**The Selected Works of James Oliver Curwood** James Oliver Curwood, There are not many who will remember him as Thomas Jefferson Brown For ten years he had been mildly ashamed of himself and out of respect for people who were dead and for a dozen or so who were living he had the good taste to drop his last name The fact that it was only Brown didn't matter Tack Thomas Jefferson to Brown he said and you've got a name that sticks It had an aristocratic sound and Thomas Jefferson with the Brown cut off was still aristocratic when you came to count the red corpuscles in him In some sort of way he was related to two dead Presidents three dead army officers a living college professor and a few common people He was legitimately born to the purple but fate had sent him off on a curious ricochet in a game all of its own and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks

**THE VALLEY OF SILENT MEN** James Oliver Curwood, 2024-01-16 In The Valley of Silent Men James Oliver Curwood masterfully weaves a tale that blends adventure and romance against the backdrop of the Canadian wilderness Set in the early 20th century the novel explores themes of honor loyalty and the clash between civilization and nature Curwood's vivid descriptions and lyrical prose immerse readers in the vast landscapes of the North showcasing his affinity for

naturalism an important literary movement of his time The narrative intricately intertwines the lives of its characters particularly focusing on the primal instincts that surface when they are challenged by both the environment and their own inner demons Curwood an American author and conservationist was profoundly influenced by his experiences in Canada s wild terrains His deep respect for nature and the indigenous cultures he encountered lend authenticity to the novel Curwood s career as a hunter and outdoor enthusiast informs his writing offering readers an intimate glimpse into the wilderness that shaped both his personal philosophy and literary voice This book is a compelling read for those fascinated by literature that captures the raw power of nature alongside the complexities of human emotion Curwood s exquisite storytelling and profound themes make *The Valley of Silent Men* a timeless classic that will resonate with lovers of adventure and profound human experiences
