Lynch William F. Lynch, 1966 **Images of Hope** William F. Lynch (s.j.), 1965 Faith as Imagination Gerald J. Schumacher, 2003 Schumacher looks at hope as a virtue one opposed by vices such as despair and presumption particularly as they are treated in existentialism and Marxism He also explores Pieper s treatment of hope in relation to the ideas of death and immorality and in the philosophy of history Using the idea of hope to examine such themes as dignity ethics the good and the just Schumacher provides a valuable wide ranging introduction to a shaper of contemporary Christian thought against a richly drawn intellectual background **BOOK JACKET** Pro Ecclesia Vol 24-N2 Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, Pro Ecclesia, 2015-05-08 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **The Hope of Glory** Ian A. McFarland, 2024-10-01 The Hope of Glory affirms a Christian hope for life in glory to be conceived as the renewal of this world as opposed to leaving this world behind it is the same creation that God made in the beginning that God glorifies and redeems at the end When speaking of the redemption of all things theology finds itself confronted by various pitfalls On the one hand this worldly eschatologies that define Christian hope in terms of transforming the conditions of human existence in the present pay insufficient attention to the possibility of a wholly new creation On the other hand eschatologies that focus solely on the world to come fail to attend how Christian hope is a promise for the present as much as it is for the future To

avoid these pitfalls says Ian McFarland we need to seek the balance struck by Paul in the phrase the hope of glory Col 1 27 Hope is always grounded in present reality we hope for that which is not yet but if that hope has no connection to our current experience it is not hope at all just wishful thinking Yet glory is different it refers to the displacement of the suffering and mortality of present experience with incorruption and immortality a displacement that transcends every possibility of present existence because it is the utterly gracious gift of eschatological consummation Drawing on his previous work on creation From Nothing and incarnation The Word Made Flesh McFarland demonstrates how in the resurrection we see the promise of a final redemption grounded in this worldly hope yet realized in the glory of a new heaven and new earth *Imaginative Preaching* Geoff New, 2015-10-14 From generation to generation there has been an anguished cry from preachers about preaching there is no imagination The Scriptures present the wondrous hope and vision of Kingdom Come and yet contemporary preaching can often be mute and blind by comparison This book explores what is possible when the Scripture to be preached is prayed through the agency of two ancient prayer disciplines lectio divina and Ignatian Gospel Contemplation Through the experiences of eight vocational pastor preachers this study tracks the difficulties discoveries and delights as they commit to utilizing these prayer disciplines as part of their regular sermon preparation The reader will be orientated to what a biblical imagination entails and how praying the Scriptures affects the preacher sermon and listener Careful explanation of how to pray using lectio divina and Ignatian Gospel Contemplation is included This work is in places a raw examination of the forces that regularly conspire against the preacher as they endeavour to faithfully expound the Scriptures The study is a rousing exclamation of the joy experienced when a preacher's imagination and their preparation is formed by the Spirit bringing the Scriptures to bear on all who speak and hear it **Hope in Barth's Eschatology** John C. McDowell, 2017-11-22 This title was first published in 2000 Hope in Barth's Eschatology presents a critical investigation and survey of Karl Barth's writings particularly his Church Dogmatics IV 3 in order to locate the character and nature of hope within Barth's eschatology Arguing that Barth with his form of hope that refuses to shy away from the dark themes of the tragic vision could be seen to undermine certain tragic sensibilities necessary for a healthy account of hope John McDowell locates Barth within the context of larger traditions of theological thinking and influential accounts of Christian hope examining the work of Steiner MacKinnon Pannenberg Rahner Moltmann and others Addressing the relative neglect that Barth commentators have paid to eschatological themes McDowell maintains that to miss what Barth is doing in his eschatology is to seriously misunderstand Barth's broader theological sense This book offers a significant contribution to the ongoing task of understanding Barth's theology whilst developing a way of reading hope and eschatology that ultimately places some critical questions at Barth's door **Receptive Ecumenism and the Renewal of the Ecumenical Movement** Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it

important In Receptive Ecumenism and the Renewal of the Ecumenical Movement Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges
