Images Of Sephardi And Eastern Jewries In Transition:

Images of Sephardi and Eastern Jewries in Transition Aron Rodrigue, 1993-01-01 **The Second Jewish Migration** Ali Arslan, PhD, 2016-04-29 Too often when examining the history of Jews during the Ottoman period scholars focus solely on the founding of Israel after World War II and the victimization of Palestinians But its important to look at every dimension of Jewish life during this time Ali Arslan Ph D takes a broad view of Jewish Ottoman history in this academic work beginning with how the Jews of Western Europe were forced to leave the Iberian Peninsula and found the Ottomans waiting for them with welcoming arms The Ottomans saved them from oppression and paved the way for the Jews of Central and Eastern Europe to live more comfortable lives compared with those in Western countries The Ottomans respected the Jewish way of life and allowed them to move freely within the empire Both the Ottomans and the Jews should be commended for their productive collaboration at the end of the nineteenth century and the beginning of the twentieth century Their spirit of cooperation should be seen as a beacon of hope and a roadmap of how people today can overcome differences *Sephardic and Mizrahi Jewry* Zion Zohar, 2005-06-01 Brilliant essays providing a comprehensive overview of Sephardi and Mizrahi Jews from leading intellectuals on Jewish history and culture Midwest Jewish Studies Association Sephardic Jews trace their origins to Spain and Portugal They enjoyed a renaissance in these lands until their expulsion from Spain in 1492 when they settled in the countries along the Mediterranean throughout the Ottoman Empire in the Balkans and in the lands of North Africa Italy Egypt Palestine and Syria mixing with the Mizrahi or Oriental Jews already in these locations Sephardic Jews have contributed some of the most important Jewish philosophers poets biblical commentators Talmudic and Halachic scholars and scientists and have had a significant impact on the development of Jewish mysticism Sephardic and Mizrahi Jewry brings together original work from the world s leading scholars to present a deep introductory overview of their history and culture over the past 1500 years The book presents an overarching chronological and thematic survey of topics ranging from the origin of Sephardic and Mizrahi Jewry and their history to kabbalah philosophy and biblical commentary and Sephardic Jewish life in the modern era This collection represents the most up to date scholarship about Sephardic and Mizrahi Jewry available Contributors include Mark R Cohen Norman Stillman David Bunis Jonathan Decter Yitzhak Kalimi Moshe Idel Annette B Fromm Zvi Zohar Morris Fairstein Pamela Dorn Sezgin Mark Kligman and Henry Abramson **A Sephardi Sea** Dario Miccoli, 2022-07-26 A Sephardi Sea tells the story of Jews from the southern shore of the Mediterranean who between the late 1940s and the mid 1960s migrated from their country of birth for Europe Israel and beyond It is a story that explores their contrasting memories of and feelings for a Sephardi Jewish world in North Africa and Egypt that is lost forever but whose echoes many still hear Surely some of these Jewish migrants were already familiar with their new countries of residence because of colonial ties or of Zionism and often spoke the language Why then was the act of leaving so painful and why more than fifty years afterward is its memory still so tangible Dario Miccoli examines how the memories of a

bygone Sephardi Mediterranean world became preserved in three national contexts Israel France and Italy where the Jews of the Middle East and North Africa and their descendants migrated and nowadays live A Sephardi Sea explores how practices of memory and heritage making from the writing of novels and memoirs to the opening of museums and memorials the activities of heritage associations and state led celebrations has filled an identity vacuum in the three countries and helps the Jews from North Africa and Egypt to define their Jewishness in Europe and Israel today but also reinforce their connection to a vanished world now remembered with nostalgia affection and sadness

Jews among Muslims Shlomo Deshen, Walter P. Zenner, 2016-01-07 Jews Among Muslims is a collection of analytical and graphic descriptions of Jewish communities in North Africa and the Middle East in the 19th and early 20th century written by anthropologists and historians The introductory chapters set Middle Eastern Jewry into comparative settings Particular chapters are devoted to most of the major communities such as Morocco Yemen Iraq Iran Among the specific topics treated are community autonomy religious life and leadership women and family life education social etiquette

Mobilizing Religion in Middle East Politics Yusuf Sarfati, 2013-08-15 Contrary to the expectations of the secularization theorists religious political movements rose to prominence in numerous countries across the globe in the past three decades By examining the conditions that underlie the electoral fortunes of religious actors in democratic regimes this book contributes to our understanding of this worldwide religious resurgence Employing a social movement theory framework Mobilizing Religion in Middle East Politics explores the macro and micro dynamics of successful political mobilization by Sephardic Torah Guardians Shas in Israel and the National Outlook Movement in Turkey in the recent decades In a comparative framework the book demonstrates how ripe political opportunities appropriate frames and dense social networks contribute to building popular support in Israel and Turkey Yusuf Sarfati also assesses the effects of the increasing political power of religious actors on democratic governance and illustrates similarities and differences between two countries Drawing on empirical data from a range of interviews conducted in both Israel and Turkey this book provides a comparative study of religious politics in two countries that are often thought of as exceptional cases and are rarely compared As such this book is a welcome contribution for those studying Middle East politics comparative politics religious politics democratization and social movements

