My Cave My View Gary Torres,2011-11-02 Gary has used a Twain like humor with a folksy small town snapshot of life to make us stop and reconsider our own life He opens up with humor and tenderness that will bring laughter and tears from the same page as he paints pictures of the people places and activities that surround him He and his dog Turbo his too kind and loving wife and four children are the innocents abroad on a raft made of love pain laughter and hope that is floating the mighty Mississippi of life somewhere in the West From his experience raising kids fighting cancer running marathons his insights are like barbs on a fence that grab hold of you Each section of the book contains small snippets of life and insights that make the reader pause to laugh at the character and themselves BATTLE OF THE SEXES There it is one blanket one bed two people It is almost certain that someone is going to be cold tonight Oh sure we act cordial enough remove our slippers plump our pillows shake the sheets then position the mutual blanket and snuggle in for a good nights sleep a wonderful ending to the age old battle of the sexes A temporary truce of sorts cant live with em cant live without em YOU DRIVE ME CRAZY You drive me crazy There was a time when my wife said those words and that was a good thing Now when she says those words it is with a different tone and a different meaning Its more like YOU DRIVE ME CRAZY And after being married and having kids I have come to decide that it is the little things that will eventually drive a person crazy BAGS CHAPSTICK AND SHOPPING Im sitting here in my cave talking to my dog Turbo Do ya think that well ever understand women He looked up smiled and wagged his tail I think he thought I said Would ya like a bite of my sandwich Whenever I talk he must always think I say that because he always smiles and wags his tail the same way MYOWN EMERGENCY ROOM VISIT Well I can tell you one thing Dont be going to the hospital if you want to get rest and relaxation Just about the time I would fall asleep some nurse would come in and shake me and say How ya feeling Are you getting plenty of rest I need some more blood This is going to sting just a tiny bit And proceed to play pin the tail on the donkey again Frankly I was tired of the game and didnt want to be the donkey anymore although many think I am a natural for the part *The Historical Dictionary of Golfing*

Terms Peter Davies,2005-01-01 No game has a richer array of terms than golf As new golfing terms have accumulated old ones have changed or faded away This concise yet informative dictionary provides definitions and the etymologies for the extraordinary vocabulary of golf built up over its five hundred year history To discover the origins of golf and its special language Peter Davies combed little known archives on two continents As his unique contribution to the game Davies s enthusiasm and enjoyment of golf are stamped on every page of this authoritative book **A Rain of Death** John

Who Me? Theo Nielsen,2007-08 A reader may think that writing a biography would be an easy task Research that needs to be done by an author of non fiction books requires many hours of focused time and countless interviews with real persons associated with the person or event The author of a biography should have all of the facts stored in his memory and merely needs to transcribe them into a book without further research Wrong Maybe it was because of my age 82 that I was unable to sit back and dictate to a stenographer or into a tape recorder a flow of the events and influences that shaped my personality and my life Instead I spent over two years sitting at my computer s Microsoft Word searching my mind my pilot s log book and diaries slowly eking

out one sentence one paragraph and then one page Time was allocated to this endeavor on a I have nothing else to do attitude With the Oregon rain soaking the golf course into an unplayable mire I was able to pacify my longing for a game by turning on the word processor and succumbing to the pleasure of reliving my younger days The cover jacket of this book was designed by my graphic artist son Jay to depict my personality as a free spirit and as a serious Certified Public Accountant
