Im A Big Kid:

When I'm a Big Kid Like Daddy Dustin Woodward,2022-08-01 When I m a Big Kid like Daddy primarily consists of a collection of musings from the mind of a three year old From growing a beard to driving a truck to hitting a home run this book is sure to warm the hearts of dads and further spark the beautiful imaginations of aspiring big kids everywhere

A New Vision for Early Childhood Noah Hichenberg,2024-12-23 This innovative and thought provoking book invites you to move away from strategies of control and toward relationships of trust with young children This book presents the conceptual foundation for this re framed relationship as well as pragmatic takeaways for parents and teachers of preschool aged children The book offers a concise critical history of early childhood which is then laid against the author s ethnographic research into the daily life of one 2 year old This unique and refreshing perspective offers intimate insight into the tension between the adult s desire for control and the child s capacity for resistance The author argues that when the adult child relationship is defined by control the child is faced with the same choice on repeat submit or resist Taking action in accordance with personal wants and needs typically requires transgressing adult expectations For the child in today s hyper surveilled childhood to speak up is to resist Moving these ideas from research and theory back into preschools and homes A New Vision for Early Childhood is important reading for any preschool teacher leader or parent who wants to reconsider their relationship with children We can become allies instead of sheriffs working with children instead of against them

I'm Theman! Michael Friesen,2002-02-15 Yes I m Theman The boy wonder People love me Kids think I m cool Girls are attracted to me Kids parents think I m special I m also full of it I don t know for sure if any of this is true But you know what I don t care It s my story and I ll tell it any way I want As long as I think these things are true they are It only matters in my mind I have a knack for creating my own world A lot of kids buy into it they believe I m popular because I tell them I am They don t know any better The girls like it that I think they like me I also work to convince many of them that I like them And they like that You see there s a lot of positive feelings going around I like people They like me So everyone s happy I m nice about it you know Not cocky at all I just believe my own press I believe the reputation I ve created for myself Of course there are some exceptions guys who don t accept me for who and what I say I am I don t know if they re jealous or if I interfere with their desire to be perceived as cool and popular Probably both But I have subtle ways of making my detractors look like jerks Or getting them blamed for things they didn t do It all makes for a pretty darned good story And fortunately for you if you re reading this I m going to share it with you Before I start let me give you a heads up First don t try this stuff yourself It takes experts like me to make these things work Second pay attention You re going to learn something About life About love And about the pursuit of popularity The story begins early on Friday morning on the last day of school
