Letters from a Hermit William O. Paulsell, 1978-02

Becoming the Presence of God Michael Ford, 2017

Letters from Rousseau Jean-Jacques Rousseau, 2025-07-15 Letters from Rousseau is the first extensive collection of translations of Rousseau's correspondence into English in more than eighty years. Many of the letters have not been translated before while others address substantive issues in his thought and complement his published writings. Although these letters went through the post as ordinary letters once Rousseau became famous he knew that they might be opened by the police and that they were very likely to be circulated and even published. Indeed he wrote some of them with a view to their ultimate publication. Rousseau's enormous private correspondence extends into all periods of his life including intimate letters to friends, letters to famous individuals and responses to readers who posed philosophic questions to him. Thus Eve Grace and Christopher Kelly also share his responses to readers who had been moved by his books. Further this volume includes letters written to or about major intellectual figures such as Diderot, Voltaire, Hume and Mirabeau. *Epistolary Fiction in Europe, 1500-1850* Thomas O. Beebe, 1999-03-28 This book explores epistolary fiction as a major phenomenon across Europe from the Renaissance to the nineteenth century. *Singuliers 19* Paul Melchior, Frère Ermite, 2024-01-31 24 postscripts for the addendum to the 1st edition of the book *Russian scams during Ukraine war on a dating website* entitled *Death of pseudo Ukrainian Russian scammers during war* complement of sequences from *No Shows No Film for Ukraine* full version in this Supplement to n 19 *Singuliers* magazine ISSN 0992 2881 *To Two Popes* Frère Ermite, Paul Melchior, 2022-04-28 An ebook from Hermit's confessions film *No Shows* postscriptums n 19 *Singuliers* magazine ISSN 0992 2881 *The Black Halo* Iain Crichton Smith, 2013-11-07 Although best known as one of Scotland's greatest modern poets Iain Crichton Smith was also prolific as a writer of short stories. These pieces form a central part of his oeuvre demonstrating the full range and versatility of his literary talent. From humour to tragedy from inner monologues to extrovert surrealism the diversity of his writing indicates the extraordinary range of his own reading and mental world. Crichton Smith wrote short stories throughout his life. Some are fragments, others almost novellas and the best of them all show him to be an author of unique sensitivity and intelligence. These two collections comprising the complete English stories include over 45 stories never before published in book form as well as others that have been out of print for many years thus making it possible to judge Crichton Smith's achievement as a writer in full. Incorporates stories from *The Hermit*, *Murdo*, *Mr Trill in Hades* and *Selected Stories*. **Film "No-shows" postscriptums** Paul Melchior, Frère Ermite, 2024-01-31 Complements of 30 sequences for the movie *No Shows No Film for Ukraine* 24 English postscripts 30 French extracts from the book *Hermit in showbiz* also in addition to *Russian scams during Ukraine war on a dating website* English Supplement to n 19 *Singuliers* magazine ISSN 0992 2881 **The Letters of Edward I** Kathleen B. Neal, 2021 Detailed examination of the letters of Edward I reveals them to be powerful and sophisticated political tools. Highly commended for the *Royal Studies Journal*. Book

Prize 2022 As formulaic in appearance as they are abundant in the archives it is easy to underestimate the power of the letters generated by medieval governments but these acts of communication were more than mere containers of information Operating at the intersection of the spoken and the written the performed and the observed they produced a discourse that maximized royal authority and promoted solidarity between sender and recipient This book situates letters within medieval theories of composition and habits of reception to argue that even mundane letters of governance were rhetorical texts It focuses on the example of Edward I of England whose rhetorical prowess was noted often critically by contemporaries It shows how the king's correspondence varied in tone vocabulary and structure across his reign and between recipients revealing an unexpected dynamism of political discourse Moving between historical context and close readings of individual letters this volume identifies letter writing as an art through which the king and his government attempted to negotiate and mould relationships with political communities and diplomatic interlocutors alike

