*Image of the Risen Christ* Kenneth E. Stevenson, 2000-02 From 1978 to 1981 a well equipped group of twenty five American scientists formed the Shroud of Turin Research Project STURP Thousands of hours were spent conducting the most extensive tests ever performed on a historical artifact The official spokesperson for the group was former U S Air force Captain and pastor teacher Dr Kenneth E Stevenson Millions of Christians became intensely interested in the Shroud when photographs of the negative image were published in books magazines and news papers all over the world Dr Stevenson previously co authored the international best selling title *Verdict on the Shroud* His new book *Image of the Risen Christ* discusses the mysterious history of the burial cloth of Christ and uncovers recent scientific discoveries about the image of the man in the Shroud This book deals with the Shroud as possible evidence of the Resurrection and what significance this could have to Christians entering the new millennium The Shroud has been subjected to over 150 000 hours of scientific testing The results of these tests will astonish you Why have Israel s top scientists recently declared that the Shroud originated in Jerusalem and that it must have been woven before A D 760 How can history art legend science and religious tradition confirm the truth about the Shroud The multiple blood stains on the Shroud are actually human blood Could these stains be the blood of Jesus of Nazareth Why does a remarkable historical document of the early Christian church refer directly to something mysterious about the burial cloth of Jesus Brilliantly offers possible conclusions about the origin of the Shroud Is the Shroud a result of brilliant human deception Is the Shroud a freak occurrence of nature Is science and religion at war over this artifact *Image and Relic* Erik Thunø, 2002 Revision of the author s thesis Johns Hopkins University 1999

**Risen Lord** Margaret Barker, 1996-10-01 Redraws the map of the New Testament and Christian origins confronting much of the scepticism of recent New Testament scholarship to offer a new understanding of Resurrection Christology atonement and parousia *The Risen Christ* James Baldwin Brown, 1888 **Image and Presence** Natalie Carnes, 2017-12-12 Images increasingly saturate our world making present to us what is distant or obscure Yet the power of images also arises from what they do not make present from a type of absence they do not dispel Joining a growing multidisciplinary conversation that rejects an understanding of images as lifeless objects this book offers a theological meditation on the ways images convey presence into our world Just as Christ negates himself in order to manifest the invisible God images Natalie Carnes contends negate themselves to give more than they literally or materially are Her Christological reflections bring iconoclasm and iconophilia into productive relation suggesting that they need not oppose one another Investigating such images as the biblical golden calf and paintings of the Virgin Mary Carnes explores how to distinguish between iconoclasm that maintain fidelity to their theological intentions and those that lead to visual temptation Offering ecumenical reflections on issues that have long divided Protestant Catholic and Orthodox traditions *Image and Presence* provokes a fundamental reconsideration of images and of the global image crises of our time *The Image of*

**Jesus: The Image of Humanity** Anselm Grün, 2003-07-01 I want to connect what concerns people today with what it was about Jesus that fascinated Luke as a man of his lifetime I want every reader to be guided by Luke to Jesus to gain new insights into Jesus and to discover in him the one who gives meaning to our existence heals our wounds and leads us to true life Anselm Grün In Jesus the Image of Humanity best selling author Anselm Grün writes an introduction to the Gospel of Luke that will inspire those who find it difficult to encounter the real Jesus in the writings of the New Testament He shows the Jesus of Luke's Gospel to be the key to a spiritually fruitful life something many Biblical exegetes fail to do Grün's concern is to interpret the text in terms of the needs and longings of contemporary Christians He pierces through alienating and inherited impressions of the text to show that what Luke is giving us is a record of his own experience of Jesus He sees the Gospel as an expertly composed entertaining and valuable piece of publicity on behalf of the Jesus movement and its message is as life changing in the twenty first century as it was in the first century

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 5 John P. Keenan, 2025-06-12 This series reads Ephesians within its post Paul trajectory but considers it also in light of a Mahāyāna Buddhist hermeneutic that is likely unfamiliar to most New Testament scholars New Testament specialists rarely stray into theological issues outside the Jewish Christian context although that context itself is more and more distant from readers today Academicians are prone to make universal affirmations and claims and yet it seems that few scholars of Christianity consider the theological universe that exists beyond the bounds of their own familiar guild And the rare attempts to look East beyond those bounds often result in caricatures of Buddhists and their teachings much as early New Testament scholars caricatured the Jews Even more commonly such distant foreign traditions and their theologies are simply ignored as though the history of the Christian presence in the eastern Mediterranean basin were coterminous with the entire world of meaning Certainly one is no more likely to make a name in New Testament scholarship by pondering Chinese Buddhism than to become famous in the field of Buddhology by engaging with a Greek New Testament text Nevertheless it is good fun John P. Keenan

