## **Im Afraid Of The Vampire State Building:**

The Vampire State Building Byron Preiss,2013-03-02 What if your dad were president of the United States Some of the most famous people in the world would visit your house and you d have a new room to explore every day of the month And you might meet some residents of the White House that nobody s heard of like the family of bats living in the basement an anteater named Agatha who lives in the garden shed and a blue bear Each season with these new friends would bring new adventures Perhaps you d solve a mystery with the help of a Secret Service agent Or you could take a trip to the spooky Vampire State Building and hope you live to tell about it Originally published as The Bat Family Illustrated **Vampire State Building Vol. 1** Patrick Renault,Ange,2020-07-22 The newest horror series from the artist of The Walking Dead Get ready to be bitten from the first full color page Terry Fisher is a young soldier on the verge of being sent away for active military duty and is going to meet his friends at the top of the Empire State Building for a farewell party But suddenly a legion of vampires attacks the skyscraper and massacres its occupants Hounded in the 102 floors that have become a deadly trap Terry must take decisive action to save himself and his friends and the city of New York before the army of abominations and the terrible vampire god within walled in the building since its construction spill into the city Collecting the hit 4 issue series into one volume Includes behind the scenes material with cover gallery sketches and designs **Toddlers on Technology** A. DeSollar,H Leathers,Patti Summers,2013-04-08 TODDLERS ON TECHNOLOGY Does your toddler seem to know more about the iPad than you do Welcome to the world of the Digitods the young children born into the era of mobile technology These kids are learning faster and better than any generation that has come before them And they are loving it Take a look at toddlers using an iPad They are pictures of concentration Their hands are moving and their eyes are constantly scanning the screen They are in an active state of learning their neurons are firing on all cylinders It is not surprising that they find learning such an enjoyable activity with the bright colors interesting activities and cheery voices urging them on Have you ever tried getting a Digitods attention when he is working with an iPad It is not easy Often the child is so fixated on the work that he protests when he has to move on even to something as interesting as a snack It just underscores what teachers have always known Good learning is addictive the more you get the more you want Digitods are racing down the information superhighway and we have to be ready for them But what does this entail The answer to this ever important question lies within Patti Wollman Summers has written the first book on the subject by an early child hood educator Ms Summers collaborates with Heather Ibrahim Leathers a mom who provides many practical tips and Ann DeSollar Hale PhD a neuropsychologist who gives a full account of the research so far in our Science section Learn why interacting with an app is so fascinating to a young child Discover what constitutes a good app and how to match an app to your childs temperament and learning style Read a description of many excellent apps in our App Reviews section and learn how to balance your childs digital work with real life see saw activities For parents of children under six who are concerned
