From Suckermother To Smart Mom:

From Suckermother to Smart Mom Maxine Schnall, Leslie Levin, 2005-09 I m too stressed out and tired even to have sex with my husband any more That s the universal complaint of mothers with young children today And no matter how much these mothers schlep their kids from one activity to another and shell out big bucks for extravagant birthday parties and every educational toy they feel they are not doing enough Maxine Schnall executive director of Wives Self Help Foundation Inc and Leslie Levin who between them have five kids four step children and seven grand children are here to say that there s an easier less costly way to raise your children than the current extreme parenting craze a smart mom way that will turn out happier even more successful kids Not only will you be calmer sexier and able to enjoy life more fully when you stop overscheduling your kids and micromanaging their lives but your children will feel less anxious be more creative and have healthy values and a zest for life Hip funny and loaded with eye popping well researched information From Suckermother to Smart Mom gives you down and dirty strategies you won t find in any other parenting book of everyday language You ll learn the truth about breast feeding versus what the lactation Nazis say how to resist being intimidated by momsters self appointed paragons of motherhood how to use the Husband Handoff Maneuver and bedtime brownie points to get your husband to do more with the kids how to develop the mommy mojo to deal with difficult children how not to let the family income go down the Money Drain and much much more From Suckermother to Smart Mom is a terrifically liberating book no mother of young children should be without It will deliver you from the suckermotherhood imposed by outside influences and restore balance in your life as a devoted mom and a fun loving sensual woman Tikkun ,1995 **Sucker Moms** Greer McVay, 2015-02-27 Sucker Moms is a light hearted look at the challenges of raising children in a market driven world By being a sucker for Madison Avenue marketing campaigns and purchasing every product designed to give our children a competitive advantage we may be causing more harm than good The toys tools and technology that worked for us as children can still work the me generation Greer McVay reflects on her journey from Sucker Mom to being a mother who recognizes her son s strengths and weaknesses and nurtured him appropriately on a realistic single mom s budget **Smart Mom, Rich Mom** Kimberly Palmer, 2016-06-09 Ladies this collection of stories from moms who have successfully worked full time freelance self employed and in other ways while also raising amazing children and providing financial freedom for their families has room to add more your story Start it today Of all life s financial shocks few compare to the 250 000 price tag not including college of raising a child How will you pay for it Many mothers have agonized over that question letting it fuel their decisions concerning careers budgets and families The only thing they can all agree on is there are no easy answers However there are plenty of rewarding possibilities Mining successful moms experiences to uncover both career advice and strategies for spending and saving anyone can use Smart Mom Rich Mom includes stories checklists action steps planning tools and more to help other moms learn how to Prepare financially for parenthood as well as adding to your litter Balance thrift with

generating income and investing wisely Find flexibility at work while safeguarding your earning potential Save for both college and retirement Plan for unexpected events Smart Mom Rich Mom explores how women today are navigating the financially challenging career parenting years This invaluable resource for moms everywhere chronicles women who have stayed in the game as both moms and businesswomen full time freelance self employed and more and emerged more prosperous and empowered than before having children

Smart Mom's Guide to Staying Home Christine Walker, 2004

In 2002 Wendy Chamberlin resigned her post as U S ambassador to Pakistan stating that There are many people who can be an ambassador but nobody else can be my daughters mother Do you share Chamberlin s parenting philosophy Are you among the 87% of women with a child or children under the age of 12 working outside the home who would really rather spend more time at home than away from it Perhaps you want a greater sense of balance between your home and work lives but don t know where to start And of course there s the sticky issue of money can your family thrive without your income The Smart Mom s Guide to Staying Home addresses in detail one of the most common fears that often prevents parents from shifting their full time focus from the office to home how not to sacrifice your standard of living when going from two incomes to one Based on the philosophy that deprivation never worked for anyone you will learn how your family can enjoy many of the riches they currently do and still prosper without missing a beat With real world every day approaches to spending decisions The Smart Mom s Guide to Staying Home provides 65 easy and simple ways to keep more of your family s money and make the money you have go further From grocery shopping and eating out to fashion and feedback The Smart Mom s Guide to Staying Home is a terrific resource for planning and achieving financial harmony greater life balance and personal fulfillment Christine Walker spent over a decade working in politics and business to business sales before making the jump to stay at home mom Having made this challenging transition herself she was inspired to help other parents who wanted to spend more time with their children Christine lives in suburban Chicago with her husband and three young children still amazed that she was able to find time to write this book

Happy. Healthy. Rich. The Smart Mom's Guide to Living Your Best Life. Nicole Dake, 2021-11-24

Happiness is more than the absence of pain Don t spend your life running away from things spend it running toward something instead You only have one life to live Living your best life happens when you set goals in an intentional way When you are a happier mom you will have happier kids too

Eventually, you will no question discover a further experience and attainment by spending more cash. still when? accomplish you believe that you require to acquire those all needs in the manner of having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more regarding the globe, experience, some places, as soon as history, amusement, and a lot more?