Kontext religiöser Medialität des Spätmittelalters De Gruyter 2013      **Resurrection** Frank J. Matera, 2015 At the heart of the Christian message stands the proclamation of the resurrection the good news that God raised Jesus from the dead In *Resurrection The Origin and Goal of the Christian Life* Frank Matera explains why the resurrection was so important to the early church and why it remains important for Christians today Beginning with the gospels then moving to the Acts of the Apostles the Pauline Epistles and concluding with Hebrews 1 Peter 1 John and the book of Revelation Matera provides a comprehensive overview of how the different writings of the New Testament proclaimed the resurrection of Jesus Christ Written in a clear and accessible manner Matera presents readers with a way to understand the central message of the New Testament and of Christian faith God raised Jesus from the dead Building on this message he shows that the resurrection of Jesus enables and empowers believers to live in the world today and provides them with the assurance that God will raise them from the dead as well      *The Divine Mercy Image Explained* Michael E. *Like a Bride Adorned* Lynn R. Huber, 2007-06-10 This book engages one set of conceptual metaphors in relation to Revelation's literary and social historical milieu      **The Traditio Legis: Anatomy of an Image** Robert Couzin, 2015-04-30 This monograph engages in a close reading of the traditio legis highlighting its novelty and complexity to early Christian viewers The image is analyzed as a conflation of two distinct forms of representation each constructed of unusual and potentially multivalent elements      *Theology and Ecology in Dialogue* Dermot A. Lane, 2020-05-21 This book opens with an examination of the meaning of the innocent sounding category of Integral Ecology in contemporary thought and its significance for theology today According to well known Irish theologian Dermot Lane Integral Ecology changes everything In this book he focuses on the neglected implications of Integral Ecology for systematic theology Ecology challenges theology to reimagine who we are who the Spirit of God is who Christ is where creation is going and what is the role of liturgy in society all in the glare of the ecological crisis This book also mines the theology within and behind the ground breaking encyclical *Laudato Si* On Care for our Common Home Until fairly recently climate change was left to the scientists politicians and activists More is needed Now is the time to hear voice of religion in that debate in the public forum with a view to initiating new transformative practices in society in politics and in religions This new book will be of interest to activists politicians priests christian educators and theologians The book is born out of the conviction that climate change is not just one more problem to be addressed by politicians rather it is the challenge facing humanity in the 21st century and as such is the challenge underlying all other challenges at this moment in history      **A Mind for what Matters** Frederick Fyvie Bruce, 1990 Anybody who has published more than forty books and nearly 2 000 articles and who has been called the

greatest evangelical scholar of our time is a figure to be reckoned with Such is F F Bruce who towers like a giant over the field of contemporary biblical scholarship **Dietrich Bonhoeffer's Ethics of Formation** Ryan Huber,2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer s Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer s ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth [A Revitalization of Images](#) Gregory C. Higgins,2019-03-05 The philosopher theologian and biblical scholar Austin Farrer 1904 1968 highlighted in his various writings the central role that images play in the interpretation of biblical writings the construction of theological arguments and the descriptions of the Christian spiritual life Theologians down through the centuries have sought to revitalize the central biblical images as they addressed the pressing theological moral and spiritual questions of their day A Revitalization of Images offers students the opportunity to participate in this ongoing creative engagement with ten dominant biblical images that continue to shape the church s beliefs and practices as well as each Christian s own spiritual journey Sound theology is rooted in Scripture conversant with past thinkers and engaged in the present life of the church This dynamic directly informs Revitalization In each chapter we begin with a biblical image that has figured prominently in the Christian theological tradition Next we examine two prominent voices from the Christian tradition who have drawn upon the image when crafting a compelling vision of the Christian life We then turn our attention to a contemporary thinker who has incorporated or critiqued the image in his or her own theological work This discussion is set within the current spectrum of theological positions including orthodox liberal postliberal and postmodern perspectives

**The Tabernacle and the Temple** Thomas Newberry,1887 [Christ's Resurrection in Pauline Soteriology](#) David Michael Stanley, *Nameless God* Hal Hargreaves,2011-01-18 Names play pivotal roles in unlocking early Christianity and are interpreted to reveal diverse theological positions Just how much influence those names wielded cannot be overstated It triggers this author to suggest the option of a nameless god The book can be a primer for the person interested in objective observations and willing to consider plausible implications over orthodoxy Candor and tough decisions dominate this effort A fresh view of agnostic thought emerges that is positive and helpful
