[Edited by W. C. Walters, Afterwards Clayton and Mrs. S. L. Philpot.]** Joseph Charles PHILPOT, 1871 **A Victorian Dissenter** David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett s eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett s doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett s views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery **Letters by ... J.C. Philpot [ed. by W.C. Clayton and S.L. Philpot].** Joseph Charles Philpot, 1871 *The Remembrancer. [6th]* , 1871 [History of the English Calvinistic Baptists, 1771-1892](#) Robert W. F. Stunt, 2015-08-31 Timothy C F Stunt has gathered a range of his essays both published and unpublished in a collection of largely biographical studies His subjects range from discontented Quakers hesitating over their identity to respectable Anglicans who were fascinated with the charismatic phenomena of tongue speaking and healing Some of the characters with whom he is concerned can be described as mavericks on account of their strikingly individualist inclinations Occasionally their unpredictability takes on a quasi comic identity which could even qualify them to be described as loose cannons On the other hand some of them like Edward Irving Norris Groves and John Darby played a crucial part in the development of nineteenth century evangelicalism In their quest for the ideal church of their dreams they were often disappointed but one cannot but admire the single mindedness of their quest **The Gospel**

banner ,1884 **The Evangelicals at Oxford, 1735-1871** John Stewart Reynolds,1953 **Anglican Evangelicals** Grayson Carter,2015-10-14 This study examines within a chronological framework the major themes and personalities which influenced the outbreak of a number of Evangelical clerical and lay secessions from the Church of England and Ireland during the first half of the nineteenth century Though the number of secessions was relatively small between a hundred and two hundred of the Gospel clergy abandoned the Church during this period their influence was considerable especially in highlighting in embarrassing fashion the tensions between the evangelical conversionist imperative and the principles of a national religious establishment Moreover through much of this period there remained just beneath the surface the potential threat of a large Evangelical disruption similar to that which occurred in Scotland in 1843 Consequently these secessions provoked great consternation within the Church and within Evangelicalism itself they contributed to the outbreak of millennia Speculation following the constitutional revolution of 1828 32 they led to the formation of several new denominations and they sparked off a major Church State crisis over the legal right of a clergyman to secede and begin a new ministry within Protestant Dissent **The National Union Catalog, Pre-1956 Imprints** ,1968 **From Awakening to Secession** Timothy Stunt,2000-06-01 A major study of the impact of the Swiss RTveil Awakening on British evangelicals in the 1820s This book provides an important synthesis of a variety of tendencies and movements which have usually been treated and understood as separate By resisting the temptation to read back into the 1820s the partisan labels of later decades Timothy Stunt rediscovers the common ground which was shared by a wide spectrum of Christians who were later seen as mutually hostile The author considers the influence of the Awakening on radical attitudes to mission and ecclesiastical radicalism in Ireland pre Tractarian Oxford and Scotland In dealing with the reluctant movement towards secession from the established church Stunt illuminates and reinterprets the origins of the early Catholic Apostolic Church and the Brethren **The Gospel standard, or Feeble Christian's support** ,1881 **Paperbound Books in Print** ,1984 **The Cumulative Book Index** ,1981 A world list of books in the English language British Museum Catalogue of printed Books ,1894 **The Sower** ,1881
