Going Up Going Down:

Going Up and Going Down Yitzhak (Itzik) Peleg, 2015-06-18 In *Going Up and Going Down* Yitzhak Peleg argues that the story of Jacob's dream Genesis 28:10-22 functions as a *mise en abyme* as a figure trope or structure that somehow reflects in compact form in miniature the larger structure in which it appears. Greenstein's close examination reveals that focusing on the vision of Jacob's dream and understanding it as a symbolic dream facilitates an explanation of the dream and its meaning. Scholars have historically classified the dream as theophany, the purpose of which is to explain how Beth El became a sacred place and as such the vision in Jacob's dream is generally accepted as merely ornamental or even lacking a message in itself. Whilst Peleg does not contradict or seek to go against identification of the dream as theophany, he sees a more nuanced purpose behind its presentation. Peleg's proposal is that the description of the vision and especially that of the movement of the angels is not embellishment, supplementation or scenic background of God's message but that it directly symbolizes the path taken by the Patriarchs to and from the Promised Land. Furthermore, the narrative context and visual description in the dream in which Angels of God were going up and down, it appears when Jacob is on his way to Haran, that is to say when he is about to leave Israel. **Going Up and Down** Tess Samson, 2010 See where the people go up See where they go down

Drugs and Alcohol Kenneth Michael Spalding, 2009-07-20 The last thing that I remember is feeling dizzy. When I came to, I was surrounded by family and friends and I was in a hospital bed. I was drifting in and out of consciousness. I don't know if I was conscious for five minutes or for five hours. From all of the drugs and the alcohol I had been using, a vein in my esophagus had burst. I had almost bled to death and the doctors told my family that I wouldn't make it through the night. I did survive and here is my story and what I believe led me to the point of death. **The Last Fair Deal Going Down** David Rhodes, 2010 Survival has been the Sledge way since Reuben's father first moved to Des Moines. Yet the family seems cursed and one by one they are slipping away. First Reuben's oldest brother is hanged for the murder of his wife. Then another brother is committed to the asylum for spying on the woman he loves. But it's the rape and disgrace of his beloved sister Nellie that drives Reuben into a despair so deep that he sets himself in opposition to the people of Des Moines. Into the depths of this depression wanders Tabor, lovely and vulnerable, who revives Reuben and sets him alive with the promise of her love. Beneath it all hangs the City, not a city like Des Moines itself but an inner City of Des Moines or a lower City. No one has ever gotten out of the City. The City has claimed each of his dead relatives and when Reuben learns that Tabor has descended into the City, he determines in a moment of panic to enter himself and bring her out. Thus begins the novel's second act, a

harrowing journey through the horrors of the City and among its inhabitants a ghastly assemblage of dwellers who've crafted new lives for themselves in the underworld Publisher *Going Down Under* Gregory Charles, 2014-09-25 *Going Down Under* is the transcript of a 10 Day Residential Sex Relationship seminar that was delivered in Australia by Gregory Charles The Aussie Relationship Guru Is for anyone who is seeking deeper meaning and answers to a wide range of issues around the core topics of sex and relationships So far it has been read by couples who state it helped save their marriage college students and other singles and couples from age 19 to 60 and has been greatly valued The book is a necessary response to a dearth of meaningful information in a plethora of superficial time worn moralistic answers to the issues of sex and relationships and their place in our lives Especially in America Gregory's direct and honest Aussie approach has been welcomed as an antidote to the politically correct judgmental puritanism that permeates this culture Starting with the name the content brings a wry sense of humor to matters that are usually treated as being heavy and serious **Nuclear Waste Program** United States.
