LIBERALISM, JUSTICE, AND MARKETS

A CRITIQUE OF LIBERAL EQUALITY

Colin M. Macleod

Liberalism Justice And Markets A Critique Of Liberal Equality

Gerald Allan Cohen

Liberalism Justice And Markets A Critique Of Liberal Equality:

Liberalism, Justice, and Markets Colin M. Macleod, 1998 *Liberalism, Justice, and Markets* Colin M. Macleod, Colin Murray Macleod, 1998 This important new study presents a systematic and definitive critique of Ronald Dworkin's highly influential theory of liberal equality Focusing on the connection Dworkin attempts to establish between economic markets and liberal egalitarian political morality the study examines his contention that markets have an indispensable role to play in the articulation of liberal ideals of distributive justice individual liberty and state neutrality Subjecting the central tenets of this theory to sustained critical analysis the author argues that Dworkin's attempt to establish deep affinities between the market and equality is unsuccessful and his proposed solutions to some central controversies in political theory are seriously flawed This powerful examination of the work of America's leading public philosopher reveals some timely lessons about the hazards and limitations of the market as a device for the articulation and realization of egalitarian justice **Liberalism, Justice, and Markets** Colin M. Macleod, 1998-07-02 This important new study presents a systematic and definitive critique of Ronald Dworkin's highly influential theory of liberal equality Focusing on the connection Dworkin attempts to establish between economic markets and liberal egalitarian political morality the study examines his contention that markets have an indispensable role to play in the articulation of liberal ideals of distributive justice individual liberty and state neutrality Subjecting the central tenets of this theory to sustained critical analysis the author argues that Dworkin's attempt to establish deep affinities between the market and equality is unsuccessful and his proposed solutions to some central controversies in political theory are seriously flawed This powerful examination of the work of America's leading public philosopher reveals some timely lessons about the hazards and limitations of the market as a device for the articulation and realization of egalitarian justice Liberalism, Justice, and Markets Colin M. Macleod, 1998 *Dworkin and His Critics* Justine Burley, 2008-04-15 Dworkin and His Critics provides an in depth analytical discussion of Ronald Dworkin's ethical legal and political philosophical writings and it includes substantial replies from Dworkin himself Includes substantial replies by Ronald Dworkin a comprehensive bibliography of his work and suggestions for further reading Contributors include Richard Arneson G A Cohen Frances Kamm Will Kymlicka Philippe van Parijs Eric Rakowski Joseph Raz and Jeremy Waldron Makes an important contribution to many on going debates over abortion euthanasia the rule of law distributive justice group rights political obligation and genetics **The Legacy of Ronald Dworkin** Wilfrid J. Waluchow, Stefan Sciaraffa, 2016 This book comprises sixteen papers selected from the 2014 McMaster University Philosophy of Law Conference lawconf mcmaster ca on the legacy of Ronald Dworkin lawconf mcmaster ca These pieces touch upon many aspects of Ronald Dworkin's wide ranging contributions to philosophy and jurisprudence including his theory of value political philosophy moral philosophy philosophy of international law and legal philosophy The book's organizing principle and theme reflects Dworkin's self conception as a builder of a unified theory of value Part I addresses the most abstract and general aspect of

Dworkin's work the unity of value thesis Part II comprises works that address themes from Dworkin's political philosophy including his discussions of authority civil disobedience the legitimacy of states and the international legal system distributive justice collective responsibility and Dworkin's master value of dignity and the associated values of equality and respect Part III addresses various aspects of Dworkin's general theory of law Part IV comprises pieces that offer accounts of the structure and defining values of discrete areas of law including constitutional law the law of contract and procedural law

G. A. Cohen Christine Sypnowich, 2024-07-09 G A Cohen was one of the towering political philosophers of the late twentieth and early twenty first centuries His intellectual career was unusually wide ranging and he was celebrated internationally not only for his penetrating ideas about liberty justice and equality but for his method a highly original and influential combination of analytical philosophy and Marxism Christine Sypnowich guides readers through the rich body of Cohen's work By identifying five paradoxes in his thought she explores the origins of his interest in analytical philosophy his engagement with the ideas of right wing libertarianism his critique of John Rawls's work his late career turn to conservatism and the tension between his preoccupation with individual responsibility and the idea of a socialist ethos Sypnowich acknowledges the strengths of Cohen's positions as well as their tensions and flaws and presents him as a thinker of startling insight This compelling introduction is a go to resource for students and scholars of modern political philosophy

