Rafael Alberti Pedro Guerrero Ruiz,1991 **El Salvador** Salvador Nunez,2021-05-25 Why El Salvador Hidden Truths

In writing this book I propose to explore these Salvadoran histories pages hidden in dust which we have been denied by the economic power and its Governments since the time of the Spanish Invasion We have systematically been denied the truth of this history which is part of our being as the original peoples which belongs to us to our identity We have been robbed and badly treated for more than 528 years which has caused trauma and suffering across our lives And so I undertook to look beneath the debris of the past with its enigmas to find the truth in our past history from our ancestors colonization independence the first peoples uprisings genocide and ethnocide against our ancestors As well as crimes against humanity The role of the Catholic Church in the colonisation and imposition of Christianity and its Holy Inquisition I also want you to be prepared because in this book you will encounter many surprises and facts which are going to collide with your beliefs and notions of being human I am not talking about to be Christians because that is much deeper But of the cruelty of the Spanish conquerors with the lies and falsehoods with which the Salvadorans have been educated Honour and Glory brothers and sisters Nahuas Maya Lencas Chortis Pocomames Xincas Kakawiras Chorotegas and Izalcos who offered their blood for us and future generations This Lent without resurrection to which our ancestors were subjected to began with the Spanish Invasion and has continued till this day in 2020 What you will find in the following pages are not sweet nor cheap announcements from the Salvadoran power base in its communication mediums Newspaper Television digital media and many other lying media For the first time there are voices of our ancestors in the presence of our current generations the grandfathers and grandmothers the young and their actual leaders **A Generation of Spanish Poets 1920-1936** C. B. Morris,1969-09 This critical study of the group of remarkably talented poets who flourished in Spain between the First World War and the Spanish Civil War includes copious quotations accompanied by English prose translations Mr Morris treats his poets as a group showing how they shared certain themes and attitudes He begins with a general study of the generation as a whole and then examines the use of tradition the zest and levity of the Jazz Age the exaltation of life as a shared attitude then its converse the escape from life and finally the expression in complex imagery of personal tensions and disturbances These are often difficult poets but become less so when they are sympathetically examined in this way and in relation to earlier literary traditions Mr Morris enables the reader to take bearings and establish relationships which are enhanced by reproductions of photographs of the poets **Rafael Alberti et les avant-gardes** Serge Salaün,Zoraida Carandell,2004 l occasion du centième anniversaire de la naissance de Rafael Alberti 1902 1999 le colloque organis en d cembre 2002 par le CREC et dont les PSN publient ici les actes tenait rendre hommage l une des principales personnalités des lettres espagnoles dont l uvre monumentale en poésie th tre prose mais aussi peinture et dessin ce que l on connaît moins couvre plus de trois quarts de siècle et se caractérise par une exceptionnelle vitalité et la quête permanente d une esthétique **El Salvador** Salvador
