Im Still Living:

I'm Still Alive Don Barber, 2022-08-01 Wow I am still alive but how There is only one explanation Take a walk with me through the rough patches of my life and it will become very apparent to you One word God It will be evident when you see the jams that I have gotten myself into that God put an angel on my shoulder when I was very young Stranded in the Atlantic Ocean Motorcycle crashes Six of my cars totaled fourteen cars in all Drunk on a Canadian Destroyer in San Francisco Robbed at gunpoint in Chicago Roof ripped off as a tornado just missed our home Illegally racing cars Nearly having my hand cut off by a miter saw Working in the bomb dump in chemical gear in 100 degree weather arming 2000lb bombs Drunk driving Head on collision with 130mph impact Drug addiction Almost flipping my race car at Atlanta Motor Speedway I have no doubt how I am still alive These are just a few examples God has a purpose for me Maybe it's this book He has not revealed it to me yet as far as I know I do believe that He wanted me to tell people one thing God is good and He loves us very very much Read my stories and you will be amazed *I'm Surprised I'm Still Alive* Jimmy J Alan, 2024-01-18 Follow Jimmy on his journey from his birth through to the birth of his first child at the age of 21 His early life was filled with every kind of deprivation he was constantly living on the edge of starvation the threat of death was never far away either from his home life or from his multiple abusers the authorities knew what was going on but they didn't help the most they did was observe the schools also knew the treatment he was getting at home every day of his young life was lived in fear his mind his body and his very soul were shattered 3 times he was placed into a children's home a place that should have offered a bit of safety but this place was no better it was just another place of fear and terror and abuse only this time at the hands of strangers for little Jimmy no matter where he turned he found no peace or comfort his abuse and torment went on until he was in his early teens Jimmy's early life left him confused with what he was meant to be was he straight or gay he hid all the traumas from everyone at times he would drink away the pain but it never left him help arrived in the shape of Judy she loved his pain away it was a love he had never felt before a pure unconditional love for both of them but this was ripped away from them through lies and deceit it led to them being jobless penniless homeless a mental hospital and the ultimate ending of their love none of it their fault all done out of pure spite Jimmy was left alone no Judy no family no home no job no money no hope and no help he tried to get his life back together as best he could but he would endure more obstacles a house fire that nearly killed him a 21st birthday spent alone in the cold and rain a spell in prison His life only made sense when his first child was born it's when he began to feel normal but for over 40 years Judy remained in his head and heart how could he just forget her he couldn't **Mama, I Am Yet Still Alive** Jeff Toalson, 2012-02 Civil War studies normally focus on military battles campaigns generals and politicians with the common Confederate soldiers and Southern civilians receiving only token mention Using personal accounts from more than two hundred forty soldiers farmers clerks nurses sailors farm girls merchants surgeons chaplains and wives author Jeff Toalson has created a compilation that is remarkable in its simplicity

and stunning in its scope These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals They discuss disease slavery inflation religion desertion blockade running and their never ending hope that the war would end before their loved ones died A major portion of these documents were unpublished and were made available by the Brewer Library of the United Daughters of the Confederacy With this his third significant contribution to Civil War literature Jeff Toalson joins the select company of Thomas W Cutrer and Bell I Wiley as historians who have devoted their body of work to preserving the voices of common Confederate soldiers and civilians

Thank God I'm Dead Already Diana deVault,2007-10-24 Sometimes when there is so much suffering in a person's life and nothing seems to turn out the way one plans then it becomes easy to just give up on believing that there is a God in heaven who loves us and cares about our success What we don't understand is that when we first give our lives to God we agree to die We agree to allow God to order the steps of our lives so that He can cause our destiny to fit His plans That dying is very difficult particularly when we don't understand it This book is about the dying and the coming to understand why it must happen New Interchange 1 Lab Guide Jack C.
