last and all the time he is a sarcasm On God and man He took a pride in man man was his finest invention man was his pet after the housefly On the Bible It is full of interest It has noble poetry in it and some clever fables and some blood drenched history and some good morals and a wealth of obscenity and upwards of a thousand lies **Love Letters from the Earth** Yachna Rajpoot,2021-06-07 The imagination of love can be ridiculous but it makes us happy every time And One day if your imagination of love turns into reality that day will be the luckiest and you will be the happiest like the character of this story An alien who got love letters from earth came on earth with his assistant to prove his innocence that he had no relation with a human girl and he was not betraying his planet members He had two months After one month they entered a school as a teacher and student to find that girl But during this time he established a good relationship with students He taught them about humanity happiness Failures and other good stuff on the topics no one wants to talk and also learned Love With these silly human hormones he fell in love with the most arrogant girl of the class Opposite poles attract the most In the last he found the writer of those letters Who was the writer Was he really in love with that girl or this was also an imagination was it a happy ending or **Mark Twain** Samuel Langhorne Clemens,1962 **Letters from the Earth (Annotated)** Mark Twain,2020-11-10 Published posthumously these essays were written during a difficult time in Twain s life Written after the death of his daughter and his wife the content concerns morality and religion and strikes a sarcastic tone throughout
