**Golden Book of the Dutch Navigators** Hendrik Willem van Loon,1938 **The Golden Book of the Dutch Navigators** Henry Van Dyke,2018-01-04 Reproduction of the original [The Golden Book of the Dutch Navigators ... Revised Edition](#) Hendrik Willem van LOON,1938 [The GOLDEN BOOK of the DUTCH NAVIGATORS \(Annotated\)](#) Hendrik WILLEM van LOON,2021-07-20 This is a story of magnificent failures The men who equipped the expeditions of which I shall tell you the story died in the poorhouse The men who took part in these voyages sacrificed their lives as cheerfully as they lighted a new pipe or opened a fresh bottle Some of them were drowned and some of them died of thirst A few were frozen to death and many were killed by the heat of the scorching sun The bad supplies furnished by lying contractors buried many of them beneath the green cocoanut trees of distant lands Others were speared by cannibals and provided a feast for the hungry tribes of the Pacific Islands But what of it It was all in the day s work These excellent fellows took whatever came be it good or bad or indifferent with perfect grace and kept on smiling They kept their powder dry did whatever their hands found to do and left the rest to the care of that mysterious Providence who probably knew more about the ultimate good of things than they did **The Golden Book of Dutch Navigators, by Hendrik W. Van Loon** Hendrik willem Van loon,1938 [The Golden Book of the Dutch Navigators ... Illustrated with Seventy Reproductions of Old Prints](#) Hendrik Willem van LOON,1916

**The Story of Mankind** Hendrik Willem Van Loon,2019-11-21 In The Story of Mankind Hendrik Willem Van Loon presents a sweeping narrative of human history artfully weaving together cultural political and philosophical threads to paint an expansive portrait of civilization With a style marked by clarity and warmth Van Loon utilizes engaging prose and illustrative anecdotes making complex historical events accessible and memorable for readers of all ages Set against the backdrop of the early 20th century his work reflects the era s intellectual fervor and anxieties providing both a timeline and thematic exploration of humanity s triumphs and follies from pre history to the dawn of modernity Hendrik Willem Van Loon a Dutch American historian and author was deeply influenced by his own migratory experiences and a passion for education

His academic pursuits and diverse travels provided him with a unique perspective on the interconnectedness of different cultures. The challenges faced during the tumultuous interwar period undoubtedly motivated him to distill history into a narrative that could unite and enlighten, offering a vital context for humanity's shared experience. This seminal work is highly recommended for anyone seeking to understand the complexities of our shared past, whether scholars, educators, or casual readers. Van Loon's engaging storytelling and insightful reflections resonate today, making *The Story of Mankind* an essential read for fostering a deeper appreciation of our collective journey.

**The Golden Atlas** Edward Brooke-Hitching, 2018-10-18  
Stunning divine Stephen Fry. A fabulous book good enough to eat with a spoon. Marvellous John Lloyd, creator of *QI*. Perfect for the armchair adventurer/historian, this is a rich visual exploration of some of the most beautiful charts ever created. National Geographic introduces us to a whole different way of looking at maps. Great illustrations, most engaging. The author is just a mine of information. Simon Mayo's Books of the Year. *The Golden Atlas* is a spectacular visual history of exploration and cartography, a treasure chest of adventures from the chronicles of global discovery, illustrated with a selection of the most beautiful maps ever created. The book reveals how the world came to be known, featuring a magnificent gallery of exceptionally rare, hand-coloured antique maps, paintings, and engravings, many of which can only be found in the author's collection. Arranged chronologically, the reader is taken on a breathtaking expedition through Ancient Babylonian geography and Marco Polo's journey to the Mongol Khan, on to buccaneers ransacking the Caribbean and the voyages of seafarers such as Captain Cook and fearless African pathfinders. Their stories are told in an engaging and compelling style, bringing vividly to life a motley collection of heroic explorers, treasure hunters, and death-dealing villains, all of them accompanied by eye-grabbing illustrations from rare maps, charts, and manuscripts. *The Golden Atlas* takes you back to a world of darkness and peril, placing you on storm-lashed ships, frozen wastelands, and the shores of hostile territories to see how the lines were drawn to form the shape of the modern world. The author's previous book, *The Phantom Atlas*, was a critically acclaimed international bestseller, described by Jonathan Ross as a spectacular, enjoyable, and eye-opening read, and this new book is sure to follow suit.
