Mississippi Dunbar Rowland,1907 **The Caravan** Evelyn Chedekel,2025-04-25 For over seven centuries the land of Elaeve has been plagued by mysterious occurrences called Disparities which interfere with the natural workings of the world Even the Clergy with their superhuman abilities and the royal families are unable to remedy these ever worsening phenomena When Joanna Violane first ran away from her home in Lemek she had no intention of getting involved with the Disparities But someone who fled her predetermined life to become an adventurer should have known that true adventures never go as planned Joanna and the unexpected friends she finds after leaving home are drawn into an even more unexpected mission How can they an ex future cleaning woman an awkward commoner a lethal lady and a striking outlaw possibly be expected to fix these strange and increasingly dire afflictions The answer to that question at least is clear Because they are the only chance to mend reality before it falls apart **The House** Hans Offringa,2007-02-06 He immediately attaches to people wherever he comes And they love him instantly Despite that the main character of The House is essentially alone His entire life is a continuous movement physically as well as mentally He wins the world but is not afraid to lose it time and again New encounters and possibilities appear on his way He searches for them he attracts them He describes it all with compelling honesty so that you cannot put the book aside before you've finished reading it The House not only is a beautiful pastiche of the sixties seventies eighties and early nineties it also is a unique and honest document of a man who dares to undress his soul in front of the reader That his pen is polished with humour is one of the great virtues of this book **The Original Bath Guide, Considerably Enlarged And Improved ; Forming An Indispensible Pocket**
