Letters Of Denise Levertov And William Carlos Williams:

The Letters of Denise Levertov and William Carlos Williams Denise Levertov, William Carlos Williams, 1998 The Letters of Denise Levertov and William Carlos Williams is the most engaging and lively of literary correspondences at once a portrait of two geniuses the testimony of their remarkable friendship and a seedbed of ideas about American poetry With a 1951 fan letter the young British poet introduced herself to Williams and by 1959 Williams is congratulating Levertov on her growth this book challenge s me so that I am glad I am not younger You have not always written so excellently I am going to read these first half dozen poems maybe more until as an old man I have penetrated to where your secret is hid The letters also chronicle their search individually and together for a set of formal poetic principles a search which culminated for Levertov in 1965 when she coined the term organic form The warmth the directness the flavorsome individuality of the letters 34 from Levertov and 42 from Williams increased with their growing intimacy and mutual regard Always intriguing their independent minded letters which end with the elder poet s death in 1962 have great piquancy and charm Denise Levertov herself initiated this project and was then in the year before her death fascinated to read the exchange This edition also includes the correspondence between Levertov and Williams s widow Florence Professor Christopher MacGowan the noted Williams scholar contributes a superb introduction and informative annotations throughout

The Letters of Robert Duncan and Denise Levertov Robert Edward Duncan, Robert J. Bertholf, Albert Gelpi, 2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names

Something to Say William Carlos Williams, 1985 Something to Say William Carlos Williams on Younger Poets collects all of Williams known writings reviews essays introductions and letters to the editor on the two generations of poets that followed him from Kenneth Rexroth and Louis Zukofsky to Robert Lowell and Allen Ginsberg What might have been a random collection of occasional pieces achieves remarkable coherence from the singleness of Williams

poetic vision his belief that the secret spirit of ritual of poetry was trapped in restrictive molds and if these could be broken the spirit would be able to live again in a new contemporary form Only a revived clarity and accuracy in sight and expression would enable the modern world to reform social order which Williams saw in complete disarray To resuscitate American Poetry Williams concentrated his efforts on the purification of poetic speech his American idiom and on remaking the poetic line in a new measure his variable foot And while his battles with his contemporaries on these issues could be heated he was always a nurturing father to the young a useful presence a model and a liberator He told Ginsberg to pare down and economize Roethke to open up and encouraged Lowell and Levertov to shake off poetic conventions But in all his emphasis on the poem as a made object of concrete physicality or as a field of action he would return again and again to this basic advice to young writers The only thing necessary is to have something to say when at last the opportunity comes to say it
