Im No Hero:

I'm No Hero Charlie Plumb, 1995-11 *I'm No Hero* is the story of Charlie Plumb but it is also the story of all POWs who faced an isolated world of degradation loneliness tedium hunger and pain It is no pretty story It tells of the torture room with walls built to muffle human screams of the rope trick and fanbelt techniques designed to make a man talk of illness of insanity But it also tells of the ingenuity and creativity which allowed the men to outsmart their guards and to set up communication systems classes escape plans and to maintain their chain of command It is a revealing story It pictures men who are reduced to the basics physically mentally emotionally and spiritually It shows how these situations can be survived with individual integrity and pride intact It tells of growing relationships with God which came as a result of desperate need It outlines a closed society's methods of developing rules which allow members to live together in harmony It is a story of hope for it suggests that the techniques used by POWs to survive their conditions can be used by others to overcome similar situations faced in day to day living *I'm No Hero* Ethel Barrett, 1974

I'm No Hero Charlie Plumb, 1993 *No Heroes* Jamie Hall, 2017-12-14 Michael's life is one of little importance which is a far cry from his dreams of being a hero throughout childhood Several traumas in his life lead Michael down a path of vengeance in his father's name Guided by the desire to leave a legacy and create change Michael battles disease and internal demons to catch his father's killer and those that prey on society As he delves deeper into a world of violence Michael must balance his personal life newfound identity and the darkness that inevitably creeps into his life as he struggles to complete his mission ***Honor Bound*** Stuart I. Rochester, Frederick T. Kiley, 1998 *Honor Bound* is the result of a fruitful collaboration between Stuart I. Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject

The Wolf of Cameo Bay Dave Karcher, 2019-12-27 Disgraced former NYPD Homicide Detective Connor Wolf now a paramilitary field agent for a government contractor returns home after a devastating tour in Iraq Posing as curator of a historic cemetery his covert mission is to observe and report on a suspected terrorist training camp in northern Maine Wolf's keen skills at crime solving are soon enlisted to track down the murderer of Judge Grant Falwinnow Not all of Wolf's allies are who they claim to be The investigation gets complicated when the killing of the judge may be linked to a serial murderer The killer is still on the prowl with Connor in his sights Wolf the hunter is now the prey *One Year in King City High School* Cristian Saileanu, 2013-02-10 John Holbrook one of the heroes of this book once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body You see the rash on your arms and you might think

that it's the skin that's sick when actually the disease is somewhere deep inside and it is only reflected in the skin Or conversely when the skin is silky smooth soft and supple and pleasant to the touch it's because the entire inside of the body is healthy It has just occurred to me that I have written a book to illustrate what John said I must confess that at times in order to better move the story along two or three real life persons have been shoved into one or one person has been split up into two Chronology has not been always rigorously followed either and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader Wait Did I say fiction I'll take that back For this is not a fictional book The stories all of them without any exception the stories they are true And if they sometimes seem far fetched it's only because many times reality is stranger than fiction and also more pitiless and more brutal I have kept some of the original quizzes essays newspaper articles and classroom drawings to give the book its well deserved air of authenticity If you are a teacher you will read the book and nod in agreement If you are a parent now you know a teacher's life is not the bowl of cherries you always thought it was If you are a principal or a superintendent you will naturally want to burn the book in the public square this book is a mirror and you will not like what you see Some of the real names of the characters have been maintained Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka Camarón and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher's lounge But don't lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian

The Forbidden Benito Pérez Galdós, 2009-03-26 Benito Pérez Galdós considered Spain's most important novelist after Cervantes wrote 77 novels several works of theater and a number of other tomes during his lifetime 1843-1920 His works have been translated into all major languages of the world and many of his most highly regarded novels those of the contemporary period have been translated into English two three and even four times over Of the few contemporary novels of Galdós that until now have not come to light in English *The Forbidden* is certainly among the most noteworthy The story line concerns a wealthy philanderer Jos María Bueno de Guzmán who attempts to buy the favors of his three beautiful married cousins He is successful with the first Eloísa a grasping materialist who falls deeply in love with him Then he rejects her in order to attempt to seduce the youngest Camila Meanwhile the third the pseudo intellectual María Juana jealous seduces Jos María But it is Camila healthy impetuous and wild who resists his temptations and holds our attention The novelist and critic Leopoldo Alas Galdós's contemporary calls her the most feminine graceful lively female character that any modern novelist has painted As a naturalistic study in the manner of Balzac in particular principal characters of Galdós's other novels El doctor Centeno La de Bringas La familia de León Roch become fleetingly visible in *The Forbidden* In addition the entire
