From Torah To Apocalypse An Introduction To The Bible:

From Torah to Apocalypse Francis I. Fesperman, 1983 **Transformative Readings of Sacred Scriptures** Simone Sinn, Dina El Omari, Anne Hege Grung, 2018-01-01

The interpretation of sacred scriptures engenders vivid debates in religious communities both at the scholarly and grass roots levels. Issues of debate are the hermeneutical assumptions, the methods of interpretation and the constructive and harmful implications of certain readings. For Christian and Muslim communities, themes related to God's grace, violence, gender relations and ecology are topical. As scholars from different contexts and faith backgrounds together interpret sacred texts, they gain fresh insights into their meaning and their transformative dynamics. Essays by authors with expertise in scriptural interpretation, religious studies, pastoral care, philosophical theology, gender studies and pedagogy explore Christian and Muslim perspectives on scriptural interpretation and discuss how to understand how God communicates with the world today. *Heilige Schriften heute verstehen Christen und Muslime im Dialog. Die Interpretation heiliger Schriften I: 1. lebhafteste Debatten innerhalb der Religionsgemeinschaften aus sowohl unter Gelehrten wie an der Basis diskutiert werden die hermeneutischen Grundannahmen, die Methoden der Interpretation und die konstruktiven und destruktiven Wirkungen bestimmter Lesarten. Für Christen und Muslime sind Themen wie Gottes Gnade, Gewalt, Geschlechterverhältnisse und Ökologie aktuell geworden. Indem die Gelehrten aus verschiedenen Kontexten und mit unterschiedlicher Religionszugehörigkeit gemeinsam die Interpretation heiliger Texte diskutieren, gewinnen sie neue Einsichten in ihre Bedeutung und ihre transformative Dynamik. Die Autorinnen und Autoren mit ihrem jeweiligen Fachwissen in Exegese, Religionswissenschaft, Seelsorge, philosophischer Theologie, Gender Studies und Pädagogik erforschen christliche und muslimische Perspektiven auf Schriftinterpretation und erläutern, wie Gottes Kommunikation mit der Welt heute verstanden werden kann.*

The Oxford Handbook of Apocalyptic Literature John Joseph Collins, 2014

Apocalypticism arose in ancient Judaism in the last centuries BCE and played a crucial role in the rise of Christianity. It is not only of historical interest; there has been a growing awareness, especially since the 2001 terrorist attacks on the United States, of the prevalence of apocalyptic beliefs in the contemporary world. To understand these beliefs, it is necessary to appreciate their complex roots in the ancient world and the multifaceted character of the phenomenon of apocalypticism. The Oxford Handbook of Apocalyptic Literature is a thematic and phenomenological exploration of apocalypticism in the Judaic and Christian traditions. Most of the volume is devoted to the apocalyptic literature of antiquity. Essays explore the relationship between apocalypticism and prophecy, wisdom and mysticism; the social function of apocalypticism and its role as resistance literature; apocalyptic rhetoric from both historical and postmodern perspectives; and apocalyptic theology focusing on phenomena of determinism and dualism and exploring apocalyptic theology's role in ancient Judaism, early Christianity and Gnosticism. The final chapters of the volume are devoted to the appropriation of apocalypticism in the modern world, reviewing the role of apocalypticism in contemporary Judaism and Christianity and more broadly in popular culture.

addressing the increasingly studied relation between apocalypticism and violence and discussing the relationship between apocalypticism and trauma which speaks to the underlying causes of the popularity of apocalyptic beliefs This volume will further the understanding of a vital religious phenomenon too often dismissed as alien and irrational by secular western society The New Interpreter's Bible: Introduction to apocalyptic literature, Daniel, Additions to Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephania, Haggai, Zecharia, Malachi, 1996 *Recording for the Blind & Dyslexic, ... Catalog of Books*, 1996 **Priesthood and Temple in John's Apocalypse** Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality *Whitaker's Books in Print*, 1998 *Biblical Figures Outside the Bible* Michael E. Stone, Theodore A. Bergren, 2002-11-01 1999 Biblical Archaeology Society Publication Award for the category Best Book Relating to the Old Testament Explores the evolution of the biographical traditions of some fifteen biblical figures *The Origins of the Canon of the Hebrew Bible* Juan Carlos Ossandón Widow, 2018-09-11 In *The Origins of the Canon of the Hebrew Bible* An Analysis of Josephus and 4 Ezra Juan Carlos Ossandón Widow examines the thorny question of when how and why the collection of twenty four books that today is known as the Hebrew Bible was formed He carefully studies the two earliest testimonies in this regard Josephus Against Apion and 4 Ezra and proposes that along with the tendency to idealize the past which leads to consider that divine revelation to Israel has ceased an important reason to specify a collection of Scriptures at the end of the first century CE consisted in the need to defend the received tradition to counter those that accepted more books *A Quick Overview of the Bible* Douglas A.
