Games of Deception Andrew Maraniss, 2021-03-02 Rivaling the nonfiction works of Steve Sheinkin and Daniel James Brown s *The Boys in the Boat* Even readers who don t appreciate sports will find this story a page turner School Library Connection starred review A must for all library collections Booklist starred review Winner of the 2020 AJL Sydney Taylor Honor From the New York Times bestselling author of *Strong Inside* comes the remarkable true story of the birth of Olympic basketball at the 1936 Summer Games in Hitler s Germany Perfect for fans of *The Boys in the Boat* and *Unbroken* On a scorching hot day in July 1936 thousands of people cheered as the U S Olympic teams boarded the S S Manhattan bound for Berlin Among the athletes were the 14 players representing the first ever U S Olympic basketball team As thousands of

supporters waved American flags on the docks it was easy to miss the one courageous man holding a BOYCOTT NAZI GERMANY sign But it was too late for a boycott now the ship had already left the harbor 1936 was a turbulent time in world history Adolf Hitler had gained power in Germany three years earlier Jewish people and political opponents of the Nazis were the targets of vicious mistreatment yet were unaware of the horrors that awaited them in the coming years But the Olympians on board the S S Manhattan and other international visitors wouldn't see any signs of trouble in Berlin Streets were swept storefronts were painted and every German citizen greeted them with a smile Like a movie set it was all just a facade meant to distract from the terrible things happening behind the scenes This is the incredible true story of basketball from its invention by James Naismith in Springfield Massachusetts in 1891 to the sport's Olympic debut in Berlin and the eclectic mix of people events and propaganda on both sides of the Atlantic that made it all possible Includes photos throughout a Who's Who of the 1936 Olympics bibliography and index Praise for Games of Deception A 2020 ALA Notable Children's Book A 2020 CBC Notable Social Studies Book Maraniss does a great job of blending basketball action with the horror of Hitler's Berlin to bring this fascinating frightening you can't make this stuff up moment in history to life Steve Sheinkin New York Times bestselling author of Bomb and Undefeated I was blown away by Games of Deception It's a fascinating fast paced well reasoned and well written account of the hidden in plain sight horrors and atrocities that underpinned sports politics and propaganda in the United States and Germany This is an important read Susan Campbell Bartoletti Newbery Honor winning author of Hitler Youth A richly reported and stylishly told reminder how when you scratch at a sports story the real world often lurks just beneath Alexander Wolff New York Times bestselling author of The Audacity of Hoop Basketball and the Age of Obama An insightful gripping account of basketball and bias Kirkus Reviews An exciting and overlooked slice of history School Library Journal *Pratiyogita Darpan*, 2008-10 Pratiyogita Darpan monthly magazine is India's largest read General Knowledge and Current Affairs Magazine Pratiyogita Darpan English monthly magazine is known for quality content on General Knowledge and Current Affairs Topics ranging from national and international news issues personality development interviews of examination toppers articles write up on topics like career economy history public administration geography polity social environment scientific legal etc solved papers of various examinations Essay and debate contest Quiz and knowledge testing features are covered every month in this magazine *The Winter Olympics*, 2009 A Games Changer Stephen R.
