for Adam to have grown it in that far All that would have been exposed at a court trial but more than 30 years after Adam s disappearance there has never been one Did police end the search for Adam too soon Could Adam still be alive In fact not so impossible Harris found      **Merdeka** Lachlan Gunn,2012 Malaya 1957 and a country on the brink of independence Acting on secret intelligence a Gurkha patrol from the British Army is sent deep into the jungle to ambush a group of Chinese Communist Terrorists It is accompanied by Alick Gordon a young officer from the Scottish Border Regiment Arthur Bryant a seasoned District Superintendent from the Special Branch of the Malayan Police and Jalil a tracker and guide from the local orang asli people The Communist Unit is led by Hor Too a renowned and ruthless jungle fighter and is accompanied by Ah Sim a female member of the Politburo The tide has turned for the Communists due to the successful counter insurgency campaign where the phrase winning the hearts and minds of a population was first coined The outcome of the ambush is unexpected and Alick Gordon is deeply affected by some of the deaths In the days after independence Merdeka he takes a short break and makes a journey across Malaya He finds comfort and solace in the company of those he meets and one person will change his life forever      *Parliamentary Papers* Great Britain.