The Collected Letters of Charlotte Smith Judith Phillips Stanton, 2003-10-02 One of the most popular poets of her time Charlotte Smith revived the sonnet form in England influencing Wordsworth and Keats Equally popular as a novelist she experimented with many genres and even her children's books were highly regarded by her contemporaries Charlotte Smith's letters enlarge our understanding of her literary achievement for they show the private world of spirit determination anger and sorrow in which she wrote Despite her family's diligence in destroying her papers almost 500 of Smith's letters survived in 22 libraries archives and private collections The present edition makes available most of these never before published letters to publishers patrons solicitors relatives and friends As this volume was going to press the Petworth House archives turned up 56 additional lost letters not seen in at least 100 years Most are from Smith's early career along with two letters to her troublesome husband Benjamin The archives also preserved 50 letters by Benjamin the only ones by him known to have survived Two letters from Benjamin to Charlotte are reprinted in full and generous excerpts from the rest are included in footnotes bringing a shadowy figure to life

The Fugger News-letters Victor Klarwill, 1925 Letters Saint Peter Damian, 1989 This second volume of the Mediaeval Continuation contains Letters 31-60 of Peter Damian the 11th century monk and man of letters While his epistolary style is varied exhortatory occasional pastoral reforming his message is singular and simple in urging strict adherence to the canons of the Church In Letter 31 also known as the Book of Gomorrah Damian deplores the degradation of the priesthood through the vice of sodomy and appeals to Pope Leo IX to educate and purge the clergy In Letter 40 called the Liber gratissimus he opposes the reordination of those ordained by simonists

Letters from a citizen of the world to his friends in the East ... A new edition, with original notes, etc Oliver Goldsmith, 1840 **A hermit's narrative of opinions ... on divine revelation, and Christianity, as its crowning point** John Stow, 1861 **Letters, 1-30** Peter Damian, 2013-12-30 Peter Damian 1007-1072 an eleventh century monk and man of letters left a large and significant body of correspondence Over one hundred and eighty letters have been preserved principally from Damian's own monastery of Fonte

Avellana Ranging in length from short memoranda to longer monographs the letters provide a contemporary account of many of the controversies of the eleventh century purgatory the Eucharist clerical marriage and celibacy immorality and others Peter Damian or Peter the Sinner as he often referred to himself was one of the most learned men of his day and his letters are filled with both erudition and zeal for reform

The Collected Letters of Sir George and Lady Beaumont to the Wordsworth Family, 1803-1829 Jessica Fay, 2021-04-01 Sir George Beaumont is a key figure in the history of British art As well as being a respected amateur landscape painter he was a prominent patron a collector and co founder of the National Gallery William Wordsworth described Beaumont s friendship as one of the chief blessings of his life and this edition reveals that the two men became collaborators as well as companions In addition to documenting unique perspectives on social political and cultural events of the early nineteenth century providing new contexts for reading Wordsworth s mature poetry the letters collected here chart the progress of an increasingly intimate inter familial relationship The picture that emerges is of a coterie that in influence creativity and affection rivals Wordsworth s more famous exchange with Coleridge at Nether Stowey in the 1790s The edition includes an extended study of how Wordsworth and Beaumont helped shape one another s work tracing processes of mutual artistic development that involved not only a meeting of aristocratic refinement and rural simplicity of a socialite and a lover of retirement of a painter and a poet but also an aesthetic rapprochement between neoclassical and romantic values between the impulse to idealize and the desire to particularize The Life and Letters of John Burroughs Clara Barrus, 1925

St. Catherine of Alexandria in Renaissance Roman Art Cynthia Stollhans, 2017-07-05 How and why did a medieval female saint from the Eastern Mediterranean come to be such a powerful symbol in early modern Rome This study provides an overview of the development of the cult of Catherine of Alexandria in Renaissance Rome exploring in particular how a saint s cult could be variously imaged and reinvented to suit different eras and patronal interests Cynthia Stollhans traces the evolution of the saint s imagery through the lens of patrons and their interests with special focus on the importance of Catherine s image in the fashioning of her Roman identity to show how her imagery served the religious political and or social agendas of individual patrons and religious orders
