

The background of the cover is a painting of a sunset over a body of water. The sun is a large, glowing orange orb on the horizon, casting a shimmering path of light across the dark, choppy water. The sky is filled with soft, pink and purple clouds. In the foreground, a sandy beach is visible with several clumps of dry, brown grass. A pair of dark-colored sneakers lies on the sand, one slightly to the left of the other. The overall mood is somber and contemplative.

Im Not Waving Im Drowning:

I'm Not Waving, I'm Drowning Mamie McCullough, 2002 **Endgame** May Sarton, 2015-08-18 A testament to the joys of nature from a courageous and loving woman her cats birds garden and visitors keep her ecstatically anchored in life Publishers Weekly I always imagined a journal that would take me through my seventy ninth year May Sarton writes the doors opening out from old age to unknown efforts and surprises Instead of musing calmly on the philosophical implications of aging the writer found herself spending most of her energy battling for her health Coping with constant pain and increasing frailty Sarton fears that the end is not far off The story of what she calls the last laps of a long distance runner this yearlong journal addresses such familiar Sarton topics as her beloved garden the harshness of Maine winters and the friendships and intimate relationships that have nurtured and sustained her She settles some old literary scores and paints a generous portrait of Virginia Woolf who often shared tea with Sarton during the late 1930s When illness saps Sarton s ability to type she dictates into recorders and has the tapes transcribed by devoted assistants In spite of the loss of independence and the fear that she will never fully recover she does her best to soldier on taking pleasure in small things like a good meal her cat Pierrot who loves the rain and being able to sleep through the night An enduring inspiration to millions of women Sarton even finds the courage to achieve again *God Loves Broken People* Sheila Walsh, 2012-03-12 The other side of brokenness If I could write only one book in my lifetime I would ask God to make it this one the very book you now hold in your hands Sheila Walsh God loves broken people And when weary wounded men and women find a way to open their bruised hearts and somehow welcome Him into their personal darkness they will find a love beyond anything they have ever known When the glass house Sheila had lived in for so many years came crashing to the ground she began a new life outside the safety of those walls No it didn t feel good nor safe not at all But it felt true Sheila saw herself as a broken lamb limping after the Shepherd not knowing where He was going but knowing that wherever He went she wanted to go with Him In twelve stirring insightful and deeply revealing chapters Sheila Walsh shows how personal brokenness can open doors of intimacy with Jesus Christ that might never open in any other way It s not that God loves broken people more than those who imagine themselves to be whole it s simply that they know they are loved They dare to believe it and through such trust a new wholeness emerges from yesterday s broken pieces *Dialogues with Michael Eigen* Michael Eigen, 2019-07-22 Dialogues with Michael Eigen spans 20 years of diverse interviews and interactions with the acclaimed psychologist Michael Eigen including interlocutors from Italy Spain Portugal Argentina Sweden Israel and the United States published together for the first time This book explores the importance of soul reveries psychoanalytic prayers and cultivation of psychoanalytic faith in Eigen s work The dialogues lay out Eigen s privileging of emotions as messengers in need of recognition as welcoming inner gestures for incubation enabling a deep vitalizing contact of being with oneself and others Eigen reminds us that struggling with one s personality remains a life long task exposing us to various existential sufferings agonies traumas

and losses in need of soul confession if not analytic prayer The book seeks to help readers find touch and work with emotional realities a little better and support a growing intimate creative relation to ourselves The rich explorations of the interviews and interactions with Eigen help contribute to further appreciation of our experiential life and worlds it opens Building on his work on mind body soul connections Dialogues with Michael Eigen is an essential book for anyone interested in the spiritual side of psychoanalysis

