wisdom that will benefit the reader our families and friends for generations to come **Pastor David's Golden Nuggets of Wisdom** Andy Blevins,2021-09-21 This book contains some reflections on some wisdom from God s word from a fantastic Sunday School teacher *Treasured* Christal Joy Potter,2024-01-17 Have you ever felt unlovable Have you ever felt useless Do you feel burdened by fear and consumed with thoughts of insecurity Friends this is not the quality of life God intended for you to live The Creator of the universe fashioned you with love and purpose He formed you out of nothingness and instilled you with spiritual gifts and divine potential to bring His light into the world You are loved so deeply God sacrificed His Son to save you You are so important God entrusted you to be a steward of His Son s own glorious attributes You have been called to freedom You hold within your heart the power that raised Christ from the grave to cast out the enemy s deceptions that tell you that you are worthless The God of heaven pursues your heart because that is what He sees when He looks at you He sees purity when you see filthiness God sees purpose where you feel pain God says you are worthy of love and complete in Christ when you say you are a failure and not good enough *Treasured* will reveal to you the beauty your Creator sees when He sets His eyes on you As you read you will be encouraged to set your eyes on His truth Like a diamond in a dark cave you radiate with unfathomable value in this dark world Like a rare gem you are desirable in the eyes of your Maker As you read each section indulge in the precious knowledge you will gain as you come to understand that you were created to shine Your sufferings might have left you feeling tattered torn and unusable but this devotional serves to uncover the truth that you are more than what society and your past dictates You are precious purposeful and you are treasured Grandparenting Roger Small,Dottie Small,2016-12-12 If you re a grandparent if you know a grandparent or if you simply want to encourage a grandparent you won t want to put this book down until you ve absorbed its practical insight and inspirational message Regardless of your family background Roger Dottie will encourage you as they describe the instrumental role grandparents can play in reconciling and strengthening families Pour yourself a cup of tea and settle in for an unforgettable journey into the realm of grandparenting It is a grand season of life **Lessons to My Younger Self** Faye Irving,2024-05-09 The pain from discrimination and marginalization led me closer to my purpose of advocacy I had two choices for responding to what happened to me I could accept reality and do nothing about the fact that women of color in the workplace will be targeted for abuse and sidelined My other choice was to use that frustration as a vehicle for warning others and providing tools to navigate those situations I chose the latter and used this book as therapy to heal from the many years of trauma and prepare others for the journey ahead Like David in Psalm 34 I sought the Lord and He answered me and He saved me amid my troubles He gave me a way out and a plan to give others insight into what they might encounter and how they could prepare to meet the challenges ahead A warning given by an experienced person to someone willing to listen is more valuable than gold rings or jewelry made of the finest gold Proverbs 25 12 Good News Bible **Why Entrepreneurship?** Frederique Media Productions,2014-04-05 When we think of the word entrepreneurship the first thing that comes to mind is business or

making money The topics discussed in Why Entrepreneurship What is IT All About scrutinize the growing issues facing our economy education system children jobs immigration and even our faith This book will open your eyes and show you the different aspects to why humanity must transform to the new mindset of a 21st century entrepreneur What you will learn is that entrepreneurship has more to do with God s original intentions for our lives a way of life a form of survival freedom wisdom and less to do with money or business Why Entrepreneurship is truly an eye opener for baby boomers early retirees immigrants and the working class Dimitry hits on all the major topics that governs your life today and the future of job security His startling prediction for the next 50 to 100 years of how the job market will change truly makes him a visionary ahead of his time Learn the necessary skills needed to diversify your life rather than keeping up with the Jones For those of you who are already in business for yourself this book will reinforce your belief system and open your eyes to new concepts of residual income time freedom and the reasons why you should be open to the idea of generating multiple streams of income from multiple sources rather than from your current brick and mortar business model Learn to leverage your small business by becoming a global commodity that is opened 24 hours a day After 50 Years of Ministry Bob

Russell,2016-05-13 If I had my entire life to live over I d choose to be a preacher again It s been extremely rewarding and gratifying But I could do ministry a lot better if given a second try As I look back on my forty years at Southeast Christian Church in Louisville KY I wish I had a mulligan This book lists seven things I d do differently and seven I d do about the same They are written in hopes they ll be a source of encouragement for those growing weary and losing heart I pray my observations will inspire others to conclude If he can do it I can too In this book I share both the joys and sorrows of my ministry both the successes and failures I m going to be as transparent as possible in hopes that it will encourage ministers to stand firm in the faith and be faithful unto death If just one minister is motivated to pick up the sword of the Spirit and re enter the battle it will be well worth the effort Bob Russell *My Stories of Faith* Eric Elder,2020-05-25 From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn t until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell

them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12:14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others when they needed a lift And that's what I'm doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13:13 With that as an introduction I'd like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I'll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder Reconnecting.calm Tom Mahon, 2011-06-28 [Margo's Blogs](#) Margo Kirtikar Ph.D., 2021 Margo's Blogs Food for Your Soul This book is a collection of some of my blogs articles essays reflections and books spanning the past three decades on the subject of Spiritual Conscious Evolution I realise I am one of millions others like me who are devoted to the same cause but I also know that this is necessary to reach as many souls as possible The many variations of teachers and methods of teaching are necessary to reach as many hearts and minds as possible because after all perceptions differ and levels of understanding differ as much as people differ The subjects of these blogs cover intuition consciousness evolution self transformation universal laws change respiration meditation suffering balancing the masculine and the feminine energies self observation and much more Everyone of these blogs is written in a timeless fashion and holds true today as much as the time in which they were written *The Cordillera - Volume 7* Christopher Bennett, 2015-11-24 Each June the world's toughest mountain bike race is held Covering over 2 650 miles with over 170 000 feet of climbing the race course follows dirt roads muddy tracks and snow covered mountains along the Continental Divide from Banff Canada to the Mexican border at Antelope Wells New Mexico This is the Tour Divide a unique race where the clock never stops and outside support is forbidden It is the rider and their bike against the elements and the internal demons The Cordillera is the journal of the Tour Divide 2015 was an epic year with ideal racing conditions This saw both the men's and woman's records fall After two weeks of racing the first three men finished within 46 minutes of each other The Cordillera Volume 7 shares the stories of the successes and challenges of the 2015 Tour Divide It shares the experiences of athletes plumbing the depths of endurance in the transformational experience that is the Tour Divide **The Masterful Coaching Fieldbook** Robert Hargrove, 2007-04-10 Robert Hargrove shares his secrets as a masterful coach with leaders of all levels Coaching is about realizing an impossible dream and winning at the great game of business not just about changing attitudes and behaviors This book describes How to find the best talent on earth How to create an impossible
