Field & Stream , *The Liar's Dictionary* Eley Williams, 2021-01-05 NATIONAL BESTSELLER You wouldn't expect a comic novel about a dictionary to be a thriller too but this one is. In fact it is also a mystery love story two of them and cliffhanging melodrama. The New York Times Book Review: An award winning novel that chronicles the charming misadventures of a lovelorn Victorian lexicographer and the young woman put on his trail a century later to root out his misdeeds while confronting questions of her own sexuality and place in the world. Mountweazel: the phenomenon of false entries within dictionaries and works of reference. Often used as a safeguard against copyright infringement. In the final year of the nineteenth century Peter Winceworth is toiling away at the letter S for Swansby's multivolume Encyclopaedic Dictionary. But his disaffection with his colleagues compels him to assert some individual purpose and artistic freedom and he begins inserting unauthorized fictitious entries. In the present day Mallory the publisher's young intern starts to uncover these mountweazels in the process of digitization and through them senses their creator's motivations, hopes and desires. More pressingly she's also been contending with a threatening anonymous caller who wants Swansby's staff to burn in hell. As these two narratives coalesce Winceworth and Mallory separated by one hundred years must discover how to negotiate the complexities of life's often untrustworthy, hoax strewn and undefinable path. An exhilarating laugh out loud debut. *The Liar's Dictionary* celebrates the rigidity, fragility, absurdity and joy of language while peering into questions of identity and finding one's place in the world. Bird-lore , 1911 Liar's Winter Cindy K. Sproles, 2017-08-29 Lochiel Ogle was born with a red wine birthmark and it put her life in jeopardy from the moment she entered the world. Mountain folks called it the mark of the devil and for all the evil that has plagued her nineteen year existence Lochiel is ready to believe that is true. And the evil surely took control of the mind of the boy who stole her as an infant bringing her home for his mother to raise. Abused and abandoned by the only people she knows as family Lochiel is rescued by a peddler and given the first glimpse of love she has ever known. The truth of her past is gradually revealed as is the fact that she is still hunted by a brother driven to see her dead. Unsure if there's anyone she can truly trust Lochiel is faced with a series of choices. Will she continue to run for escape or will she face her past and accept the heartbreaking secrets it reveals. Which will truly free her. Set in the wild and beautiful Appalachian Mountains of nineteenth century East Tennessee *Liar's Winter* is an unflinching yet inspirational exploration of prejudice and choice. **Mammals; Birds** Richard Lydekker, 1901 The Oölogist , 1891 **The Encyclopaedia Britannica** , 1894 *Birds and Nature* , 1901 **Stealing Benefacio's Roses** Martín Prechtel, 2013-09-24 Following the acclaimed *Secrets of The Talking Jaguar* and *Long Life Honey in the Heart* this is an expansive lyrical novel in the tradition of indigenous oral storytelling. Based on the author's many years of living in a Guatemalan village *Stealing Benefacio's Roses* interweaves dramatic recountings of village life and the political horrors of civil war with lyric retellings of sacred Mayan myths. The story shifts expertly from timeless with archetypal characters like Raggedy Boy and the goddess known as the

Water Skirted Beauty to timely in the book's striking first person narrative set in the 1980s Prechtel shows how ancient myths can become a part of life for everyone and help nurture spiritual survival in the modern world Though it comes third in sequence with the author's other two books Stealing Beneficio's Roses also stands on its own as a classic work of spiritual seeking and adventure *Audubon*, 1911 **Liar's Test** Ambelin Kwaymullina, 2025-05-13 A gripping YA fantasy with a deadly contest to win a crown a fierce heroine determined to right the wrongs done to her people and a smoldering love story that could change everything Now in paperback I didn't want to rule the Risen Wreak a little havoc upon them though That was something else entirely Bell Silverleaf is a liar It's how she's survived It's how all Treesingers have survived after they were invaded by the Risen and their gods But now thanks to some political maneuvering Bell is in the Queen's Test She's one of seven girls competing in deadly challenges to determine who rules for the next twenty five years If Bell wins she'll use the power to help her people and get her revenge on the Risen But Bell doesn't know how much she's been lied to She's part of a conspiracy stretching back generations and she's facing much bigger dangers than the Queen's Test She's up against the gods themselves Getting hold of that crown might just be the least of her problems Aboriginal writer Ambelin Kwaymullina has created a fast paced twisty narrative and an unforgettable heroine inspired by the strength and power of Aboriginal women *Birds and All Nature in Natural Colors* Charles C. bays the fragmentation of large tracts of land and general public neglect Most importantly it is threatened by our denial that the coast faces major threats and that its long term health provides significant economic benefits To save coastal resources a successful plan needs to address the realities of our current world The challenge is to sustain an economy that creates optimism and entrepreneurship while considering finite natural resources In other words a successful plan to save the Texas coast needs to be about making money Whether visiting with farmers and ranchers or oil and chemical producers Blackburn recognizes that when talking about the natural environment in monetary terms people listen Many of the services we get from the coast are beginning to be studied for their dollar values a trend that might offer Texas farms and ranches the potential for cash flow which may in turn alter conservation practices throughout Texas and the United States Money alone cannot be the only motivation for caring about the Texas coast though Blackburn encourages Texans to get to know this landscape better Beautifully illustrated and accessibly written A Texan Plan for the Texas Coast weaves together a challenging but promising plan to protect the coast through economic motivation thoughtful litigation informed appreciation and simple affection for the beauty and life found on the Texas coast *This Bird* Astred Hicks,Holly Parsons,2025-08
