*The Sociology of Political Praxis (RLE: Gramsci)* Leonardo Salamini, 2014-04-24 This volume analyses the philosophical nature of Gramsci's Marxism and its Hegelian source the radical critique of the economic tradition and the original analyses of the role of superstructures ideology consciousness and subjectivity in the revolutionary process It relates the central themes of Gramsci's writings such as hegemony historical blocs the role of intellectuals and political praxis to the more peripheral ones such as science language literature and art The introduction includes a brief intellectual biography of Gramsci

A Contemporary Turkish Prison Diary Ismail Albayrak, 2024-04-11 This book explores the religious experiences of two notable figures who endured severe trials under authoritarian regimes Bediuzzaman Said Nursi 1877-1960 within the Islamic tradition and Aleksander Solzhenitsyn 1918-2008 within the Russian Orthodox Christian tradition Against the tumultuous backdrop of the twentieth century's spiritual social political and intellectual upheavals both Nursi and Solzhenitsyn grappled with immense hardships because of their beliefs Despite immense tribulations both individuals demonstrated unwavering faith and resilience in the face of adversity continuing their scholarly and literary activities The current study centers on the dichotomy of spiritual confinement and expansiveness illustrating how people can experience spiritual distress even without physical restraints It explores the historical and conceptual aspects of imprisonment within Christian and Muslim perspectives explores the reasons for Nursi and Solzhenitsyn's incarceration examines their coping mechanisms in the face of hardship and underscores the role of faith and spirituality The author integrates personal experiences particularly his own incarceration during the aftermath of the 2016 Turkish staged coup attempt within the context of the narratives of Nursi and Solzhenitsyn The book addresses court proceedings release departure from Turkey and resettlement in Australia Throughout the author draws parallels between their own observations and those of Nursi and Solzhenitsyn contributing to the broader discourse on individual spirituality and collective consciousness The book offers insights into spiritual resilience in the face of adversity utilizing the lives of these figures to illuminate shared human experiences A unique collation of personal narration and scholarly reflection it is relevant to academics and students in history political science sociology Islamic and Middle Eastern studies and to social scientists researching the phenomenon of exile and prison in different countries across the world It also speaks to the work of activists and policymakers in human rights

**Translating Power** Saugata Bhaduri, 2008 Translation of short stories from Indic languages

**The Palgrave Handbook of Gender and Development** Wendy Harcourt, 2016-04-29 With original and engaging contributions this Handbook confirms feminist scholarship in development studies as a vibrant research field It reveals the diverse ways that feminist theory and practice inform and shape gender analysis and development policies bridging generations of feminists from different institutions disciplines and regions

Where the Meanings Are (Routledge Revivals) Catharine R. Stimpson, 2014-07-11 First published in 1990 this collection of essays in literary criticism feminist theory and race relations

was named one of the top twenty five books of 1988 by the Voice Literary Supplement The title covers such subjects as black literature the reconstruction of culture changing arts letters and sciences to include the topics of women and gender and the nature of family and the changing roles of women within society As such Catharine Stimpson employs a transdisciplinary approach to encourage greater understanding of the differences among women and thus socially constructed differences in general Where the Meanings Are tells of some of the arguments within feminism during the re designing and designing of cultural spaces as post modernism began to change the boundaries of race class and gender It will therefore be of great value to students and general readers with an interest in the relationship between gender and culture sex and gender difference feminist theory and literature

**José Carlos Mariátegui** Deni Alfaro Rubbo, 2024-09-30 This volume explores the life work and impact of the Peruvian thinker Jos Carlos Mari tegui 1894 1930 particularly his political biography his intellectual production and his critique of Eurocentrism This posthumous fame is based on the idea that in the whole of his political theoretical project the relationship between Latin America and Marxism was not built using a mechanical linking of effects and causes of the blatant copy of the theory produced in Europe of the immediate application of positivist formulas In this complex relationship enigmatic and insinuating a dissonant historical temporality emerged in Latin America The apparently unbalanced temporalities marked the matrix of capitalist exploitation but also present in Mari tegui s view glimmers of future possibilities This book is essential reading for scholars of social sciences and history interested in understanding the historical roots and political dilemmas of Latin American and European societies from the unique perspective of one of the greatest thinkers of the twentieth century

**Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

**Knowledge and Power in the Global Economy** David Gabbard, 2017-07-05 Advancing a three fold political agenda this volume illuminates how the meanings assigned to a whole vocabulary of words and phrases frequently used to discuss the role and reform of U S public schools reflect an essentially economic view of the world contends that education or educational reform conducted under an economized worldview will only intensify the effects of the colonial relations of political and economic domination that it breeds at home and abroad and offers a set of alternative concepts and meanings for reformulating the role of U S public schools and for considering the implications of such a reformulation more generally for the underlying premises of all human relationships and activities Toward these ends the authors in Part I critically examine many of the most commonly used terms within the rhetoric of educational reform since

the early 1980s and before Part II links today's economized worldview to curricular and instructional issues. These essays are especially important for comprehending how the organization of school curriculum privileges those disciplines deemed most central to market expansion: math and science, and how the political centrality of the economic sphere influences the nature of the knowledge presented in specific content areas. Given that language constrains as well as advances human thought, the twin tasks of de-economizing education and decolonizing society will require a vocabulary that transcends the familiar terminologies addressed in Parts I and II. The entries in Part III cultivate the beginnings of such a vocabulary as the authors elucidate innovative concepts which they view as central to the creation of truly alternative educational visions and practices.

