Images Of Christ An Introduction To Christology:

Images of Christ Glenn F. Chesnut, 1984 The Earliest Christologies James L. Papandrea, 2016-03-30 In this clear and concise introduction to second century christologies James Papandrea sets out five of the principal images of Christ that dominated the postapostolic age Between varieties of adoptionism and brands of Gnosticism Papandrea helps us see how Logos Christology was forged as the beginning of the church's orthodox confession *Images of Jesus Christ in Islam* Oddbjørn Leirvik, 2010-05-27 Comprehensive and contemporary exploration of the role of Jesus in both Islam and Christianity and issues of dialogue in Christian Muslim relations The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with discussion of the modes of God's self communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible The second section considers Patristic Christology These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music poetry and the arts The final part concludes by locating Christology within systematic theology asking how it relates to Christian belief as a whole This comprehensive volume provides an invaluable resource and reference for scholars students and general readers interested in the study of Christology *Rooted in Christ* Jeanne Wiest, 2005-08 Growing in faith is like being rooted in Christ and each of the twelve sessions in this book are grounded in the firm belief that all Catholic adults are called to discipleship to follow Christ in all of life's big and little challenges This is an invaluable resource for lifelong learning and recommended in particular for catechist formation **Jesus Christ as Logos Incarnate and Resurrected Nana (Ancestor)** Rudolf K. Gaisie, 2020-10-16 This book seeks to demonstrate the significance of Ancestor Christology in African Christianity for christological developments in World Christianity Ancestor Christology has developed in the process of an African conversion story of appropriating the mystery of Christ Eph 3:4 in the category of ancestors Logos Christology in early Christian history developed as an intricate byproduct in the conversion process of turning Hellenistic ideas towards the direction of Christ A F Walls Hellenistic Christian writers and modern African Christian writers thus share some things in common and when their efforts are examined within the conversion process framework there are discernible modes of

engagement The mode of Logos Christology that one finds in Origen for example is an innovative application of the understanding of Jesus Christ as Logos incarnate a new key but not discontinuous with the Johannine suggestive mode or the clarificatory mode of Justin Martyr African Ancestor Christology is at the threshold of an innovative mode and the argument this book makes is that this strand of African Christology should be pursued in the indigenous languages aided by respective translated Bibles a suggested way is a Logos Ancestor Nanas m discourse in Akan Christianity *Muslim View Of Christianity (a)* Irfan A. Akan Christology Charles Sarpong Aye-Addo,2013-07-12 As Christianity expands and grows in Africa there is deep new interest in African theology in general and the way in which some African theologians are interpreting the significance of Christ within African culture in particular This volume explores the Christology of two of the foremost African thinkers against the background of the West African Akan culture The result is a rare and fascinating look at some of the key cultural symbols of African culture the struggle to reinterpret the white blond blue eyed Christ presented by pioneering missionaries to Africa and the pitfalls and promises that attend the exercise The selected theologians John Samuel Pobee and Kwame Bediako are put into a critical conversation with Karl Barth in order to initiate a dialogue between Western theology and African theology that brings to the fore some of the pertinent issues about the particularity and universality of Christ The volume while seeking to make Christ relevant for Africa moves away from romanticizing African culture and insists on being faithful to the biblical witness to Christ The result is an attempt to present an engaging piece of work that makes a significant contribution to contemporary debates on Christology and indigenous theology **Subtle Bodies** Glenn Peers,2001-02-14
