Deva Devi, Premananda Deva, 1996-10-01. Book University Journal, 1963. **Footfalls of the Indian Rishis - Volume II** Babaji Bob Kindler, 2023-08-09. The Holy Feet of Illumined Souls on Earth. From dreams awake from bonds be free. Know the Truth Thou art He thou art She. The Rishis of India, knowers of Truth in seeking the ultimate welfare and highest good for all of humanity throughout the ages, pioneered an unprecedented myriad of religious and philosophical systems. These availed the aspiring soul of a copious network of wisdom pathways opening inwards to the Light of Nondual Reality. Veda, Tantra, Sankhya, Nyaya, Vaisheshika, Purva Mimamsa, Vedanta, Yoga, Buddhism, Patanjala Yoga, Sikhism, Jainism, Vaishnavism, Shaivism, Shaktism, Sourism, Ganapatya, the list goes on and on. This reveals a universal vision the likes of which was never before seen in any country or conceived of by any other race of human beings. Here is not only one holy book or merely one divine incarnation or just a single prophet but dozens to hundreds of each all supported, maintained and lovingly transmitted by countless luminaries stretching back millennia. B.C.E. India therefore stands as an exceptional example before the eyes of the world. The main principle which makes her so is realization of and adherence to Truth as demonstrated and elucidated upon in this book. It is founded upon the natural acceptance of the presence of God as Existence Itself. This Truth was tempered on earth over millennia in the fires of spiritual practice, infusing Vedic philosophy and religion with many important keys concerning the attainment of direct spiritual experience. The subtitle of this book, *Charting the Timeless Wisdom of Mother India*, proves itself through 299 charts all created to transmit the depth and breadth of India's dharmic teachings and replete with thorough and in-depth commentaries.

world prosperity It is bound to sound the paean of triumph when universal Ananda is achieved *Hierophantic Landscapes*
Richard Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person
who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and
consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure
the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the
end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The
Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How
will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their
geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces
primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats
how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and
Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the
mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature
Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a
sunrise as it will soon be again **Message of the East**, 1956 Nectar #11 Babaji Bob Kindler, John Dobson, Swami

spiritual life per se this equates to achieving success in maintaining the intimate and singularly meaningful contact with
Brahman the Source of all Existence even and especially in the midst of our daily life and routine This is effectively brought
about as the timeless rishi Vasishtha relates through mastery of the life force pranajaya control of the mind manojaya
attenuation of desires vasanakshaya and neutralization of karmas karma nirodha all penultimate to acquiring that special
ability to focus upon Divine Reality to the exclusion of all else samadhana until the consummate inner connection samadhi is
well established For this it is necessary for the two forces of human aspiration and Divine Dispensation to work harmoniously
together To facilitate this in the timeless and time tested Vedic tradition advised and available to all the aspirant utilizes
Vedanta the eternal path to activate Vichara self inquiry to increase Viveka discrimination to deconstruct Vivarta false
superimposition to remove Vikalpas mental projections and destroy Vasanas root desires in order to establish Vairagyam
detachment to become a Vidvan wisdom knower and attain Vijnana supreme realization Thus V is for Victory With such
salubrious teachings well considered we offer our current helping of Wisdom Nectar mainly of or based on the Vedanta In
past issues we have highlighted many of the world s religions thereby rendering heartfelt service to the excellent principle of
Universality and the harmony of all religions a timely theme considering the state of the world and its affairs But we as
Westerners videlicet temporarily embodied souls appearing in a Western setting but espousing no personal or permanent

location other than the all pervasive Atman feel an inborn affinity with the timeless and eternal Vedanta and feel it has an especial message suited for these times We thereby and herein emphasize it in a series of intriguing and galvanizing articles designed to preserve yet percolate our precious consciousness keeping it pure and pellucid Gāyatrī Maha Mantra, the Epitome of Vedas Series Kallūri Sūryanārāyaṇa, 1996 Interpretation of G yatr Vedic hymn from R gveda with exposition of meditating on its presiding deity G yatr **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
