The Duffer's Guide to Golf Gren,1984 *Slices* I.J. Schecter,2008-10-22 Millions of words are written in this field every year but few better than those that come from I J Schecter Jane Carter Editor Golf Monthly In golf there are the elite and then there are the rest of us We others lumped together in the Duffer Zone you know us from the formal announcements we send out whenever we break 100 are like the thousands who finish mid pack in a big city marathon happily unremarkable content just to enjoy the sunshine with some like minded others unconcerned about the guy who crossed the tape forty minutes earlier We are competent but not brilliant We are enthusiastic though a far cry from intense Our fairway woods are mostly reliable but put a 3 iron in our hands and we might as well be swinging a screwdriver To the low and high handicapper alike golf represents an ongoing quest and an exhilarating challenge In this brilliant collection award winning author I J Schecter embarks on a dogged pursuit of golf s elusive Holy Grail breaking 100 with hilarious results Clinging to boundless and often groundless optimism Schecter attempts to untangle the secret to good golf in increasingly desperate ways like playing five different courses in five days accompanying a greenskeeping team on their pre dawn rounds trying to replicate one of Tiger Woods legendary shots and turning to a three year old for guidance Like any golfer he comes to realize that the journey though demanding proves its own reward A unique book from a gifted writer Slices is an eloquent witty celebration of both the game of golf and the unwavering efforts of those who try again and again to tame it The Negotiable Golf Swing Joseph Laurentino,2008-03 This book will provide you with an understanding of how basic human skills are learned and how to apply them to your game how to grasp and meld the negotiable with the nonnegotiable *Golf do's and dont's* Stancliffe (pseud.),1902 **Disparate Voices** Spectral Sisters Productions,2015-09-23 DISPARATE VOICES Spectral Sisters Productions Short Play Anthology contains 25 exiting original short plays usually in a ten minute format by local and regional writers from Central Louisiana Topics range from the sexual orientation of Klu Klux Klan members or Tweedledee and Tweedledum to steroid use among athletes with lots of unexpected subjects in between Some of the plays will make you laugh some make you cry while others make you ponder the universality of the human condition Each work was accepted and produced in the context of the Spectral Sisters Productions Ten Minute Play Festival a developmental theater project going on for over a decade in Alexandria Louisiana These short plays very different in subject matters and writing styles offer something for the actor producer educator sociologist and of course the casual reader to enjoy While the Heart of Louisiana may not have a reputation for progressive creativity these works prove that remarkable creativity can be nurtured in the most surprising of locations and yield a dramatic harvest that the whole nation and the entire English speaking world can enjoy Please share in our inspiration Support for DISPARATE VOICES was received through a grant from the Louisiana Division of the Arts in cooperation with the Louisiana State Arts Council as administered by the Arts Council of Central Louisiana **Chicken Soup for the Golfer's Soul The 2nd Round** Jack Canfield,Mark Victor Hansen,2012-09-18

A City of Bloodsuckers O.O. Kandison, 2012-07-18 This novel is a work of fiction and the characters are all fictional that is they come out of my imagination But if they bear any resemblance to specific judges lawyers and cops it is not a matter of coincidence It is because I chose to use such names for them to get mad the same way I am mad about the injustice done to me by three judges for a crime I cried and swore I did not commit I was charged and found guilty even though I was the one who was assaulted and battered an assault and battery that has now partially left me deaf and above all has left me with only one testicle while the judges and the attorneys have played their games right I also created this fictional event of the court I have used names that came out of my imagination to represent all the players in this book and I put them in chapters where they are meant to serve my purpose the same way three notorious judges all served their purpose against me But I should make it clear though that the names of the noncourtroom players whom I have used

here are products of my imagination or are used fictitiously Any resemblance to actual events or locales or persons living or dead is entirely coincidental Therefore the actions and motivations of these players are entirely my idea Again simply put there is no connection in the manner I brought them into the book If I have caused embarrassment to anyone other than some judges I have directed my anger to or the attorneys the security men of Circus Circus Hotel Casino and the cops in any manner I wish here and now to apologize openly and sincerely And bear in mind that without the humanities with the novelists playwrights poets and actors of our world let alone the comedians to express the First Amendment or mock those who wrong us or who rule the world we would not have movies or theaters Therefore all the movies we might think we have would be worth nothing Ogbebor K Ogbesia November 8 2001 *The Inner Apprentice* Roger Neighbour, 2018-02-06 Highly Commended in the 2005 BMA Medical Book Competition The first edition of *The Inner Apprentice* proved to be a landmark publication Now in its second edition it includes an additional chapter in which questions the assumptions about the relevance of awareness based teaching in the overcrowded curriculum of contemporary vocational training and suggests that the curiosity they engender is more important than ever This book offers many new ideas techniques and educational tools and will be of interest to general practice trainers and trainees and anyone involved in an individual teaching relationship