The Jews of the Middle East and North Africa in Modern Times Reeva S. Simon, Michael M. Laskier, Sara Reguer, 2003 Filling an important gap in the literature this volume documents the variety and diversity of Jewish life in the Middle East and North Africa over the last two hundred years It explains the changes that affected the communities under Islamic rule during its golden age and describes the processes of modernization that enabled the Jews of the Middle East and North Africa to play a pivotal role in their respective countries in the nineteenth and twentieth centuries

The Jews of the Middle East and North Africa in Modern Times Reeva Spector Simon, Michael Menachem Laskier, Sara Reguer, 2003-04-30 Despite considerable research on the Jewish diaspora in the Middle East and North Africa since 1800 there has until now been no comprehensive synthesis that

illuminates both the differences and commonalities in Jewish experience across a range of countries and cultures This lacuna in both Jewish and Middle Eastern studies is due partly to the fact that in general histories of the region Jews have been omitted from the standard narrative As part of the religious and ethnic mosaic that was traditional Islamic society Jews were but one among numerous minorities and so have lacked a systematic treatment Addressing this important oversight this volume documents the variety and diversity of Jewish life in the region over the last two hundred years It explains the changes that affected the communities under Islamic rule during its golden age and describes the processes of modernization that enabled the Jews to play a pivotal role in their respective countries in the nineteenth and twentieth centuries The first half of the book is thematic covering topics ranging from languages to economic life and from religion and music to the world of women The second half is a country by country survey that covers Turkey Syria Lebanon Israel Palestine Iraq Iran Afghanistan Yemen Egypt the Sudan Libya Tunisia Algeria and Morocco *Jewish-Muslim Relations in Past and Present*

Josef Meri, 2017-06-01 This volume assembles multidisciplinary research on the Judaeo Islamic tradition in medieval and modern contexts The introduction discusses the nature of this tradition and proposes the more fluid and inclusive designation of Jewish Muslim Relations Contributions highlight diverse aspects of Jewish Muslim relations in medieval and modern contexts including the academic study of Jewish history the Qur'anic notion of the upright community referring to the People of the Book Jews in medieval fatwas use of Arabic and Hebrew script Jewish prayer in Christian Europe and the Islamic world the permissibility of Arabic music in modern Jewish thought Jewish and Muslim feminist exegesis modern Sephardic and Morisco identity popular Tunisian song Jewish Muslim relations in cinema and A S Yehuda's study of an 11th century Jewish mystic **Like Salt for Bread. The Jews of Bosnia and Herzegovina** Francine Friedman, 2021-11-22 This book is the

only comprehensive treatment in any language of a rather exotic Balkan Jewish community It places the Jewish community of Bosnia and Herzegovina into the context of the Jewish world but also of the world within which it existed for around five hundred years under various empires and regimes The Bosnian Jews might have remained a mostly unknown community to the rest of the world had it not played a unique role within the Bosnian Wars of the early 1990s providing humanitarian aid to its neighbor Serbs Croats and Muslims Watch Francine Friedman's presentation on The Jews of Bosnia and Herzegovina

Confronting Fascism in the Arabic Jewish Press Lucia Admiraal, 2024-10-31 During the 1930s and 1940s Jews in the Middle East took part in extensive debates on fascism in the public sphere How did the rise of fascism impact the ways in which Jews in the region envisioned the past present and future Confronting Fascism in the Arabic Jewish Press examines Jewish discussions on the positions and identities of Jews in the Middle East within the context of multifocal debates on fascism Focussing on the Arabic Jewish press in Egypt Lebanon and Syria it studies the ideas of its editors and main contributors and their intellectual networks Putting those debates within the context of social political and national reorientations following the end of the Ottoman Empire the book uses an ideas based and conceptual approach to also

