for your students to use the vernacular depending upon the subject you teach Chapter 6 about classroom contests provides information about the games some students use to con provoke or test your street knowledge Playing the Dozens from an historical perspective to how it plays out negatively in classrooms is described and explained If you are unfamiliar with Playing the Dozens also known by other names best you learn Hence examples of teachers positively handling the dozens are presented Reading Chapter 7 will help you through my Four Step Plan for Classroom Management and School Discipline You need to get order for you to teach successfully Your primary responsibility as a teacher is to figure out how to achieve an orderly and safe classroom so that your students can relax and allow you to teach them If you wish to become a successful teacher buy Ribbin If you want to be told how to become a teacher do not buy Ribbin If you see yourself as a professional teacher and willing to change your teaching behavior first in order to get your students to change their behavior purchase Ribbin In sum a well designed lesson plan will not ensure classroom success Teachers must make educational and behavioral demands on students black males in particular Ribbin demystifies this persistent dilemma Without a question black males can and must be taught Standard English mathematics and the so called middle class skills needed to make it economically in the U S *African American Slang* Maciej Widawski, 2015-03-05 In this pioneering exploration of African American slang a highly informal vocabulary and

a significant aspect of African American English Maciej Widański explores patterns of form meaning theme and function showing it to be a rule governed innovative and culturally revealing vernacular Widański's comprehensive description is based on a large database of contextual citations from thousands of contemporary sources including literature and the press music film and television It also includes an alphabetical glossary of 1 500 representative slang expressions defined and illustrated by 4 500 usage examples Due to its vast size the glossary can stand alone as a dictionary providing readers with a reliable reference of terms Combining scholarship with user friendliness this book is an insightful and practical resource for students and researchers in linguistics as well as general readers interested in exploring lexical variation in contemporary English

Black English Joey Lee Dillard, 1972 This book attempts to investigate the important and interesting ways in which Black English the language of about eighty percent of Americans of African Ancestry differs from other varieties of American English According to my thesis differences from other English dialects are traceable to normal historical factors specifically to language contact phenomena associated with the West African slave trade and with European maritime expansion in general and to survivals from West African languages From foreword

**Ebonics** J. David Ramirez, 2005-01-01 This collection of papers comments and documents traces the distant and recent history of the Ebonics debate in the USA The book examines how despite increasing access to public education over the past century schools continue to impose language standards and expectations on children that methodically privileges some while disadvantaging others

Lorenzo Dow Turner Margaret Wade-Lewis, 2022-05-11 The first biography of the acclaimed African American linguist and author of *Africanisms in the Gullah Dialect* In this first book length biography of the pioneering African American linguist and celebrated father of Gullah studies Margaret Wade Lewis examines the life of Lorenzo Dow Turner A scholar whose work dramatically influenced the world of academia but whose personal story until now has remained an enigma

Turner 1890 1972 emerges from behind the shadow of his germinal 1949 study *Africanisms in the Gullah Dialect* as a man devoted to family social responsibility and intellectual contribution Beginning with Turner s upbringing in North Carolina and Washington D C Wade Lewis describes the high expectations set by his family and his distinguished career as a professor of English linguistics and African studies The story of Turner s studies in the Gullah islands his research in Brazil his fieldwork in Nigeria and his teaching and research on Sierra Leone Krio for the Peace Corps add to his stature as a cultural pioneer and icon Drawing on Turner s archived private and published papers and on extensive interviews with his widow and others Wade Lewis examines the scholar s struggle to secure funding for his research his relations with Hans Kurath and the Linguistic Atlas Project his capacity for establishing relationships with Gullah speakers and his success in making Sea Island Creole a legitimate province of analysis Here Wade Lewis answers the question of how a soft spoken professor could so profoundly influence the development of linguistics in the United States and the work of scholars especially in Gullah and creole studies who would follow him Turner s widow Lois Turner Williams provides an introductory note and linguist Irma Aloyce Cunningham provides the foreword

**The Oxford Handbook of African American Language** Sonja Lanehart, 2015-05-04 The goal of *The Oxford Handbook of African American Language* is to provide readers with a wide range of analyses of both traditional and contemporary work on language use in African American communities in a broad collective The Handbook offers a survey of language and its uses in African American communities from a wide range of contexts organized into seven sections Origins and Historical Perspectives Lects and Variation Structure and Description Child Language Acquisition and Development Education Language in Society and Language and Identity It is a handbook of research on African American Language AAL and as such provides a variety of scholarly perspectives that may not align with each other as is indicative of most scholarly research The chapters in this book interact with one another as contributors frequently refer the reader to further elaboration on and references to related issues and connect their own research to related topics in other chapters within their own sections and the handbook more generally to create dialogue about AAL thus affirming the need for collaborative thinking about the issues in AAL research Though the Handbook does not and cannot include every area of research it is meant to provide suggestions for future work on lesser studied areas e g variation heterogeneity in regional social and ethnic communities by highlighting a need for collaborative perspectives and innovative thinking while reasserting the need for better research and communication in areas thought to be resolved

**Dictionary of Slang** Jonathon Green, 2005. With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. Brilliant said Mark Lawson on BBC2's The Late Review. This is a terrific piece of work learned entertaining funny stimulating said Jonathan Meades in The Evening Standard. But now the world's best single volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material. The research has thrown up some fascinating results. Catalogue of the