Moral Animals Catherine Wilson, 2004 Yet many though not all moral claims are susceptible of confirmation to the extent that they command the agreement of well informed inquirers With this foundation in place Wilson turns to a defence of egalitarianism intended to address the objection that the importance of our nonmoral projects our natural acquisitiveness and partiality and our meritocratic commitments render social equality a mere abstract ideal Employing the basic notion of a symmetrical division of the co operative surplus she argues that social justice with respect to global disparities in well being and in the condition of women relative to men depends on the relinquishment of natural and acquired advantage that is central to the concept of morality **BOOK JACKET**

The Egalitarian Conscience Gerald Allan Cohen, 2006-04-06 The Egalitarian Conscience pays tribute to the highly influential work of Professor G A Cohen Professor Cohen is a philosopher of international stature and tremendous achievement who has been vital to the flourishing of egalitarian political philosophy He has a significant body of work spanning issues of Marxism and distributive justice consistently characterized by original ideas and ingenious arguments The high standard of rigour he sets for progressive thinkers particularly himself has been a source of inspiration for colleagues and students alike The volume honours Professor Cohen with first rate essays on a number of significant and fascinating topics reflecting the wide ranging themes of Professor Cohen's work but united in their concern for questions of social justice pluralism equality and moral duty The contributors are scholars of international stature Joshua Cohen Jon Elster Susan Hurley Will Kymlicka Derek Parfit John Roemer T M Scanlon Samuel Scheffler Hillel Steiner and Jeremy Waldron There is an afterword by G A Cohen **Oxford Studies in Political Philosophy Volume 4** David

Sobel, Peter Vallentyne, Steven Wall, 2018-01-12 This is the fourth volume of Oxford Studies in Political Philosophy Since its revival in the 1970s political philosophy has been a vibrant field in philosophy one that intersects with jurisprudence normative economics political theory in political science departments and just war theory OSPP aims to publish some of the best contemporary work in political philosophy and these closely related subfields This volume features eight papers that address a range of central topics and represent cutting edge work in the field The three parts of the volume explore legitimacy egalitarianism and liberty and coercion

The Cambridge History of Twentieth-Century Political Thought

Terence Ball, Richard Bellamy, 2003-08-14 Table of contents Distributive Justice Michael Allingham, 2014-03-05 This book presents a critical appraisal of the main theories of distributive justice It develops the view that all such theories or at least all liberal theories may be seen as expressions of laissez faire with compensations for factors that they consider to be morally arbitrary More precisely these theories are interpreted as specifying that the outcome of individuals acting independently without the intervention of any central authority is just provided that those who fare ill for reasons that the theories deem to be arbitrary for example because they have fewer talents than others receive compensation from those who fare well The principal theories discussed are Rawls's justice as fairness Dworkin's equality of resources what may loosely be called Steiner Vallentyne common ownership theories and Nozick's entitlements theory The book considers the extent if any to which the theories examined can accommodate both liberty and equality It concludes that if any such accommodation is possible it will be found in common ownership theories

Responsibility and Distributive Justice

Carl Knight, Zofia Stemplowska, 2011-03-03 This volume presents new essays investigating a difficult theoretical and practical problem how do we find a place for individual responsibility in a theory of distributive justice Does what we choose affect what we deserve Would making justice sensitive to responsibility give people what they deserve Would it advance or hinder equality

The Routledge Handbook of the Philosophy of Childhood and Children Anca Gheaus, Gideon Calder, Jurgen De Wispelaere, 2018-07-20 Childhood looms large in our understanding of human life as a phase through which all adults have passed Childhood is foundational to the development of selfhood the formation of interests values and skills and to the lifespan as a whole Understanding what it is like to be a child and what differences childhood makes are thus essential for any broader understanding of the human condition The Routledge Handbook of the Philosophy of Childhood and Children is an outstanding reference source for the key topics problems and debates in this crucial and exciting field and is the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five parts Being a child Childhood and moral status Parents and children Children in society Children and the state Questions covered include What is a child Is childhood a uniquely valuable state and if so why Can we generalize about the goods of childhood What rights do children have and are they different from adults rights What if anything gives people a right to parent What role if any ought biology to play in determining who has the right to parent a particular child What kind of rights

can parents legitimately exercise over their children What roles do relationships with siblings and friends play in the shaping of childhoods How should we think about sexuality and disability in childhood and about racialised children How should society manage the education of children How are children's lives affected by being taken into social care The Routledge Handbook of the Philosophy of Childhood and Children is essential reading for students and researchers in philosophy of childhood political philosophy and ethics as well as those in related disciplines such as education psychology sociology social policy law social work youth work neuroscience and anthropology

Free Market Fairness John Tomasi, 2013-05-05 A provocative new vision of free market capitalism that achieves liberal ends by libertarian means Can libertarians care about social justice In *Free Market Fairness* John Tomasi argues that they can and should Drawing simultaneously on moral insights from defenders of economic liberty such as F A Hayek and advocates of social justice such as John Rawls Tomasi presents a new theory of liberal justice This theory free market fairness is committed to both limited government and the material betterment of the poor Unlike traditional libertarians Tomasi argues that property rights are best defended not in terms of self ownership or economic efficiency but as requirements of democratic legitimacy At the same time he encourages egalitarians concerned about social justice to listen more sympathetically to the claims ordinary citizens make about the importance of private economic liberty in their daily lives In place of the familiar social democratic interpretations of social justice Tomasi offers a market democratic conception of social justice free market fairness Tomasi argues that free market fairness with its twin commitment to economic liberty and a fair distribution of goods and opportunities is a morally superior account of liberal justice Free market fairness is also a distinctively American ideal It extends the notion prominent in America's founding period that protection of property and promotion of real opportunity are indivisible goals Indeed according to Tomasi free market fairness is social justice American style Provocative and vigorously argued *Free Market Fairness* offers a bold new way of thinking about politics economics and justice one that will challenge readers on both the left and right

Contemporary Political Philosophy Will Kymlicka, 2002 This new edition of Will Kymlicka's best selling critical introduction to contemporary political theory has been fully revised to include many of the most significant developments in Anglo American political philosophy in the last 11 years particularly the new debates over issues of democratic citizenship and cultural pluralism The book now includes two new chapters on citizenship theory and multiculturalism in addition to updated chapters on utilitarianism liberal egalitarianism libertarianism socialism communitarianism and feminism The many thinkers discussed include G A Cohen Ronald Dworkin William Galdston Carol Gilligan R M Hare Chandran Kukathas Catherine Mackinnon David Miller Philippe Van Parijs Susan Okin Robert Nozick John Rawls John Roemer Michael Sandel Charles Taylor Michael Walzer and Iris Young Extended guides to further reading have been added at the end of each chapter listing the most important books and articles on each school of thought as well as relevant journals and websites Covering some of the most advanced contemporary thinking Will Kymlicka writes in an

