From Religion To Christ:

The Christ Connection Roy Abraham Varghese, 2010-12 In *The Christ Connection* noted apologist Varghese There Is a God co written with atheist turned Christian philosopher Antony Flew offers a comprehensive and compelling formulation of the monumental discovery that Jesus of Nazareth is God and man Messiah and Savior The book explores The pre Christian religions from native peoples to Egyptians and ancient Judaism pointing the way to the Messiah to come Jesus as a phenomenon unique in human history The Christ connection as a rendezvous of the religions Fifteen grounds that lead us to affirm Jesus as God and man and Savior The foundations of the doctrine of the Trinity in human experience **Freeing God from Religion** Clifford Ratzlaff, 2012-07 If you tend to shake your head when you read religious literature please read this book I invite being disagreed with I welcome debate and do not object to being told I am wrong The question remains Who has the right religion Despite being an octogenarian when presumably all should be settled and nailed down I now challenge the theology I nodded to so vigorously in a previous time of my life What I once assumed as truth is now open to the kind of tough scrutiny I had never dared engage in My theological life scripts were deeply rooted and beyond challenge Born and raised in a fundamentalist Mennonite conservative evangelical community doubting and questioning were considered acts of sin Even though we were good ethical people we were repaganized every year by visiting English speaking evangelists and getting saved was an annual event I know I did it three times before I was fifteen I include a simple caveat Once you start critiquing and investigating your beliefs even the most cherished you will find that you cannot go back The very act of questioning intensifies the importance of the question Millions of books exist about God every book written by a human being mostly men Over twenty five miles of shelves with books about God are in the archives under the Vatican I had fifteen shelves with many books that talk about God **Discourses and Sayings of Our Lord Jesus Christ** John Brown, 1858 *Free J.* Kevin Butcher, 2021-04 Our walk with Jesus is often full of duty fear and shame This book teaches how to discover freedom that Jesus offers **Christ's Wisdom and the Unholy Prophets** William Moreira, 2002-08-07 Happiness and contentment have been very difficult if not impossible for people to find throughout human history People have turned to religion for the answers to their deepest questions but have often found the answers to be lacking William Moreira a lifelong student of religions tells you what he has learned from his life and his own personal tragedies He has now found happiness and contentment and explains how you can find it too This book explains Why Christ's real message to mankind has been ignored Why religious leaders don't want you to know the truth behind the Bible Why death does not separate us from our loved ones How we can understand the real reasons for our suffering What to do when your life is not working *Christ Actually* James Carroll, 2015-10-06 What can we believe about and how can we believe in Jesus Christ in light of the atrocities of the twentieth century and the drift from religion that followed Here James Carroll traces centuries of religious history and theology to face this core challenge to modern faith Carroll's search is a highly personal one beginning with a crucial

received memory of Jesus that separates him from his essential identity as a Jew and therefore as a human The divinity of Jesus trumped his humanity including his Jewishness Yet if Jesus was not taken as divine he would be of no interest to believers Thus Carroll takes the God man question head on restoring its perennial answer but in a new way Drawing on a wide range of scholarship as well as his own acute searching Carroll shows how faith in Jesus evolved in the first place His fresh reading of the Gospels reinstates the context of the Romans effectively genocidal war against the Jews a first Holocaust that profoundly distorted the Christian memory of Jesus In this retrieval the great characters in Jesus story from John the Baptist and Peter to Paul and the various Marys come to life in a new context Far from another book about the historical Jesus Christ Actually takes the challenges of secularism seriously The new fact of the human condition that we are capable now of bringing about the extinction of our species must change the meaning of faith Humans of all stripes continue to long for the transcendent and it is as a figure of transcendence that Jesus Christ most compellingly stands Finally Carroll retrieves the power of Jesus profound ordinariness his simple life and his call to imitate him all suggesting an answer to Carroll s own last question what is the future of Jesus Christ This book points the way From publisher description How Jesus Became Christian Barrie A. Wilson,2008 Examines the rivalry between two points of view one informed by the teachings of Matthew the other by the vision of Paul and its relation to differences between Christianity and Judaism the origins of Christianity and the transformation of a rabbi into the Christian god How to Become Like Christ Marcus Dods,2009-05-01 In this though provoking volume Scottish theologian Marcus Dods addresses the question What would Jesus do at great length and provides readers with advice and instructions to help them model their lives actions and choices after those that Jesus himself undertook A refreshing read for any believer seeking a source of spiritual guidance and inspiration Dehua ciqu zhanlan ,1975 The Color of Success Willie Griffin,2011-08-09 The Color of Success Through the Gospel of Jesus Christ Experiencing the Fullness of the God Head Witness the love and powerful resurrection through the fullness of the God head Experience God s wondrous desire to reunite a spiritual dead race that had fallen from the way of his righteousness Come to know the chosen one of God that by his grace he had done the phenomenal and unpredictable selfless act to redeem this undeserving race back unto his glory See for yourself and witness the deep complexity of the God Head and how God expresses his love for his free will creation Some had deserted him by harboring the seed of death through bad influences of prince of principalities in high places Experience how the sinners are liberated in God s holy plan and became the elect to rise up and strengthen in faith in order to combat sin to its core Matthew 22 14 says For many are called but few are chosen This is the Color of Success through the Gospel of Jesus Christ You will witness and experience the fullness of the God Head like never before **The Second Coming of Jesus** George Floyd Taylor,1916 **The Place of Christ in Modern Theology** Andrew Martin Fairbairn,1897 Christ's Famous Titles ... Inserra,2021-05-04 Is trying to be the best you actually ruining you From living your best life to self actualizing finding your destiny and waiting on the best to come the contemporary messages of the world exhort us to believe that we are promised and entitled the biggest and best life can possibly offer But is that actually what Jesus promises Is that even close to the message of the gospel Getting Over Yourself is a call for Christians to reject these hollow messages of personal prosperity and to return to the humble truths of the gospel You ll learn how to identify this insidious popular theology in culture and churches and examine its devastating effects And perhaps most importantly you ll learn how to combat it with gospel truth that leads to the abundant life Jesus actually desires for His people Discover the beauty in losing yourself and ultimately in gaining Him

Religious Pamphlets ,1914 Answers for the Honest Skeptic Ted Even,2022-10-03 It is true that mankind itself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our

discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serves to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing *Seventeen Discourses on Several Texts of Scripture* Robert Robinson, 1824