The Mended Heart Suzanne Eller, 2014-02-20 Being hurt and heartbroken is a sad reality for most of us But I m so thankful for this treasure of a book written by my friend Suzie Eller Page by page Suzie will help you understand how God s truth can heal your pain so you can move forward whole and healed Lysa TerKeurst New York Times Bestselling Author and President of Proverbs 31 Ministries Brokenness happens Tragedy sin or the painful choices of others all have the ability to disrupt an otherwise contented life And as a result of our heartache we often attempt to fix our own brokenness with disastrous results If you ve tried to heal but keep ending up in the same place whether the battle is in your heart or out in the open where everyone can see The Mended Heart is for you In this book author Suzanne Eller tells it like it is people throw quick fixes at you or tell you to pull yourself up by your bootstraps whatever that means More important though she shares the powerful truth of Jesus mission as outlined in Luke 4 18 21 He came to set free all those who are oppressed and in need of mending You don t have to fix yourself Jesus loves you right where you are In fact He has already completed the work that needs to be done The Mended Heart will encourage you to trust Him to give and receive grace and to move ahead even stronger than before even if others don t move with you

Out! JL Merrow, 2017-06-26 When love wars with principle which one will win Mark Nugent has spent his life in the closet at least the small portion of it he hasn t spent in the office Determined to make amends to his neglected teenage daughter from a failed marriage Mark swears off work and love so he can give her a stable home environment But Mark s resolve to keep his heart under wraps is tested when he meets an out and proud young man he s instantly drawn to Patrick Owen is a charity worker with strong principles He doesn t trust easily but he s blown away by his attraction for the older man who s so new to his own sexuality Yet Mark is adamant he s not coming out to his daughter and Patrick refuses to live a lie What with Mark s old fashioned attitudes and his flirtatious ex colleague who s determined to come between them Patrick begins to wonder if they ll ever be on the same page And when Mark s career as a tax advisor clashes with Patrick s social conscience sparks really start to fly in all the wrong ways NOTE This is a revised second edition originally published in 2016

Contact with the Depths Michael Eigen, 2018-03-21 This book explores ways we make contact with the depths in ourselves and each other We are deeply moved by contact we make with life yet also puzzled by a need to break or lose contact and often suffer wounds by failure of contact to be born Our sense of contact is tenacious and fragile subject to deformations plagued with a sense of jeopardy Chapters focus on ways we make and break contact in the

wounded aloneness of addiction the wounded beauty of psychosis the importance of not knowing and wordlessness ways we transmit emotions the need to start over and harm we cause by trying to get rid of and misuse tendencies that are part of our makeup Our contact with life ourselves each other is challenged And through it all we have need for deep contact contact with the depths fulfilling and suspenseful Contact we never stop growing into part of the mystery care and love of everyday life

Clapham High Way Oliver Merlin, 2015-08-04 Alex knows the truth is out there He knows he wants to change the way he lives but he hasn't a clue where to start The time is 1999 and his friends are partying like it is Alex knows it won't last The tricky thing is finding his way out with the minimum casualties Shannon is the girl Alex needs to be with it's obvious but she's committed to the strange and oddly disturbing Richard Rachel is the girl Alex shouldn't be with and is the mirror Alex needs to see his life in sharp relief Over a roller coaster year at the end of the Millennium Alex finally finds out that fulfilment is not found in the arms of another or in a hedonistic lifestyle but in finding your true expression in life It captures a special period in the annals of clubbing which resonates more than any magazine feature would due to the emotional connection it gives the reader with the characters And surely that is one of the main goals of any good novel Colin Butts author of *Is Harry on the Boat*

Finishing Well IAN KNOX, 2020-06-18 God's purpose for us is to show as we get older that he gives us his strength and through our experiences of him his wisdom says Ian Knox God is not finished with us In our later years we are not only to be blessed but to be a blessing and bring a blessing As we get older some of us grow more frenetic in our anxiety to demonstrate that the force is still with us Others withdraw often quite abruptly What is God's view of ageing The Bible has much to say and many stories to tell about those who did great things those who did ordinary things well those who prayed those who used their gifts those who suffered those who went right to the end and those who in later years got it absolutely wrong How are we going to face the prospect of ageing Will we subside give up Or shall we view retirement as a gift from God an opportunity to reach out to others Our older years are full of possibilities not least of which is that of helping others find Christ

Nourishing Narratives Jennifer L.

Holberg, 2023-07-25 Humans make sense of the world through language and the words that compose our stories Engaging with writers like Dante Gerard Manley Hopkins Flannery O Connor and Marilynne Robinson this volume encourages us not only to understand how stories nourish our faith but to discover how our stories are part of God s great story
