Images of Jesus Alfred Praem, Alfred McBride, 1993 **Discovering Christ** Francis D. Kelly, 2016-12-05 Your understanding of the person of Jesus Christ was formed over the years from many sources teachers devotions and personal experiences Awareness of those elements is important as you begin a systematic study of the two natures of Christ divine and human Using a combination of spiritual and contemplative approaches Monsignor Kelly will help you critique the personal Christology you already have and then examine the Scriptural background for the Church's faith in Jesus moving historically through some of the more important developments in the life of Christ *The Seven Last Words of Jesus* Alfred McBride, O. Praem, 1990-12-12 **Intimate Reading** Jessica Barr, 2020-04-20 Intimate Reading Textual Encounters in Medieval Women's Visions and Vitae explores the ways that women mystics sought to make their books into vehicles for the reader's spiritual transformation Jessica Barr argues that the cognitive work of reading these texts was meant to stimulate intensely personal responses and that the very materiality of the book can produce an intimate encounter with God She thus explores the differences between mystics' biographies and their self presentation analyzing as well the complex rhetorical moves that medieval women writers employ to render their accounts more effective This new volume is structured around five case studies Chapters consider the biographies of 13th century holy women from Liège the writings of Margery Kempe Gertrude of Helfta Mechthild of Magdeburg Marguerite Porete and Julian of Norwich At the heart of Intimate Reading is the question of how reading works what it means to enter imaginatively and intellectually into the words of another The volume showcases the complexity of medieval understandings of the work of reading deepening our perception of the written word's capacity to signify something that lies even beyond rational comprehension [The Catholic Periodical and Literature Index](#), 2007
