**The Letters of Gertrude Stein and Thornton Wilder** Gertrude Stein, Thornton Wilder, 1996-01-01 Letters trace the friendship between Stein and Wilder from late 1934 until Stein's death in 1946 The Letters of Gertrude Stein and Thornton Wilder Gertrude Stein, 1996 **The Selected Letters of Thornton Wilder** Thornton Wilder, Jackson R. Bryer, Robin Gibbs Wilder, 2010-10-12 Spanning his entire life The Selected Letters of Thornton Wilder is a comprehensive and fascinating collection of the great American writer's correspondence The author of such classics as *Our Town* and *The Bridge of San Luis Rey* Thornton Wilder was a born storyteller and dramatist rare talents on glorious display in this volume of more than three hundred letters he penned to a vast array of famous friends and beloved relatives Through Wilder's correspondence readers can eavesdrop on his conversations with Ernest Hemingway F Scott Fitzgerald Gertrude Stein No 1 Coward Gene Tunney Laurence Olivier Aaron Copland Paul Hindemith Leonard Bernstein Edward Albee and Mia Farrow Equally absorbing are Wilder's intimate letters to his family Wilder tells of roller skating with Walt Disney remembers an inaugural reception for FDR at the White House describes his life as a soldier in two World Wars and recalls dining out with Montgomery Clift and Elizabeth Taylor In these pages Thornton Wilder speaks for himself in his own unique enduring voice informing encouraging instructing and entertaining with his characteristic wit heart and exuberance The Letters of Gertrude Stein and Carl Van Vechten, 1913-1946 Gertrude Stein, Carl Van Vechten, 2013 This monumental collection of correspondence between Gertrude Stein and critic novelist and photographer Carl Van Vechten provides crucial insight into Stein's life art and artistic milieu as well as Van Vechten's support of major cultural projects such as the Harlem Renaissance From their first meeting in 1913 Stein and Van Vechten formed a unique and powerful relationship and Van Vechten worked vigorously to publish and promote Stein's work Existing biographies of Stein including her own autobiographical writings omit a great deal about her experiences and thought They lack the ordinary detail of what Stein called daily everyday living the immediate concerns objects people and places that were the grist for her writing These letters not only vividly represent those details but also showcase Stein and Van Vechten's private selves as writers Edward Burns's extensive annotations include detailed cross referencing of source materials Gertrude Stein Gertrude Stein, 2008 One of the best introductions to Gertrude Stein's work I've ever read Joan Retallack's research is thorough and impressive and she has done an outstanding job of assembling a valuable and interesting collection of Stein's writings Hank Lazer author of *Lyric Spirit* This exquisitely edited volume of Gertrude Stein's writings is far more informative than the usual selected works Out of the immense opus that Stein produced over a long and prolific career Joan Retallack has chosen telling pieces so as to show both the extraordinary thematic generic and stylistic variety and the coherence of her life's work Meanwhile Retallack's delightful and informative introduction can stand on its own as a luminous contribution to our understanding of Gertrude Stein's work and her place in literary history The fascinating documents that end the book can be regarded as the sweet at the end of a

fully satisfying and memorable experience This is an essential book for both new and long term discoverers of the wonder of Gertrude Stein s writings Lyn Hejinian author of *The Language of Inquiry* Retallack s illuminating introduction is a vital contribution to our knowledge of Stein revelatory of such issues as racism while viewing Stein s presence on the page and in the ear as performative play that creates a sensual apprehension of a new time a perception of the activity of happiness The selections and introduction demonstrate how Stein changed reading and perceiving Leslie Scalapino author of *It s go in horizontal*

**A Letter to the Press - Partisan Media, Propaganda, and Post-Truth Politics in the American Century**  
Stephen Bates, 2020-10-27. The story behind the 1940s Commission on Freedom of the Press groundbreaking then timelier than ever now. Bates skillfully blends biography and intellectual history to provide a sense of how the clash of ideas and the clash of personalities intersected. Scott Stossel, *American Scholar*. A well-constructed timely study clearly relevant to current debates. Kirkus starred review. In 1943, Time Inc. editor in chief Henry R. Luce sponsored the greatest collaboration of intellectuals in the twentieth century. He and University of Chicago president Robert Maynard Hutchins summoned the theologian Reinhold Niebuhr, the Pulitzer-winning poet Archibald MacLeish, and ten other preeminent thinkers to join the Commission on Freedom of the Press. They spent three years wrestling with subjects that are as pertinent as ever: partisan media and distorted news, activists who silence rather than rebut their opponents, conspiracy theories spread by shadowy groups, and the survivability of American democracy in a post-truth age. The report that emerged, *A Free and Responsible Press*, is a classic, but many of the commission's sharpest insights never made it into print. Journalist and First Amendment scholar Stephen Bates reveals how these towering intellects debated some of the most vital questions of their time and reached conclusions urgently relevant today.

**Another Day's Begun** Howard Sherman, 2021-01-14. A work of startling originality when it debuted in 1938, Thornton Wilder's *Our Town* evolved to be seen by some as a vintage slice of early 20th Century Americana rather than being fully appreciated for its complex and eternal themes and its deceptively simple form. This unique and timely book shines a light on the play's continued impact in the 21st century and makes a case for the healing powers of Wilder's text to a world confronting multiple crises. Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally, and including background on the play's early years and its pervasiveness in American culture, *Another Day's Begun* shows why this particular work remains so important, essential, and beloved. Every production of *Our Town* has a story to tell beyond Wilder's own. One year after the tragedy of 9/11, Paul Newman in his final stage appearance played the Stage Manager in *Our Town* on Broadway. Director David Cromer's 2008 Chicago interpretation would play in five more cities, ultimately becoming New York's longest running *Our Town* ever. In 2013, incarcerated men at Sing Sing Correctional Facility brought Grover's Corners inside a maximum security prison. After the 2017 arena bombing in Manchester, UK, the Royal Exchange Theatre chose *Our Town* as its offering to the stricken community. 80 years after it was written, more than 110 years after its actions take place, *Our Town* continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself. *Another Day's*

Begun explains how this American classic has the power to inspire heal and endure in the modern day onstage and beyond

**Modernist Literature and European Identity** Birgit Van Puymbroeck,2020-05-13 Modernist Literature and European Identity examines how European and non European authors debated the idea of Europe in the first half of the twentieth century It shifts the focus from European modernism to modernist Europe and shows how the notion of Europe was constructed in a variety of modernist texts Authors such as Ford Madox Ford T S Eliot Gertrude Stein Aim C saire and Nancy Cunard each developed their own notion of Europe They engaged in transnational networks and experimented with new forms of writing supporting or challenging a European ideal Building on insights gained from global modernism and network theory this book suggests that rather than defining Europe through a set of core principles we may also regard it as an open or weak construct a crossroads where different authors and views converged and collided
