wealthy powerful neighbor del otro lado on the other side Here as one goes so goes the other On the Rim of Mexico Encounters of the Rich and Poor addresses the ties and asymmetries across the Mexico U S border from Tijuana San Diego to Matamoros Brownsville Based on author Ram duardo Ruiz s extensive research travels remembrances and first hand interviews with the people on the Mexican side the book probes the history economics and customs which have shaped this region today While the author considers many timely issues the impact of drug trafficking legal and illegal immigration assembly plants and the global economy and the ecological disaster in the making the book is also an examination of the borderlands themselves what they are how they came to be and salient aspects of life in this region of the world Moreover it is an exploration of binational themes For Mexicans who live and die next door to the almighty Uncle Sam nearly everything has a binational ring even personal identity On the Rim of Mexico is a moving portrait of the people places and issues which make up border life today
