Willa Cather,2002-01-01 An infamous clause in Willa Cather's will forbidding publication of her letters and other papers has long caused consternation among Cather scholars For Cather a complex and private person who seldom made revelatory public pronouncements personal letters provide or would provide an especially valuable key to understanding But because of the terms of her will that key is not readily available Cather's letters will not come into public domain until the year 2017 Until then even quotation let alone publication in full is prohibited Janis P Stout has gathered over eighteen hundred of Cather's letters all the letters currently known to be available and provides a brief summary of each as well as a biographical directory identifying correspondents and a multisection index of the widely scattered letters organized by location by correspondent and by names and titles mentioned This book will be an essential resource for Cather scholars