engaging accessible and non technical way to ensure the book is suitable for students approaching these difficult concepts for the first time This second edition promises to build on the original edition s success as a key text in the teaching of modern political theory Rethinking equality Chris Armstrong,2013-07-19 Although formally equal relations between citizens are actually characterised by many and varied forms of inequality Do contemporary theories of equality provide an adequate response to the inequalities that afflict contemporary societies And what is the connection between theories of equality and the contemporary politics of citizenship Accessible and comprehensive Rethinking equality provides a clear critical and very up to date account of the most important contemporary egalitarian theories Unusually it also relates these theories to contemporary political practice assessing them in relation to the impact of neoliberalism on contemporary welfare states and the shift from social to active forms of citizenship As well as representing a significant intervention within academic debates on equality and citizenship this book represents essential reading for students of contemporary political theory The Ontological Foundation of Ethics, Politics, and Law Francesco Belfiore,2013-03-25 The revised edition of The Ontological Foundation of Ethics Politics and Law adds new concepts and discusses the views of additional thinkers The author refers to his basic ontological conception of the human mind or spirit as an evolving conscious triadic entity composed of intellect sensitivity and power each exerting a bidirectional selfish and moral activity Through this approach the notions of good morality society and law are derived from the structure and functioning of the mind It follows that the solutions presented are the results of a discovery and not the consequence of a choice Otherwise stated ethics politics and law are given an ontological foundation For each topic considered Belfiore shows how his thought can reinterpret the views of other philosophers This new edition enriched in concepts and quotations appears as an innovative and highly stimulating contribution to the philosophical branches of ethics politics and law and will be of interest to both graduate students and philosophy scholars **Levelling the Playing Field** Andrew Mason,2006-10-05 Equality of opportunity for all is a fine piece of political rhetoric but the ideal that lies behind it is slippery to say the least Some see it as an alternative to a more robust form of egalitarianism whilst others think that when it is properly understood it provides us with a real radical vision of what it is to level the playing field This book combines a meritocratic conception of equality of opportunity that governs access to advantaged social positions withredistributive principles that seek to mitigate the effects of differences in people s circumstances Taken together these spell out what it is to level the playing field in the way that justice requires Oxford Political Theory presents the best new work in contemporary political theory It is intended to be broad in scope including original contributions to political philosophy and also work in applied political theory The series will contain works of outstanding quality with no restriction as to approach or subject matter Series Editors Will Kymlicka David Miller and Alan Ryan **Justice and Legitimacy in Upbringing** Matthew Clayton,2006-04-06 Issues concerning the upbringing of children are among the most contested in modern political debate How should childrearing rights and resources be

distributed between families To what extent are parents morally permitted to shape the beliefs and desires of their children At what age should children acquire adult rights such as the right to vote Justice and Legitimacy in Upbringing sets out a liberal conception of political morality that supports a set of answers to these questions which many liberals have been reluctant to accept The central argument is that the ideals of justice and individual autonomy place significant constraints on both governments and parents Clayton insists that while their interests should count directly in allocating childrearing rights parents should exercise their rights in accordance with these liberal ideals He argues that we owe our children a childhood that develops their sense of justice but in which further attempts to enrol them into particular religious practices for instance are illegitimate Justice and Legitimacy in Upbringing is a work of applied political philosophy that will be of interest to students of political theory the philosophy of education and social and public policy

Liberalism Justice And Markets A Critique Of Liberal Equality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Liberalism Justice And Markets A Critique Of Liberal Equality has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Liberalism Justice And Markets A Critique Of Liberal Equality has opened up a world of possibilities. Downloading Liberalism Justice And Markets A Critique Of Liberal Equality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Liberalism Justice And Markets A Critique Of Liberal Equality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Liberalism Justice And Markets A Critique Of Liberal Equality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Liberalism Justice And Markets A Critique Of Liberal Equality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Liberalism Justice And Markets A Critique Of Liberal Equality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Liberalism Justice And Markets A Critique Of Liberal Equality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Liberalism Justice And Markets A Critique Of Liberal Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Liberalism Justice And Markets A Critique Of Liberal Equality is one of the best book in our library for free trial. We provide copy of Liberalism Justice And Markets A Critique Of Liberal Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Liberalism Justice And Markets A Critique Of Liberal Equality. Where to download Liberalism Justice And Markets A Critique Of Liberal Equality online for free? Are you looking for Liberalism Justice And Markets A Critique Of Liberal Equality PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Liberalism Justice And Markets A Critique Of Liberal Equality. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Liberalism Justice And Markets A Critique Of Liberal Equality are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches

related with Liberalism Justice And Markets A Critique Of Liberal Equality. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Liberalism Justice And Markets A Critique Of Liberal Equality To get started finding Liberalism Justice And Markets A Critique Of Liberal Equality, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Liberalism Justice And Markets A Critique Of Liberal Equality So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Liberalism Justice And Markets A Critique Of Liberal Equality. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Liberalism Justice And Markets A Critique Of Liberal Equality, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Liberalism Justice And Markets A Critique Of Liberal Equality is available in our book collection an online access to it is set as public so you can download it instantly.
