Creation Stories in Dialogue: The Bible, Science, and Folk Traditions Jan G. van der Watt, R. Alan Culpepper, 2015-11-02 This book is about creation stories in dialogue not only between different religious views but also between current day scientific perspectives International specialists like Alan Culpepper David Christian John Haught Randall Zachman Ellen van Wolde from various disciplines are reflecting on the interface between science and religion relating questions of creation and origin This multi disciplinary discussion by some of the leading exponents in this field makes the book unique not only in its depth of discussion but also in its wide ranging interdisciplinary discussion The point of departure of all the contributions is the prestige lecture by Alan Culpepper where he argues for bringing Biblical material into discussion with modern scientific insights relating to creation and origin Illustrator 7 Bible Ted Alspach, 1997 Adobe Illustrator's powerful capabilities have made it the most popular illustration package available Macworld Illustrator X Bible is the all in one reference guide to this program's powerful capabilities With filters more than 100 QuickTime tutorials product demos fonts and a bonus CD ROM readers will be creating expert illustrations logos and graphics with Illustrator like the pros Illustrated Bible Survey Ed Hindson, Elmer L. Towns, 2017-07-01 This revised edition of Illustrated Bible Survey introduces all the books of the Bible from Genesis to Revelation and features expanded content dealing with current issues in Old Testament studies the latest archaeological finds and recent theological issues **Live Deeply** Lenya Heitzig, Penny Rose, 2009 Study the parables of Jesus breathe fresh life into your spiritual life in just 20 minutes a day The Pentecostal Commentary Billy M. Prewitt, A Trinitarian Exposition of the New Testament This series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author's Foreward As a Pentecostal student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals Even though my classes required commentaries from various publishers none of the publishers were Pentecostal I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice As a result serious Pentecostal students have no other

choice but to learn at the feet of non Pentecostals I am not opposed to non Pentecostal commentaries Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them The most important concern to a Pentecostal is that the pneumatology the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree In addition there are other theological differences and substantially different hermeneutical principals that can dramatically alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed
