Im Going To Be Famous:

Freedomland Amy Freed, 1999 Cast size medium **365 Days / 365 Plays** Suzan-Lori Parks, 2006-11-01 Suzan Lori Parks is one of the most important dramatists America has produced Tony Kushner The plan was that no matter what I did how busy I was what other commitments I had I would write a play a day every single day for a year It would be about being present and being committed to the artistic process every single day regardless of the weather It became a daily meditation a daily prayer celebrating the rich and strange process of a writing life Suzan Lori Parks On November 13 2002 the incomparable Suzan Lori Parks got an idea to write a play every day for a year She began that very day finishing one year later The result is an extraordinary testament to artistic commitment This collection of 365 impeccably crafted pieces each with its own distinctive characters and dramatic power is a complete work by an artist responding to her world each and every day Parks is one of the American theater's most wily and innovative writers and her stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous TIME **The Pain of The Macho & Other Plays** Rick Najera, 1997-07-01 In the face of political correctness and the feminist movement renowned stand up comedian scriptwriter and satirist Rick Najera dares to proclaim 0 4 tongue in cheek of course 0 4 that machos are regular guys too In The Pain of the Macho Najera has assembled an ensemble cast of quintessential Latin Lovers or wannabes who pour out their souls in side splitting monologues But the zing in the punch line hits us when we realize that melodramatic teary eyed spiels lead sly insights into the dilemma faced by not just Latino men but all those who must exist at the margins of two intersecting cultural spheres The other two plays included in this wildly entertaining collection are A Quiet Love and Latinologues **From Fightin' to Writin'** Thomas Gerbasi, 2008 An inside look at the world of professional boxing From Fightin to Writin focuses on the stories few have heard Whether it's the young prospect on his way up the champion looking to hold on to his title or the grizzled veteran hoping for that one big break award winning boxing writer Thomas Gerbasi brings their stories to you with a hard hitting immediacy that makes you feel like you're in the locker room with some of boxing's toughest warriors before the big fight Covering everything from women's boxing and the heavyweight division to Olympians on the rise and the international fight scene this is not a book about Mike Tyson Oscar De La Hoya or Muhammad Ali Instead From Fightin to Writin takes you deeper than ever before into the lives of fighters before and after they hit the big time Scribner's Magazine Edward Livermore Burlingame, Robert Bridges, Alfred Sheppard Dashiell, Harlan Logan, 1915 *Hack Learning* Ruth G Juliano, 2018-01-01 **Pearson's Magazine**, 1914 Vol 49 no 9 Sept 1922 accompanied by a separately paged section entitled ERA electronic reactions of Abrams *Maggie the Mechanic* Jaime Hernandez, 2007-03-17 The first of three volumes chronicles the globe trotting adventures and exploits of Maggie her best friend and occasional lover Hopey and their companions Peggy Century her weirdo mentor Izzy aging wrestler Rena Titanon and Maggie's new love interest Rand Race Original **Conversations with Steve Martin** Robert E. Kapsis, 2014-09-02 Conversations with

Steve Martin presents a collection of interviews and profiles that focus on Martin as a writer artist and original thinker over the course of more than four decades in show business While those less familiar with his full body of work may think of Martin as primarily the wild and crazy guy with an arrow through his head this book makes the case that he is in fact one of our nation s most accomplished and varied artists It shows the full range of Martin s creative work tracing the source of his comic imagination from his early standup days starting in the mid to late 1960s through the films he has written and starred in and emphasizing his more recent creative outpourings as playwright essayist novelist memoirist songwriter composer musician and art critic Standup is the hardest material in the world to write for someone else it s like trying to condense 10 years of experience into 20 minutes of new material Martin says But commenting on his fiction writing he says I think you have to be able to find as a writer that state where you don t know what you re going to say or what the character is going to say or who the characters are That s the biggest thrill of all When you start to trust that subconscious thing and you don t censor yourself just remember you can always throw it away that s when the good stuff comes out The selected materials consist not only of pieces focused primarily on Martin s writings but also broader profiles and conversations that help explain Martin s development as a writer within the larger context of his many other accomplishments talents and performance skills
