Tim Draper Wendy Roxin Wicks,2014 Tells the interwoven stories of revered dance teacher Timothy Draper the Rochester City Ballet that he founded and its predecessor the Eastman Theatre Ballet established in 1923 as the first professional ballet company in theUnited States In this engaging book journalist Wendy Wicks tells the story of revered dance teacher Timothy Draper the Rochester City Ballet that he founded and its predecessor the Eastman Theatre Ballet established in 1923 as the first professional ballet company in the United States Draper who died in 2003 at age forty nine trained hundreds of young dancers who have gone on to worldwide careers with illustrious companies

Wicks includes touching reminiscences from these former students interwoven with Draper's own story. The result is a compelling portrait of a complex and brilliant teacher. Wendy Roxin Wicks is a writer, editor, and publicist specializing in the performing arts. Her work has appeared in *Dance Magazine* and *Dance Spirit Magazine*. She is a graduate of Cornell University and is currently a student at the University of Rochester's Margaret Warner Graduate School of Education and Human Development.

No Way Home Carlos Acosta, 2008-12-30 Carlos Acosta, the Cuban dancer considered to be one of the world's greatest performers, fearlessly depicts his journey from adolescent troublemaker to international superstar in his captivating memoir *No Way Home*. Carlos was just another kid from the slums of Havana, the youngest son of a truck driver and a housewife; he ditched school with his friends and dreamed of becoming Cuba's best soccer player. Exasperated by his son's delinquent behavior, Carlos's father enrolled him in ballet school, subjecting him to grueling days that started at five thirty in the morning and ended long after sunset. The path from student to star was not an easy one. Even as he won dance competitions and wowed critics around the world, Carlos was homesick for Cuba, crippled by loneliness and self-doubt. As he traveled the world, Carlos struggled to overcome popular stereotypes and misconceptions to maintain a relationship with his family and, most of all, to find a place he could call home. This impassioned memoir is about more than Carlos's rise to stardom. It is about a young man forced to leave his homeland and loved ones for a life of self-discipline, displacement, and physical hardship. It is also about how the heart and soul of a country can touch the heart and soul of one of its citizens. With candor and humor, Carlos vividly depicts daily life in communist Cuba, his feelings about ballet, an art form he both loves and hates, and his complex relationship with his father. Carlos Acosta makes dance look effortless, but the grace, strength, and charisma we see onstage have come at a cost. Here, in his own words, is the story of the price he paid.

My Margot Ken Ludden, 2014-07-02 Margot Fonteyn's closest friends don't appear in Daneman's detailed biography. Lita Legarda, a doctor, gets a one-line mention; Angie Novello, Margot's Washington Hostess; Theodora Christon, Margot's personal secretary; and Ken Ludden aren't mentioned at all. These were the people she trusted most, who kept her confidences and never spoke to the press. Everyone knew Margot differently: BQ, her mother, knew one Margot; Tito, her husband, knew another; Ludden, her circle's youngest, by a large margin, knew yet another side of Margot. Hence the title. *My Margot*. Ken shares that Margot, who taught him so much about ballet and life and with whom he worked to plan ballet's future. Beyond Margot, we learn about Ken's delightful relationship with BQ, a close friendship between a teenager and a woman of eighty. Ken also writes with unflinching honesty of the hostile relationship he had with Rudolf Nureyev, which developed over time into a grudging mutual respect and a shared grief when Margot died.
