Aliko, 1993-08-06 Look at me I'm growing With her trademark simple words and delightful pictures Aliko explains how and why we grow Our arms and legs our hair and toenails our muscles bones and skin all grow from the moment we are born Some people grow faster than others some people grow more than others With the help of good healthy food we all grow in our own way and at our own speed It will happen to you too I'm Grown LaFondra Willis-Dunn, 2020-02-25 Growing up in one of the largest inner cities in the south Ylonia leaned more to the times around her more so than the lessons her parents would speak to her I'm Grown is loosely based on real illustrations in the fictitious life of eight different characters Ylonia Denise Tyraneishia Tre Quan Junior Cassie Blake and Shaneka The main fictitious character Ylonia narrates the book and is in no means a real life character or person From manipulation by an impressionable male Ylonia found herself expecting her first child and subject to statistical ridicule Feeling her life was over and there was nothing that she could do to change her situation she settled in the cultural norms of just surviving in the inner city After many more disappointments and feelings of betrayal by her then husband and so called friends Ylonia began to open up and seek counsel in the people she felt was in a position that she desired to be in one day Armed with the knowledge of what it takes to get where she wanted to be in life Ylonia started strategizing how she can apply their steps to her situation without ending up on the street in the process I'm Grown is collated in three parts loose illustrations from her past the assessment and resolution to those seemingly unavoidable and constant roadblocks as well as a workbook to help the readers begin their journey to strategizing to a better way of succeeding in life The Adventures of Alfred in Mom, I'm Growing up Now Gail Wright, 2012-10-24 Alfred has a birthday coming soon He thinks he is ready to take on some other responsibilities now that he is growing up He also hopes he