**Voice of the People** Corey Gibson, 2015-06-16 Though Henderson is a major figure in Scottish cultural history, his reputation is largely maintained in anecdote and song. This study describes the ambitious moral intellectual programme to reintegrate the artist in society at the heart of all of his endeavors. To All Appearances Herbert Blau, 2025-03-03 First published in 1992, *To All Appearances* is a book in which ideology and performance shadow each other in a theoretical inquiry which ranges widely across historical periods and cultures. The author's concerns, which include the social meaning of illusion and the cultural manifestation of power, take the reader from Jacobean drama to the pageantry of Robert Wilson from Eleanora Duse to Laurie Anderson from the puppet theater of Kleist to Kantor's theater of the dead and from the Kutiyattam temple dancers in Kerala to *Womanhouse* in Los Angeles. A brilliant, uncontainable and chastening look at the rhetoric of critical theory in relation to performance and ideological practice, this is undoubtedly a book for the twenty-first century. It returns us through all appearances to the unavoidable question in art, in politics, in the society of the spectacle: what after all is the future of illusion. **The New Reproductive Order** Sarah Franklin, Marcia C. Inhorn, 2025-04-22 *The New Reproductive Order* documents the effects of half a century of new reproductive technologies on ideas and practices surrounding fertility, infertility, fertility control, and fertility decline that is on reproduction itself, causing profound transformations in family life, national political agendas, global economies, and environmental movements in the twenty-first century. **Gatekeepers** Franca Iacovetta, 2006-10-01 An in-depth study of European immigrants to Canada during the Cold War, *Gatekeepers* explores the interactions among these immigrants and the gatekeepers—mostly middle-class individuals and institutions whose definitions of citizenship significantly shaped the immigrant experience. Iacovetta's deft discussion examines how dominant bourgeois gender and Cold War ideologies of the day shaped attitudes towards new Canadians. She shows how the newcomers themselves were significant actors who influenced Canadian culture and society even as their own behaviour was being modified. Generously illustrated, *Gatekeepers* explores a side of Cold War history that has been left largely untapped. It offers a long overdue Canadian perspective on one of the defining eras of the last century. Translating Myself and Others Jhumpa Lahiri, 2023-09-12 *Translating Myself and Others* is a collection of candid and disarmingly personal essays by Pulitzer Prizewinning author Jhumpa Lahiri who reflects on her emerging identity as a translator and a

writer in two languages Featuring essays originally written in Italian and published in English for the first time and essays written in English      **Further Selections from the Prison Notebooks** Antonio Gramsci,1995      **Encyclopedia of**

**Italian Literary Studies** Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars      **Antonio Gramsci** Mark McNally,2015-08-11 The thought of Antonio Gramsci continues to enjoy widespread appeal in contemporary political and social theory This book draws together some of the world s leading scholars on Gramsci to critically explore key ideas debates and themes in his work in an accessible manner relating them to contemporary politics and society      **Biographical Dictionary of Twentieth-Century**

**Philosophers** Stuart Brown,Diane Collinson,Robert Wilkinson,2012-09-10 Prestigious board of advisory editors and contributors      One Hundred Twentieth-Century Philosophers Stuart Brown,Diane Collinson,Dr Robert Wilkinson,Robert Wilkinson,2008-02-20 One Hundred Twentieth Century Philosophers offers biographical information and critical analysis of the life work and impact of some of the most significant figures in philosophy this century Taken from the acclaimed Biographical Dictionary of Twentieth Century Philosophers the 100 entries are alphabetically organised from Adorno to Zhang Binglin and cover individuals from both continental and analytic philosophy The entries have an identical four part structure making it easy to compare and contrast information comprising biographical details a bibliography of major works a listing of relevant secondary and critical literature an appraisal of the philosopher s thoughts and achievements A separate glossary provides an introduction to the origins development and main features of major philosophical schools and movements and offers select bibliographies to guide the reader to further research      **Prison Notebooks** Antonio

Gramsci,2011 Based on the authoritative Italian edition of Gramsci s work Quaderni del Carcere this translation presents the intellectual as he ought to be read and understood      **Afterlives of Confinement** Susana Draper,2015-08-15 During the

age of dictatorships Latin American prisons became a symbol for the vanquishing of political opponents many of whom were never seen again In the postdictatorship era of the 1990s a number of these prisons were repurposed into shopping malls museums and memorials Susana Draper uses the phenomenon of the opening of prisons and detention centers to begin a dialog on conceptualizations of democracy and freedom in post dictatorship Latin America Focusing on the Southern Cone

nations of Uruguay Chile and Argentina Draper examines key works in architecture film and literature to peel away the veiled continuity of dictatorial power structures in ensuing consumer cultures The afterlife of prisons became an important tool in the forgetting of past politics while also serving as a reminder to citizens of the liberties they now enjoyed In Draper s analysis these symbols led the populace to believe they had attained freedom although they had only witnessed the veneer of democracy in the ability to vote and consume In selected literary works by Roberto Bola o Eleuterio Fernandez Huidoboro and Diamela Eltit and films by Alejandro Agresti and Marco Bechis Draper finds further evidence of the emptiness and melancholy of underachieved goals in the afterlife of dictatorships The social changes that did not occur the inability to effectively mourn the losses of a now hidden past the homogenizing effects of market economies and a yearning for the promises of true freedom are thematic currents underlying much of these texts Draper s study of the manipulation of culture and consumerism under the guise of democracy will have powerful implications not only for Latin Americanists but also for those studying neoliberal transformations globally
