Images Of America Provincetown Vol 1:

Ptown Peter Manso, 2003-05-06 Rich with anecdotes about famous and infamous residents Norman Mailer Tennessee Williams Marlon Brando *Ptown* is a lively penetrating and occasionally shocking look at Provincetown Massachusetts by writer Manso who has lived there for much of his life 16 page photo insert *Photo-era*, 1899 *Photo-era Magazine* Juan C. Abel, Thomas Harrison Cummings, Wilfred A. French, A. H. Beardsley, 1917 **Photo-Era Magazine, the American Journal of Photography**, 1899 **The Poorhouses of Massachusetts** Heli Meltsner, 2014-01-10 Ever since the English settled in America extreme poverty and the inability of individuals to support themselves and their families have been persistent problems In the early nineteenth century many communities established almshouses or poorhouses in a valiant but ultimately failed attempt to assist the destitute including the sick elderly unemployed mentally ill and orphaned as well as unwed mothers petty criminals and alcoholics This work details the rise and decline of poorhouses in Massachusetts painting a portrait of life inside these institutions and revealing a history of constant political and social turmoil over issues that dominate the conversation about welfare recipients even today The first study to address the role of architecture in shaping as well as reflecting the treatment of paupers it also provides photographs and histories of dozens of former poorhouses across the state many of which still stand Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works **Geological Survey Professional Paper**, 1970 *American Women Modernists* Robert Henri, Marian Wardle, Sarah Burns, Brigham Young University. Museum of Art, 2005 The seven essays included in this volume move beyond the famed Ashcan School to recover the lesser known work of Robert

Henri's women students The contributors who include well known scholars of art history American studies and cultural studies demonstrate how these women participated in the modernizing of women's roles during this era **A Critical Introduction to Twentieth-Century American Drama: Volume 1, 1900-1940** C. An American Art Colony Paul H. Mattingly, 2019-07-16 An American Art Colony demonstrates the social dimension of

American art in the twentieth century paying special attention to the role of fellow artists nonartists and the historical context of art production This book treats the art colony not as a static addendum to an artist s profile but rather as an essential ingredient in artistic life The art colony here becomes a historical entity that changes over time and influences the kind of art that ensues It is a special methodology of the study that collective features of three generation of artists help clarify how artists engage their audiences Since many of these artists worked within the cultural confines of metropolitan New York and its magazine industry they cultivated subjects that were recognizable by ordinary citizens Early on they drew from the emergent suburban life of their neighbors for their artistic themes Gradually these contexts become more formally institutionalized and their subjects gravitated away from themes of ordinary life to themes more exotic expressionistic and fanciful A key methodology for this study consisted of an analysis of collective biographies of 170 participating artists The theme of modern art explains here how abstraction was suborned to public images widening the very meaning of the term modern

Hans Hofmann Helmut Friedel,Tina Dickey,Hans Hofmann,1998 Hans Hofmann 1880 1966 is one of the most important figures of postwar American art for both his own abstract paintings and his influence as the legendary teacher of generations of artists in Germany New York and Provincetown His presence in New York a link to Wassily Kandinsky the Cubists and Fauves catalyzed the movement ultimately known as Abstract Expressionism whose influence still pervades the aesthetic categories and practices of art today This volume features essays on Hofmann s life and work by Helmut Friedel and Tina Dickey excerpts from Hofmann s own statements full documentation of his career including chronology selected bibliography and comprehensive list of solo and group exhibitions and thirty two large colorplates of works from 1942 to 1965 by this supreme colorist his finest paintings from European and American collections They richly represent his unique painting style which conveys a deeply personal experience of color that has lost none of its power to fascinate the viewer
