House Calls Patch Adams, 1998 A reminder that some of the most important factors in healing are not high tech marvels but ordinary factors such as love compassion friendship and hope

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1993

Gesundheit! Patch Adams, 1998-10-01 The inspiring and hilarious story of Patch Adams s quest to bring free health care to the world and to transform the way doctors practice medicine Tells the story of Patch Adams s lifetime quest to transform the health care system Released as a film from Universal Pictures starring Robin Williams Meet Patch Adams M D a social revolutionary who has devoted his career to giving away health care Adams is the founder of the Gesundheit Institute a home based medical practice that has treated more than 15 000 people for free and that is now building a full scale hospital that will be open to anyone in the world free of charge Ambitious Yes Impossible Not for those who know and work with Patch Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him Adams does whatever is necessary to help heal In his frequent lectures at medical schools and international conferences Adams s irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine All author royalties are used to fund The Gesundheit Institute a 40 bed free hospital in West Virginia Adams s positive vision and plan for the future is an inspiration for those concerned

with the inaccessibility of affordable quality health care Today's high tech medicine has become too costly impersonal and grim In his frequent lectures to colleges churches community groups medical schools and conferences Patch shows how healing can be a loving creative humorous human exchange not a business transaction *Cross-cultural Perspectives in Medical Ethics* Robert M.