connect this history to global debates on fascism centred on the concepts of race civilization and religion In doing so it situates Jewish discussions on fascism in the Middle East not only at the heart of Arab intellectual history but also as part of a globalizing public sphere during the interwar war and immediate post war periods 1933 1948 The ebook editions of this book are available open access under a CC BY NC ND 4 0 licence on bloomsburycollections com *Jewish Literatures and Cultures in Southeastern Europe* Renate Hansen-Kokoruš,Olaf Terpitz,2021-10-11 The volume offers an overview of the diverse Jewish experiences in Southeastern Europe from the 19th to the 21st centuries and the various forms and strategies of their representation in literature the arts historiography and philosophy Southeastern Europe is characterized by a high degree of ethnical religious and cultural diversity Jews whether Sephardim Ashkenazim or Romaniots settling there in different periods experienced divergent life worlds which engendered rich cultural production Though recent scholarly and popular interest in this heterogeneous region has grown impressively Jewish cultural production is still an under researched area The volume offers an overview of the diverse Jewish experiences in Southeastern Europe from the 19th to the 21st centuries and the various forms and strategies of their representation in literature the arts historiography and philosophy thus creating a dialogue between Jewish studies Balkan studies and current literary and cultural theories **The Fourth of August Regime and Greek Jewry, 1936-1941** Katerina Lagos,2023-02-03 Delving into a traditionally underexplored period this book focuses on the treatment of Greek Jews under the dictatorship of Ioannis Metaxas in the years leading up to the Second World War Almost 86% of Greek Jews died in the Holocaust leading many to think this was because of Metaxas and his fascist ideology However the situation in Greece was much more complicated in fact Metaxas in his policies often attempted to quash anti Semitism The Fourth of August Regime and Greek Jewry 1936 1941 explores how the Jews fit and did not fit into Metaxas s vision for Greece Drawing on unpublished archival sources and Holocaust survivor testimonies this book presents a ground breaking contribution to Greek history the history of Greek anti Semitism and sheds light on attitudes towards Jews during the interwar period **Sites of Jewish Memory** Glenda Abramson,2018-10-24 This book brings together a collection of 16 essays first published in the Journal of Modern Jewish Studies that explore Jewish communities in North Africa Turkey and Iraq The discussions are located primarily in the 20th century but essays also examine the Jewish community in 16th century Istanbul and in early modern Morocco Topics include traumatic departures of communities from countries of centuries old Jewish residence and relocations pilgrimages to holy sites by Mizrahi Jews in Israel resonances of Shabbetai Zevi in Turkey and Morocco otherness and the nature of homeland the Sephardi culinary heritage as realised in the cookbooks of Claudia Roden sites of memory such as Kuzguncuk in Turkey and a controversial view of the exclusions and erasures that Arabized Jews have undergone In this unique collection a major but not exclusive theme is that of the instability of memory and the attempt to understand the interactions between memory and history as Jews recount their experiences of living in and often leaving their past homelands This book was originally published as a

special issue of the Journal of Modern Jewish Studies **Ottoman Brothers** Michelle Campos,2011 Ottoman Brothers explores Ottoman collective identity tracing how Muslims Christians and Jews became imperial citizens together in Palestine following the 1908 revolution Jewish Libya Jacques Roumani,Judith Roumani,David Meghnagi,2018-06-25 In June 2017 the Jews of Libya commemorated the jubilee of their complete exodus from this North African land in 1967 which began with a mass migration to Israel in 1948 49 Jews had resided in Libya since Phoenician times seventeen centuries before their encounter with the Arab conquest in AD 644 646 Their disappearance from Libya like most other Jewish communities in North Africa and the Middle East led to their fragmentation across the globe as well as reconstitution in two major centers Israel and Italy Distinctive Libyan Jewish traditions and a broad cultural heritage have survived and prospered in different places in Israel and in Rome Italy where Libyan Jews are recognized for their vibrant contribution to Italian Jewry Nevertheless with the passage of time memories fade among the younger generations and multiple identities begin to overshadow those inherited over the centuries Capturing the essence of Libyan Jewish cultural heritage this anthology aims to reawaken and preserve the memories of this community Jewish Libya collects the work of scholars who explore the community s history its literature and dialect topography and cuisine and the difficult negotiation of trauma and memory In shedding new light on this now fragmented culture and society this collection commemorates and celebrates vital elements of Libyan Jewish heritage and encourages a lively intergenerational exchange among the many Jews of Libyan origin worldwide The Jews of Lebanon Kirsten Schulze,2008-12-04 Tells the story of the Jews of Lebanon in the twentieth century This work challenges the prevailing view that Jews in the Middle East were second class citizens and were persecuted after the establishment of the State of Israel in 1948 *Israel in History* Derek Penslar,2007-01-24 This collection of essays provide a comparative historical analysis of Israel s history In particular they tackle the often contentious issues of the nature of Zionism whether Israel is a colonial state historiography and antisemitism as well social and cultural developments **Forgotten Millions** Malka Hillel Shulewitz,2000-10-27 Describes the situations of the long established Jewish communities of the Arab world the forces that led them to immigrate to Israel and the conditions that shaped their new lives in a Jewish state led by Jews of a different heritage *Between Sepharad and Jerusalem* Alisa Meyuhas Ginio,2014-10-16 Sephardim are the descendants of the Jews expelled from the lands of the Iberian Peninsula in the years 1492 1498 who settled down in the Mediterranean basin The identifying sign of the Sephardim has been until the middle of the twentieth century the language known as Jewish Spanish The history identity and memory of the Sephardim in their Mediterranean dispersal are analysed by the author with a special reference to the Sephardi community of Jerusalem and to the cultural and social changes that characterized the late nineteenth century and the first half of the twentieth century However because of the crucial changes related to modernization and the political circumstances that came into being at the turn of the nineteenth century and the first half of the twentieth century the Sephardim lost their unique identity

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Images Of Sephardi And Eastern Jewries In Transition**

In a world inundated with screens and the cacophony of instant interaction, the profound energy and emotional resonance of verbal artistry frequently disappear into obscurity, eclipsed by the continuous onslaught of noise and distractions.
